

FINAL SESSION OF FULFORD YOUTH LEADERSHIP ACADEMY HELD

Fifty exceptional 10th, 11th, and 12th graders from David Emanuel Academy, Emanuel County Institute, and Swainsboro High School recently completed the final session of the 2016-17 Fulford Youth Leadership Academy. University of Georgia Extension staff members, Angie Daughtry and Marnie Dekle, led students through the Youth Leadership in Action© curriculum developed by the University of Georgia's J.W. Fanning Institute for Leadership Development. With objectives to build individual leadership skills, foster positive group dynamics, and increase civic and community involvement, the curriculum has a simultaneous concentration on both youth development and youth leadership, two critical principles to the successful transition from adolescence to adulthood.
