ABOUT THE COLLEGE

History of East Georgia State College

As early as 1956, community leaders in Emanuel County and Swainsboro urged the state to establish a two-year college in the area. Committees were formed in 1956 and in 1965, and lobbying efforts at the state level were undertaken, but without immediate results. In December 1969, the Board of Regents of the University System of Georgia authorized a study to determine the need for additional two-year colleges in the state. A year later, six possible sites, including the Swainsboro–Emanuel County area, were approved with the stipulation that the county of each prospective site provide the land or property for a campus site, as well as the funds for constructing and furnishing the initial physical plant.

In September 1971, the citizens of Emanuel County voted for a bond issue of \$2.1 million to underwrite the cost of a new college. The Emanuel County Board of Education, representing the citizens of the county and working with the local college committee, also provided a wooded site of 207 acres (190 acres of which were donated by Luck Flanders Gambrell) within the city limits of Swainsboro. In December 1971, the Board of Regents gave final approval for the campus site and named the new college Emanuel County Junior College (ECJC).

ECJC opened in Fall Quarter 1973. In 1987 the University System of Georgia mandated that the term “junior” be deleted from the names of its two-year institutions, and in 1988 Emanuel County Junior College became East Georgia College. The \$2.1 million bond issue also was paid off in 1988.

In 2012, after being granted state college status, the College’s name was again changed to East Georgia State College (EGSC) to reflect a new mission of providing a limited number of baccalaureate degrees targeted to meet the needs of the College’s service area. In addition to a Bachelor of Science in Biology, beginning in Fall Semester 2012, the ECSC launched an online Bachelor of Art in Fire and Emergency Services Administration in Spring Semester 2016 and an online Bachelor of Science RN to BSN Bridge Nursing Completion Program in Fall Semester 2017. Both of these online degree programs were designed to meet the needs of working professionals who seek to advance their careers.

Because of the decline in enrollment caused by the COVID-19 pandemic, a study group was formed consisting of EGSC and USG academic staff during Spring Semester 2021 to review the viability of the College’s academic programs. Given the decline in EGSC’s enrollment, one certificate program, thirteen associate degree programs, and three baccalaureate degree programs were determined to be unsustainable. Beginning in Fall Semester 2021, meta-majors at the associate degree level were created for the social sciences and the natural sciences to provide efficient pathways for students completing an associate degree at EGSC to go on to complete a baccalaureate degree at another USG institution with seamless transferability of credit hours earned. In addition, EGSC was approved to begin offering its students two online eMajor degrees in cooperation with USG eCampus.

Through the years, East Georgia State College has proudly maintained its original strategic purpose as an access institution with strong community ties and continues, today, to adhere to its original mission by providing accessibility to a wide range of credit and non-credit academic programs in an atmosphere contributing to the intellectual and cultural growth of our students.

Many in East Georgia State College’s diverse student population are first generation and non-traditional college students who have been raised in economically depressed conditions within rural east-central Georgia. By tailoring our academic programs to meet the challenging developmental needs through learning support while also maintaining affordable tuition, East Georgia State College has been successful in increasing the educational levels of the communities it serves. In 2023, EGSC is celebrating its 50th anniversary and invites all who have been touched by the College to join the celebration!
