

WELCOME NEW EGSC STUDENT WORKER!

We are very pleased to welcome Carley Stapleton to the Fulford Center! Carley recently joined the Fulford Center team as a work study student. Carley graduated from Johnson County High School and is currently a sophomore at East Georgia State College majoring in biology. Carley is a Correll Scholar, a member of Phi Theta Kappa, and was recently named to the Student Leadership Development Program at EGSC.

Welcome Carley!

FULFORD ADVISORY BOARD WELCOMES NEW MEMBER

At its September meeting, the Fulford Advisory Board welcomed Monica Pace as its newest member. Monica currently serves as counselor at Swainsboro High School. Working with young people has always been a deep passion of hers. Monica has much experience in the area of social services and has served as a Therapeutic Foster Care Provider and a Mental Health and Substance Abuse Counselor. In addition to her counseling responsibilities, Monica serves as head coach of the Swainsboro High basketball cheerleaders.

Monica brings a wealth of experience to the board and will be a tremendous asset. Welcome, Monica, and thank you for your service to the Board!

October 27---EGSC College Invitational Chess Tournament

Message From The Director

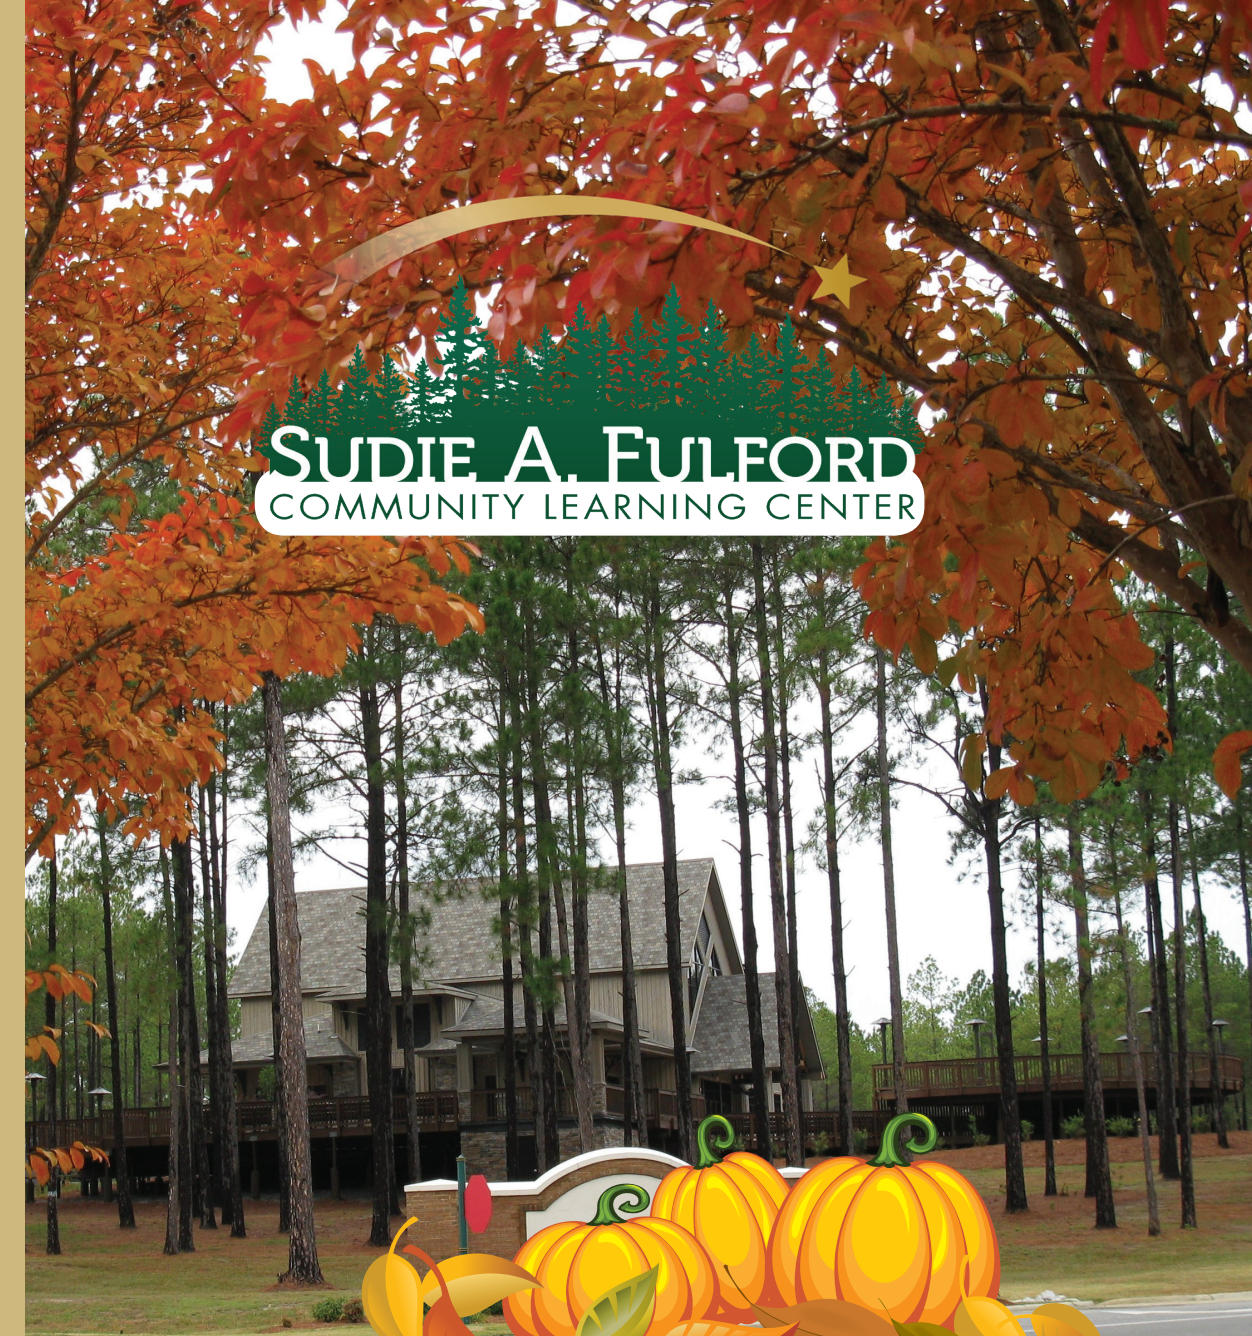

Fall has arrived, and we have a busy October! Our Fall SAT review sessions are scheduled this month, the Tuesday night Chess Club meetings continue, numerous planetarium visitations are scheduled, and we hope you'll mark your calendar for our 8th Annual Family Astronomy Night scheduled for November 1. We have a variety of exciting activities planned for this popular annual event.

All of these activities enable the Center to function as an interactive and vibrant hub of the community, and we remain dedicated to our goals of education, civic engagement, and hospitality.

I hope to see you soon at the Center!

JEAN D. SCHWABE,
DIRECTOR

FALL SAT REVIEWS TO BE HELD

There are many parts of a successful college application, the most important of which is high school grades. Many view the second most important part as the SAT score.

In an effort to familiarize students with the SAT test directions, the types of questions on the test, and the necessary skills for SAT success in the math, writing, and language sections, the Fulford Center will offer two review sessions for area students. SAT Reading/Writing/ Language Review will be held October 15-18 from 4:00 p.m. until 6:00 p.m. The SAT Math Review will take place October 22-25 from 4:00 p.m. until 6:00 p.m. The fee is \$10 for one week or \$15 for both weeks. Students will receive a test review notebook and sample test sections.

The review sessions aim to equip students to achieve the highest possible score on the test. The sessions are taught by highly qualified and experienced instructors. Interested students should register through their school counselor or contact the Center at 289-2464.

CORRELL SCHOLARS BEGIN 4th YEAR OF BOBCAT BUDDIES

Last spring, twenty-seven students were named as 2018-19 Correll Scholars at East Georgia. The service component of the Correll Scholarship requires that students mentor/tutor local elementary students. Last month, the Scholars began working with selected students from Swainsboro Elementary School through the Bobcat Buddies Program. We are delighted to begin our fourth year of this important outreach program.

The *Buddies* meet each Tuesday and Thursday after school at the Center, and the Emanuel County School District graciously provides transportation from Swainsboro Elementary to the Fulford Center for each session. It's gratifying to see such positive interaction between the college students and the younger students. No doubt, both groups will benefit tremendously as a result of the program, and we anticipate another rewarding year.

Mark Your Calender!

8th Annual Family Astronomy Night THURSDAY - NOVEMBER 1

Our 8th Annual Family Astronomy Night will be held Thursday, November 1, from 5:00 p.m. until 7:30 p.m. We anticipate an exciting evening! Astronomy Consultant, Tom Faller, will provide an assortment of telescopes for sky observation and a variety of hands-on science activities will be provided by EGSC science instructors, as well as Erin Youmans, Magnolia Midlands GYSTC Coordinator. Two planetarium shows will also be part of the event.

We hope you'll join us for this fun-filled annual event!
