AGENDA

Review:

Purpose: Facilitate a unique and collegiate campus learning environment by developing opportunities for students/faculty/ staff/ community to create and permanently display original works of art on EGSC's campuses and at designated external locations for the purpose of enhancing our student's college experience, improving the workplace environment for faculty and staff, and enriching interactions with constituents who visit campus and/or The Morgan House.

Function: (1) Catalogue and preserve college-owned works of art; (2) Provide appealing artwork to display in interior and exterior spaces on EGSC's campuses; (3) Work collaboratively with the School of Humanities to promote art's importance as a touchstone to encourage and enrich learning; (4) Provide advisory support to the EGSC Foundation for The Morgan House art work to ensure that items are methodically displayed.

Overview of projects completed (May 2017 – October 2017)

- Monthly artwork displays for First Friday at the Morgan House have been overseen by committee members Desmal Purcell and Katelyn Moore
- Art items designated for surplus were removed from the Art Storage room and sold on E-Bay.
- Artwork was installed throughout the Academic Building Expansion areas using funding from the renovation project.
- Created window murals for upper classrooms at EGSC Statesboro

Pending Projects:

- Add additional artwork on each campus from inventory in art storage closet:
 - EGSC Augusta – Payne Hall and 3 classrooms;
 - EGSC Statesboro – identify locations
 - EGSC Swainsboro – identify locations
- Decide on a schedule to rotate artwork.

- Have shelving built in the art storage room (Norma submitted a work request back during the summer); pending funding.
- Update the webpage to include photos of all EGSC-owned art work (Katelyn will add photos to Flickr and Victor will add a link to them on the Art on Campus webpage).
- Create a formal request procedure to allow outside use of the Art Gallery (Norma is working with Elizabeth and Mary to adapt the facilities usage policy).
- Obtain signage for Art Gallery
 - A design and quote was obtained from Whitfield Signs; pending available funding.
- Next framing projects: Jason Kohler photographs; other student artwork in art storage room; pending funding.
- Reframe/rehang original Graduate photos in the new Student Center Expansion; pending funding.
