Please see the following changes regarding foreign language policy to be updated in the newest version of the course catalog. Page numbers are highlighted in yellow.

The wording on pages 14, 16, 17, 18, and 27 under the foreign language heading are to be replaced with the following:

FOREIGN LANGUAGE: Two (2) units in the same foreign language (two years or levels I and II of the same language) emphasizing speaking, listening, reading, and writing. Two (2) units of American Sign Language or two (2) units of computer science may be used to satisfy this requirement. Those students with RHSC deficiencies must take additional courses to fulfill the requirements. See below under "Required High School Curriculum" for further information. Any student who does not have seventeen RHSC courses is encouraged to apply and will be considered on a case-by-case basis.

p. 30-31 (under Credit by Examination section)

Spanish Credit by Exam:

Any student who believes he/she is proficient in Spanish, may attempt the *Spanish Credit by Exam*. It is a placement test intended for those who have taken Spanish I and II (2 Carnegie units of Spanish) in high school and wish to receive credit for lower level Spanish knowledge. The Credit by Exam is also intended for native speakers of Spanish who wish to advance into a higher level Spanish other than 1001. Students who are proficient in Spanish due to previous studies of the language, rigorous high school preparation or previous training, and wish to advance into a higher level Spanish other than 1002, may also take this college-level Spanish knowledge exam. This test is not intended to satisfy CPC (College Preparatory Curriculum) deficiency in foreign language, and it is not meant to replace the PLA (Prior Learning Assessment) policy. This exam can be taken only once, and credits cannot be awarded if the student has already taken Spanish classes at EGSC. The exam is a challenge, departmental exam under the control of, and administered by, members of the Spanish faculty.
