

TOTAL WELLNESS BEGINS AT THE FULFORD CENTER!

The first session of the 2021 Total Wellness Series was held March 16 at the Sudie A. Fulford Community Learning Center on the campus of East Georgia State College. The first session of the year was hosted by Queensborough National Bank and Trust Company. Morrell McCaskill, Statesboro Market President and Wealth Planner with Queensborough National Bank and Trust Company spoke about Life Insurance: Planting for the Next Generation. McCaskill covered a variety of topics ranging from last will and testaments, life insurance policies, estates, beneficiary information, and much more. McCaskill, along with Vicki Anderson, the Swainsboro branch manager, and Market President Mack Griffin answered questions from the group.

The Fulford Center, along with the community, would like to thank Queensborough National Bank and Trust Company and the presenters for the wonderful information that was passed along and the

lunch and prizes that were provided.

Each session of the Total Wellness series is FREE and is made possible through a partnership with Queensborough National Bank and Trust Company, East Georgia Healthcare Center, East Georgia State College, Emanuel Medical Center, UGA Extension, and CarePartners. There is no cost to participate, and enrollment is limited to 20 people. The sessions feature lunch, a presentation, handouts and door prizes all provided by the host of the session. Social distancing guidelines are followed, and face coverings are required.

Next Total Wellness Session:

The next session is scheduled for May 18 at noon. The session will be hosted by Emanuel Medical Center. Pre-registration is required and may be made with Harley Smith at the Fulford Center at (478) 289-2464 or by email hdsmith@ega.edu.

April 8 – Governor David Emanuel/Adam Brinson DAR Meeting
April 10 – Miss EGSC Pageant Interviews
April 12 – Middle Judicial CHINS Meeting

April 13 – Beta Sigma Phi
April 23 – Emanuel County School System Scholarship Interviews
April 26 – Delta Kappa Gamma Women Educators Meeting

HARLEY SMITH, COORDINATOR

Message from the Coordinator

I am so excited that Summer Camps can be held in person at the Fulford Center this year! We have been busy planning each camp and have scheduled four camps so far. We have created a plan for each camp that will follow CDC guidelines, keep campers safe, and still provide a fun experience for each child. When campers are dropped off, their temperature will be checked, and they will be escorted inside by a camp instructor or volunteer. Each classroom is socially distanced and room capacity numbers are being followed. Campers and instructors will wear face masks while in buildings at East Georgia State College. The camps will be held at the Fulford Center except Camp Invention. For Camp Invention, 50 scholarships are generously provided by the Nordson Corporation. Because of room capacity numbers, we are moving this camp to the main campus of East Georgia State College. Camp Invention will be held in the Jean Anderson Morgan Student Center. The multipurpose gym and the dining hall will allow the 50 campers to all attend at the same time and allow the space needed for social distancing. We are very excited about all our camps! Inside this newsletter you can read all about them!

JOIN US FOR SUMMER CAMPS

EMANUELartsCOUNCIL

Art Camp

JUNE 7 - 9 • 9 AM - 12 PM
RISING 3RD - 5TH GRADES

Instructor: Mark Lilquist
Enrollment Limit: 20 participants

20 SCHOLARSHIPS PROVIDED BY THE MILL CREEK FOUNDATION ARE AVAILABLE ON A FIRST-COME, FIRST-SERVED BASIS.

Contact the Fulford Center for details.

This camp is an annual event hosted by the Emanuel Arts Council. The camp will focus on drawing, painting, and creativity! Campers will learn about tempera paint, intensity by way of color saturation, focus on details, and much more! This camp is full of guided learning experiences designed to maximize each child's creativity.

Discovery STEM Camp

JUNE 15 - 18 • 8:30 AM - 12 PM
RISING 3RD - 5TH GRADES

Instructors: Erin Youmans & Kim Hooks
Enrollment Limit: 20 Participants

COST: \$125

Contact the Fulford Center for details.

During this four-day camp, students will take part in engineering design challenges and learn about related STEM careers. Real world connections will be made for each student, and they will also set their own STEM career goals!

Camp Invention®

JULY 12 - 16 • 9 AM - 3:30 PM
RISING 3RD - 6TH GRADES

This year this camp will be held at the Jean Anderson Morgan Student Center on the campus of East Georgia State College.

Instructors: Erin Youmans, Kim Hooks & Macy Fagler

REGISTRATION FOR THIS CAMP IS CONDUCTED THROUGH THE LOCAL SCHOOLS. Scholarships are provided through Nordson Corporation.

Contact the Fulford Center for details.

In partnership with the National Inventors Hall of Fame® (NIHF), East Georgia State College is pleased to offer the nationally acclaimed Camp Invention® program to children entering 3rd through 6th grade. This exciting, weeklong summer adventure provides opportunities for open-ended exploration of science, technology, engineering and more! Children rotate through a variety of hands-on activities each day while collaborating with friends to think creatively and invent their own solutions to real-world challenges.

Astronomy Camp

Hosted by the Fulford Center & Magnolia Midlands GYSTC

JUNE 28 - 30 • 8:30 AM - 12 PM
RISING 1ST - 2ND GRADES

Instructors: Erin Youmans, Kim Hooks & Harley Smith
Enrollment Limit: 20 Participants

COST: \$30

Contact the Fulford Center for details.

Join us for this unique experience as we explore the solar system and universe! We will engage in fun, hands on activities as we explore what lies beyond!
