Dear Friends,

This is a tremendously exciting time to be at East Georgia State College, and the reason is simple: Lives are being transformed – in the classrooms, on the court or ball fields, through student leadership and service opportunities, and with every degree conferred. Helping students realize and attain their full potential through this engagement is what drives our existence.

We’re a small college supporting big dreams. We believe all students, especially under-served populations including minorities, individuals with special needs, and rural populations, deserve the same opportunity to a quality education… to achieve their goals. Through a shared belief in our important role as an access mission and a desire to make a difference in the lives of our students, EGSC’s dedicated faculty, staff and Foundation Trustees work diligently and tirelessly so that all students benefit from a fulfilling college experience. The work is not easy, but the payback is huge. In every aspect of what we do, and by every meaningful barometer of progress, a bright future is ahead for East Georgia.

Despite a very challenging environment in higher education, EGSC is thriving. All of our campuses are growing, student success and retention rates are continually improving, and more students are completing their degrees. The institution is also experiencing strong financial stability while remaining affordable, a primary factor for students in rural Georgia.

Growth is evident everywhere: New academic programs, upgrades and expansions at all three campus locations, growth in our residence halls, a soon-to-be-open expansion to our Jean A. Morgan Student Activities Center, and growth in Foundation assets, which means more student scholarships.

As East Georgia’s reach continues to expand, we are grateful to those whose ongoing support and advocacy make our endeavors possible. Without your involvement, we could not effectively carry out the college’s mission. You have my deepest appreciation – and admiration – for your financial investment in our students and the college. You are truly making a difference.

Moving the college even further forward will, of course, require continued support from many friends of the college like you. As you finish reading, please consider a renewal of your contribution to the EGSC Foundation. I promise you that it will make a difference – a big difference in the life of a promising young person.

Sincerely,

Robert G. Boehmer, J.D.
President, East Georgia State College
WHO ARE WE?

MISSION

East Georgia State College is an associate degree-granting, liberal arts institution of the University System of Georgia providing its students access to both academically-transferable pathways and collaborative programs in occupation-related fields. The College also offers targeted baccalaureate-level degrees that support the University System’s initiative to expand educational opportunities. The College prepares traditional and nontraditional students for success in the global 21st century through a technologically-advanced teaching and learning environment that fosters personal growth by utilizing an expanding range of resources and amenities, including an on-campus student residential option. The College also continuously engages the communities it serves through public service and cultural enrichment.

VISION

Through bold and transformative action, East Georgia State College aspires to significantly increase the educational achievement of its students and to be an indispensable pathway to a more fulfilling and prosperous future.

ACCREDITATION

East Georgia State College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates, associate and baccalaureate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of East Georgia State College.

AFRICAN-AMERICAN MALE INITIATIVE

The goal of EGSC’s participation in the USG’s AAMI is to improve persistence and completion rates among African-American males through four key program elements: 1.) academic skills enrichment, 2.) student support services, 3.) adult/peer mentoring and engagement with successful role models, and 4.) leadership development, which are provided over a one-year period or longer. About 100 college students will be enrolled in the AAMI study during the fall 2017, fall 2018 and fall 2019 semesters, with follow-up continuing until 2020.

CHOICE PROGRAM
CREATING HIGHER EDUCATION OPPORTUNITIES TO INCREASE COLLEGE EXPERIENCES

CHOICE is a two year non-degree college inclusion program at East Georgia State College designed to provide students, who may traditionally be excluded from post-secondary education, the opportunity to participate in college classes and develop work-readiness employment skills. Students with Intellectual and Developmental Disabilities may qualify for this program. Upon completion of this program, students earn a Certificate of Accomplishment in Work Readiness Skills.
CORRELL SCHOLARS PROGRAM

The Correll Scholars Program was established in 2014 and began Fall semester 2015 to recognize and prepare exceptionally promising students as future community leaders in our region. Awards are $5,000 per student, renewable annually, for a maximum of four years. Twenty scholarships are awarded each year to students attending EGSC’s Swainsboro campus.

MISSION

The mission of the East Georgia State College Foundation (EGSCF) is to help transform and enhance the lives of our diverse student population by providing educational opportunities, financial support, and advocacy. By generating, processing, and allocating gifts, the Foundation supports efforts that enhance the quality of programs by funding scholarships, new academic initiatives, technology, endowments, faculty/staff development, athletic programs, and capital projects. The East Georgia State College Foundation is a 501(c)3 non-profit organization dedicated to promoting the cause of higher education in the area through the development of the college. Since 1973, the EGSCF has helped make the future a bright one for hundreds of academically talented students. Attracting and retaining high quality students through a strong scholarship program has always been a top priority for the Foundation.

TAX PROVISIONS

Funds for the EGSCF are exempt from state and federal taxes, and contributions to the Foundation are deductible for corporate and personal income tax purposes. Current tax regulations should be consulted for specific details. Contributors are encouraged to discuss the methods of giving with their own counsel to determine the most appropriate tax advantages.

GIVING OPPORTUNITIES

In the current economic environment, it is imperative for us to raise private dollars so that we can continue to offer life-changing opportunities for our students. Our state, nation and the world need great leaders who can make a difference in their communities and beyond. EGSC provides a proven path of success for our future leaders, and with your generous donations, we will maintain the tradition of access for students at East Georgia State College. Please contact the Office of Institutional Advancement at 478-289-2037 to learn more about giving opportunities at the College.

East Georgia State College knows that without the help of the faculty and staff, the College wouldn’t excel. At the Employee Appreciation event, President Bob Boehmer acknowledged outstanding faculty and staff. Employees achieving service milestones were presented awards for their dedication and service. In addition, STAR Staff awards were presented to top staff members in each department and Distinguished Faculty awards were presented to top faculty members in each of the three academic schools. These three events were hosted for full-time and part-time employees at EGSC.

EGSC’s success as an access institution is strengthened by its dedicated faculty and staff, who are focused on helping every student achieve a college degree. Thank you for contributing to a culture of service excellence!
