Teamwork for Student Success

LET'S GET ASSOCIATED.

An illustration of a winding orange path through a green landscape. There are several dark green, stylized evergreen trees of varying sizes. In the distance, two small, dark-colored figures are walking along the path. The background is a dark green wood-grain texture.

Student Success Goals

- **From Complete College Georgia:**
 - **Increase degrees awarded.**
 - **Reduce time to completion of degrees.**
 - **Increase completion by transforming remediation.**
 - **Restructure instructional delivery to support student success and educational excellence.**
 - **Award degrees to students who have met requirements at other institutions (ADD program).**

Other Goals

- **Increase enrollment**
 - **Increase retention and persistence.**
- **Prepare students for transfer to universities.**

The Importance of Teamwork to Achieve Goals

- **Roles of Academic and Student Affairs**

What Do Effective Teams Look Like?

- Adequate Communication
- Great Leadership
- Efficient Collaboration
- Common Goals
- Respect and Trust

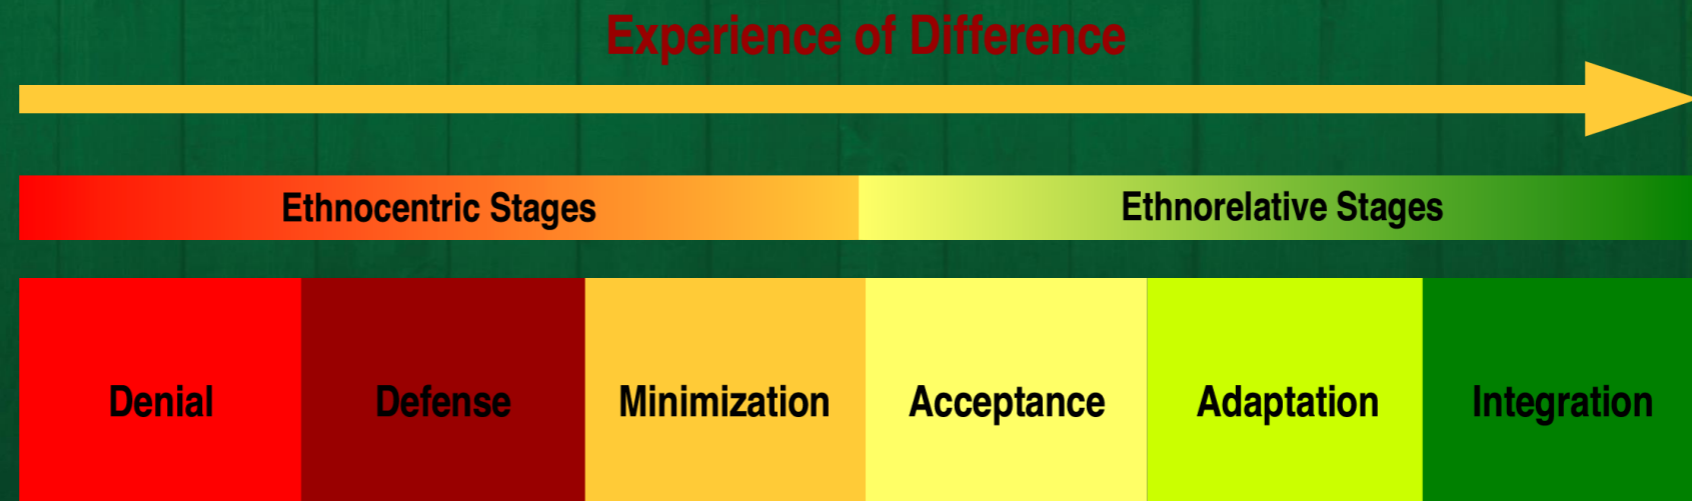

Intercultural Communication: Experience of Difference

- What is “Culture”?
- And ..What is “culture”?
- List 6 “identities” that you have

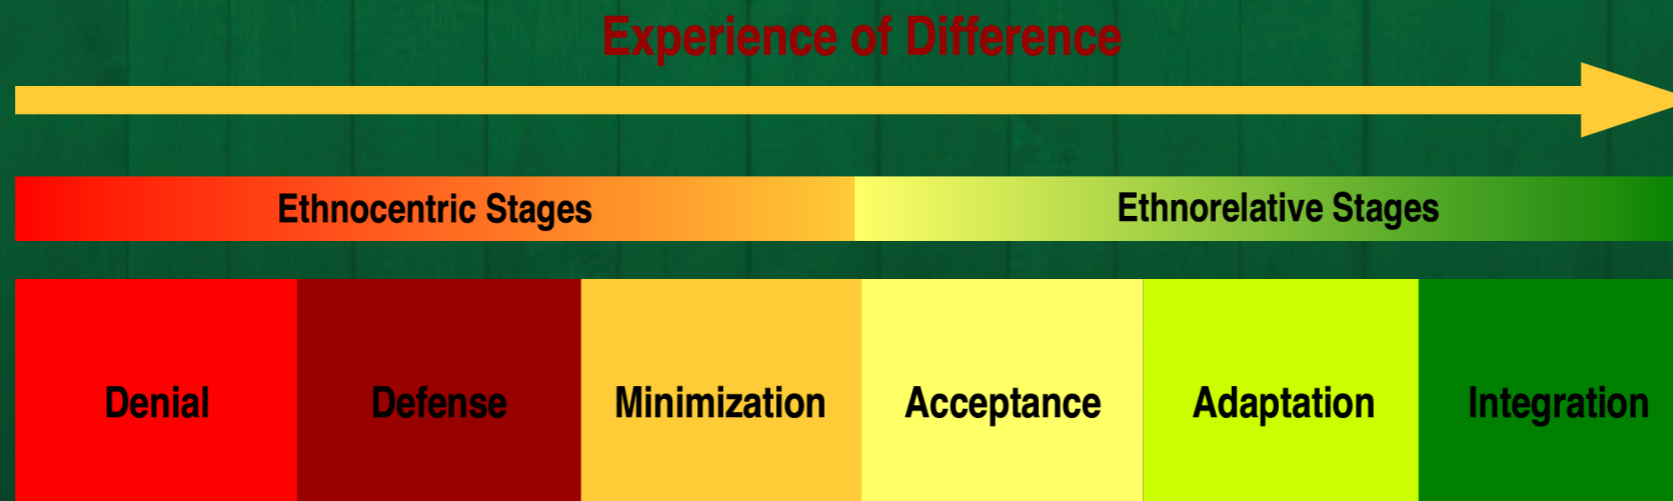

Intercultural Sensitivity and Communication

- Milton Bennett
- How do we experience difference?
- Developmental Measure of Intercultural Sensitivity (DMIS)

Developmental Measure of Intercultural Sensitivity

- **Stages of Intercultural Sensitivity**
 - **Ethnocentric: Denial – Defense – Minimization**
 - **Ethnorelativism: Acceptance – Adaptation – Integration**

The “Third Space”
