LEAVE A LEGACY

All of our programming supports the Fulford Center's goals of education, civic engagement, and hospitality. Last year, the Fulford Center welcomed over 9100 visitors. When you are honoring or memorializing family and friends, please consider making a donation to the Sudie A. Fulford Community Learning Center through the East Georgia State College Foundation. The Foundation is a 501(c)3 non-profit organization. All gifts are tax deductible to the extent approved by law. Contact Elizabeth Gilmer at 289-2037 for more information.

 EGSC Foundation Meeting

JEAN D. SCHWABE,
DIRECTOR

Message From The Director

We have a busy September at the Center! Weekly EGSC/Area Chess Club meetings will resume September 4, and our third installment of the 2018 Total Wellness Series is scheduled for September 11. This session will focus on high blood pressure. ServSafe training is set for September 18 & 19, and a host of workshops and trainings are scheduled throughout the month.

Thank you for your support of the Fulford Center. We hope to see you soon!

TOTAL WELLNESS SERIES REMINDER

The third session in our Total Wellness Series will be held Tuesday, September 11, at noon. The program is *Detect. Protect. Correct. Managing High Blood Pressure*. There is no cost to participate, and enrollment is limited to 20. The session will feature lunch, presentation, handouts and door prizes. Pre-registration is required and may be made by calling the Center at 289-2464.

SERVSAFE MANAGER CERTIFICATION TRAINING SET FOR SEPTEMBER 18 & 19

This nationally-recognized course is certified through National Restaurant Association Educational Foundation and includes:

- The course book, *ServSafe® Manager, Sixth Edition*. (This is the only acceptable book for this course.)
- Twelve hours of instruction by an experienced ServSafe® Certified instructor from The University of Georgia Cooperative Extension.
- Upon passing the exam, participants will receive a ServSafe® Food Protection Manager's Certificate from the National Restaurant Association.

Passing this course will also meet the Georgia Department of Public Health and Georgia Department of Agriculture certification recommendations for store, deli, and kitchen managers.

EGSC/AREA CHESS CLUB RESUMES TUESDAY NIGHT SESSIONS

Each Tuesday from 5:15 p.m. until 7:00 p.m., the Center hosts the EGSC/Area Scholastic Chess Club. Chess enthusiasts who are proficient and avid chess players are encouraged to attend.

There is no cost to participate, and tournament chess sets are used at each session. Several local chess aficionados provide valuable assistance with the sessions including

Jay Youngblood, sponsor of our annual Youngblood Chess Invitational Tournament, Dr. John Simmons, retired East Georgia State College math professor, and Mike Lisenby, an East Georgia State College adjunct professor.

Consider joining us each Tuesday night!

NEW PLANETARIUM SHOWS PURCHASED

Two shows have recently been added to the Fulford Planetarium collection. *Zula Patrol: Under the Weather* was provided by East Georgia State College, and *Perfect Little Planet* was made possible through a generous grant from Mill Creek Foundation. Call the Center to schedule a visit.

Zula Patrol: Under the Weather Grades 1-4

Length: 24 minutes

From the far reaches of outer space, from the bright orange planet Zula, comes the Zula Patrol!

Based on the #1-rated NBC Saturday Morning TV series "The Zula Patrol," the stalwart heroes of the Zula Patrol are on an expedition collecting samples of weather for scientist Multo's research – using their loyal pet Gorga's ability to collect and bottle all kinds of weather. When the Zula gang inadvertently hurts Gorga's feelings, he decides to leave Zula and find another planet to live on. Interplanetary villain, Dark Truder, then tricks Gorga into stealing the weather from other planets – part of his latest nefarious scheme to rule the universe. The ZPers find out and go after him – in the process learning all about weather, both terrestrial and interplanetary.

Perfect Little Planet Grades 1-5

Length: 35 minutes

Greetings Earthlings! We're on vacation! Imagine you could take the ultimate space vacation — where would you go to find that ideal place?

A family from another star system is doing just that — looking for the perfect vacation spot as they travel through our solar system. Join them and see the solar system from a distinctly different point of view. Soar over the surface of Pluto, our best known Dwarf Planet. Dive down the ice cliffs of Uranus' moon Miranda at breath-taking speeds. Sail through the beautiful rings of Saturn and dare the ferocious lightning storms on Jupiter. Which destination would you choose? Explore some of the best known sights of our solar system. You'll feel as though you're actually there – and best of all, no 3D glasses are required!

A solar system journey for space travelers of all ages.
(Made possible through Mill Creek Foundation grant)
