We had a wonderful time and created lots of memories! Plans are already underway for next summer's camps.

The Fulford Estate Planning Series will begin this month and will provide valuable and insightful information regarding estate and financial planning for all income levels at all stages of life.

The topic for the August 16 session is Medicaid Crisis Planning: What to do When Medicare Stops Payments to the Nursing Home.

We hope you will take advantage of these workshops. They are FREE, and lunch will be provided. Registration is required.

GET READY FOR A STARRY NIGHT EMANUEL COUNTY!

The Fulford Center is unleashing the wonders of the universe at its 2nd Annual Family Astronomy Night on Thursday, September 13, from 5:00 p.m. until 7:30 p.m.

The event will feature telescopic viewing, planetarium shows, and a variety of hands-on activities. Max McKelvey, instructor and astronomy buff from Savannah's Oatland Island Education Center, will provide a variety of outdoor stargazing activities, including a solarscope which is a special purpose telescope used to observe the sun. A host of indoor activities will also be available.

WHAT'S NEW AT THE FULFORD PLANETARIUM?

A new planetarium show, The Alien Who Stole Christmas, has been purchased, and it's sure to be a hit during the holiday season.

The show is designed for ages six to eleven and has two parts. Part one is a winter star walk, highlighting the constellations, planets, and other celestial sights visible on a long, dark winter's night. The second part is a planetarium fantasy to the tune of "Twas the Night Before Christmas" with a few changes.

While fictional, the "children" provide a fun way to remember what the environment is like on each planet.
