AARP DRIVER SAFETY COURSE

Cars have changed. So have traffic rules, driving conditions, and the roads you travel every day.

By taking a driver safety course you'll learn the current rules of the road, defensive driving techniques, and how to operate your vehicle more safely in today's increasingly challenging driving environment. You'll learn how you can manage and accommodate common age-related changes in vision, hearing and reaction time. In addition, you'll learn:

- How to minimize the effects of dangerous blind spots
- How to maintain the proper following distance behind another car
- The safest ways to change lanes and make turns at busy intersections
- Proper use of safety belts, air bags, anti-lock brakes, and new technologies used in cars
- Ways to monitor your own and others' driving skills and capabilities

AARP[®] DRIVER SAFETY

- The effects of medications on driving
- The importance of eliminating distractions, such as eating, smoking, and cell-phone use

After completing the course, you will have a greater appreciation of driving challenges and of how you can avoid potential collisions and injuries to yourself and others.

Also, you may be eligible to receive an insurance discount upon completing the course, so you may wish to consult your agent for details. You may also be eligible to receive a discount on roadside assistance plans.

Founded in 1979, AARP Driver Safety has helped millions of drivers stay safe on the roads. Although

FULFORD CENTER WELCOMES NEW STUDENT ASSISTANT

Danielle Donaldson, a freshman from Twin City, GA, joined the Fulford Center Staff on January 17. An Emanuel County Institute Honor Graduate, Danielle began her studies at East Georgia last fall with plans to eventually become an anesthesiologist.

Danielle was very active in high school serving as Beta Club President and FCCLA President. She was a member of the Citizens' Bank Student Advisory Board and the ECI Competition Cheerleaders. Danielle was also named Salutatorian of her graduating class.

Welcome Danielle!

DANIELLE DONALDSON

AARP CONT'D

the course is geared to drivers age 50 and older, the course is open to people of ALL ages. AARP Driver Safety instructor, Dr. Jim Soles, will teach the course.

AARP membership is not required to take the course, and there are no tests to pass. The classroom course costs only \$12 for AARP members and \$14 for non-members.

After attending the course, you'll receive a certificate of completion that can be presented to your insurance agent for a possible reduction in your auto insurance premiums. The certificate is valid for three years.

Registration is required. Please contact us at 289-2464 to register.

LEAVE A LEGACY

Please consider the Sudie A. Fulford Community Learning Center in your estate planning and when memorializing family and friends through the East Georgia College Foundation. The Foundation is a 501 (c)3 non-profit organization. All gifts are tax deductible to the extent approved by law.
