Dear Friends,

Thank you for taking valuable time to read this report. In order for the college to continue to thrive, it is essential that leaders like you are up to date about the college's progress toward its mission and the opportunities and challenges awaiting us. Your support of our strategy to meet these head on is the key to our long-term success!

Simply put, that strategy is to devote all of our time and energy into raising college expectations in the region and to providing access to a high quality, affordable college degree for deserving students in this region—students who would not have had the opportunity to go to college if EGSC did not exist. We do not seek to become a different type of college – a comprehensive, selective university. We seek to be the best at exactly what we are called to be – the best access college in the country.

As you read this report, please think about the people behind the numbers—our students, graduates, faculty and staff, the citizens of this great region, and yourself. Think about people like the woman who recently introduced herself to me in the grocery store. Her family wanted her to go to work to support the family after high school. East Georgia gave her the opportunity for an affordable college degree right here at home. She seized the opportunity, the East Georgia faculty and staff wouldn't let her quit, and she went on to a 30-year career in education.

Deserving people like this are why the college exists. These students have enormous potential and need a great place gain access to higher education, to work hard and earn a degree and achieve that potential. Not only do they need access, they need people who are passionate about their future to teach and guide them—our outstanding faculty and staff. They need to learn about this region and their responsibility to serve it after they graduate. They need you to support them to make this all possible.

With all of these people in the front of your mind, the story this report tells becomes more compelling. EGSC is growing and the number of students graduating is increasing by leaps and bounds. Thanks to a generous recent land gift by the Gambrell family to the EGSC Foundation, the college is positioned to continue growing for many years to come. Think about the exciting economic prospects for our region when these students enter the workforce and put into practice what they have learned at the college.

You make all of this, and so much more, possible. Thank you!

As you finish reading, please consider a renewal of your contribution to the EGSC Foundation. I promise you that it will make a difference—a big difference—in the life of a promising young person.

Sincerely,

Robert G. Boehmer, J.D.
President, East Georgia State College

WHO ARE WE?

MISSION

East Georgia State College is an associate degree-granting, liberal arts institution of the University System of Georgia providing its students access to both academically-transferable pathways and collaborative programs in occupation-related fields. The College also offers targeted baccalaureate-level degrees that support the University System's initiative to expand educational opportunities. The College prepares traditional and nontraditional students for success in the global 21st century through a technologically-advanced teaching and learning environment that fosters personal growth by utilizing an expanding range of resources and amenities, including an on-campus student residential option. The College also continuously engages the communities it serves through public service and cultural enrichment.

VISION

East Georgia State College seeks to be a state of Georgia leader in providing access to higher education as the state seeks to dramatically increase its rate of college completion. Located in a primarily rural area in the interior of the Augusta-Savannah-Macon triangle, EGSC is strategically positioned to provide an affordable, high quality academic experience to a large number of Georgians, and has a track record of success. EGSC is committed to producing workforce-ready graduates with skills to meet needs of employers in the region in an increasingly diverse, high-technology, global working environment; preparing those graduates for a lifetime of learning; and instilling in those graduates the importance of lifelong community service. In carrying out this vision, EGSC is committed to education with a personal touch designed to improve the critical thinking skills of its students and the lives of the people in the communities it serves.

ACCREDITATION

East Georgia State College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates, associate and baccalaureate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of East Georgia State College.

AFRICAN-AMERICAN MALE INITIATIVE

The goal of EGSC's participation in the USG's AAMI is to improve persistence and completion rates among African-American males through four key program elements: 1.) academic skills enrichment, 2.) student support services, 3.) adult/peer mentoring and engagement with successful role models, and 4.) leadership development, which are provided over a one-year period or longer. About 100 college students will be enrolled in the AAMI study during the fall 2017, fall 2018 and fall 2019 semesters, with follow-up continuing until 2020.

THE *East Georgia State College* FOUNDATION

MISSION

The mission of the East Georgia State College Foundation (EGSCF) is to help transform and enhance the lives of our diverse student population by providing educational opportunities, financial support, and advocacy. By generating, processing, and allocating gifts, the Foundation supports efforts that enhance the quality of programs by funding scholarships, new academic initiatives, technology, endowments, faculty/staff development, athletic programs, and capital projects. The East Georgia State College Foundation is a 501(c)3 non-profit organization dedicated to promoting the cause of higher education in the area through the development of the college. Since 1973, the EGSCF has helped make the future a bright one for hundreds of academically talented students. Attracting and retaining high quality students through a strong scholarship program has always been a top priority for the Foundation.

TAX PROVISIONS

Funds for the EGSCF are exempt from state and federal taxes, and contributions to the Foundation are deductible for corporate and personal income tax purposes. Current tax regulations should be consulted for specific details. Contributors are encouraged to discuss the methods of giving with their own counsel to determine the most appropriate tax advantages.

GIVING OPPORTUNITIES

In the current economic environment, it is imperative for us to raise private dollars so that we can continue to offer life-changing opportunities for our students. Our state, nation and the world need great leaders who can make a difference in their communities and beyond. EGSC provides a proven path of success for our future leaders, and with your generous donations, we will maintain the tradition of access for students at East Georgia State College. Please contact the Office of Institutional Advancement at 478-289-2037 to learn more about giving opportunities at the College.

EMPLOYEE APPRECIATION EVENTS HONOR

East Georgia State College knows that without the help of the faculty and staff, the College wouldn't excel. At the Employee Appreciation event, President Bob Boehmer acknowledged outstanding faculty and staff.

Employees achieving service milestones were presented awards for their dedication and service. In addition, STAR Staff awards were presented to top staff members in each department and Distinguished Faculty awards were presented to top faculty members in each of the three academic schools. These three events were hosted for full-time and part-time employees at EGSC.

EGSC's success as an access institution is strengthened by its dedicated faculty and staff, who are focused on helping every student achieve a college degree. Thank you for contributing to a culture of service excellence!
