

# CORRELL SCHOLARS BEGIN 3RD YEAR OF BOBCAT BUDDIES

We are delighted to begin our third year of Bobcat Buddies!

The 2017-18 Correll Scholars were selected last spring and have begun tutoring/mentoring twenty-four local elementary students through the Bobcat Buddies Program.

The Buddies meet each Tuesday and Thursday after school at the Center. The Emanuel County School District graciously provides transportation from Swainsboro Elementary to the Fulford Center for each session. It's so gratifying to see such positive interaction between the college students and the younger students. It's going to be another rewarding year!

JEAN D. SCHWABE,  
 DIRECTOR

## Message From The Director

Fall has arrived, and we have a very busy October! Our SAT review sessions continue this month, and over two dozen planetarium shows are scheduled, as well as a variety of local, regional, and state workshops. Our weekly Tuesday night Chess Club meetings continue, and we hope you'll mark your calendar for the rescheduled Total Wellness Luncheon (*Living with Arthritis*) set for October 31.

All of these activities enable the Center to function as an interactive and vibrant hub of the community, and we remain dedicated to our goals of education, civic engagement, and hospitality. Thank you for being a part of our wonderful community, and I hope to see you soon at the Center!

## FALL SAT REVIEWS TO BE HELD

There are many parts of a successful college application, the most important of which is high school grades. Many view the second most important part as the SAT score.

In an effort to familiarize students with the SAT test directions, the types of questions on the test, and the necessary skills for SAT success in the math, writing, and language sections, the Fulford Center will offer two review sessions for area students.

SAT Reading/Writing/ Language Review will be held October 23-26 from 4:00 p.m. until 6:00 p.m. The SAT Math Review will take place October 30-November 2 from 4:00 p.m. until 6:00 p.m. The fee is \$10 for one week or \$15 for both weeks. Students will receive a test review notebook and sample test sections.

The review sessions aim to equip students to achieve the highest possible score on the test. The sessions are taught by highly qualified and experienced instructors.

## TOTAL WELLNESS PART 3 RESCHEDULED FOR OCTOBER 31

East Georgia State College was closed September 11, 12, and 13 due to Hurricane Irma. As a result, our Total Wellness Luncheon has been rescheduled for Tuesday, October 31, at noon.

The topic for this session is **Living with Arthritis**. Program presenters will provide information to help individuals change, overcome, or cope with the problems arthritis presents. The series is FREE and is made possible through a partnership with UGA Extension, Emanuel Medical Center, Emanuel Partnership for Health, East Georgia Healthcare Center, East Georgia State College, and Sweet Tea Grille at the Mill.

Lunch, a presentation, and door prizes will be provided. Enrollment is limited to 20, and registration is required. If you have questions or would like to register, please call the Fulford Center at 289-2464.

## WELCOME NEW STUDENT WORKER!

We are so pleased to welcome Lily Deloach to the Fulford Center! Lily recently joined the Fulford Center team as a work study student. Lily graduated from Tattnall County High School and is currently a sophomore at East Georgia State College majoring in psychology. Following graduation from East Georgia, she plans to attend Georgia Southern University to continue her studies. Welcome Lily!

# SAVE THE DATE!

7TH ANNUAL

## FAMILY ASTRONOMY NIGHT

THURSDAY, NOVEMBER 9

5:00 P.M. UNTIL 7:30 P.M.

**WITH SPECIAL GUEST MAX MCKELVEY, ASTRONOMY ENTHUSIAST**

## CHESS CLUB MEETS WEEKLY AT CENTER

Each Tuesday from 5:15 p.m. until 7:30 p.m., the Fulford Center hosts the EGSC/Area Scholastic Chess Club. Chess enthusiasts who are proficient and avid chess players are encouraged to attend.

There is no cost to participate, and tournament chess sets are used at each session. Several local chess advocates provide valuable assistance with the sessions including Jay Youngblood, recently retired from Assurant and sponsor of our annual Youngblood Chess Tournament, Dr. John Simmons, retired East Georgia State College math professor, and Mike Lisenby, an East Georgia State College adjunct professor. Jay and Mike also coach chess at several schools in Emanuel and surrounding counties and serve as instructors at our summer chess camps.

Consider joining us each Tuesday night!
