Real Estate/Investment
Milton Gray gave a report from the committee meeting on 4/20/16. The committee voted to move $150,000 from the SunTrust short term fund balance to the diversified fund over the next three quarters based on the following schedule: 1/3 now for 6/30/16, 1/3 at QE 9/30/16 and 1/3 at QE 12/30/16.

The committee also recommended to the full board that the trustees adopt an administrative fee on gifts structured in the following way:

1) There will be a 1% management fee on endowments (permanently restricted funds) assessed annually on the FMV of the endowment at the fiscal year end. The principal of the endowment will never be in jeopardy due to a fee. If the income from the endowment is not sufficient, the fee will not be charged.

2) There will be a one-time 2% administrative fee assessed on all non-endowed restricted gifts in the amount of $2,500 or more. Any restricted gifts made below $2,500 will not be assessed a fee. The fee will be assessed at the time of the gift and will be included in the gift agreement. The donor can choose to pay the fee separately or take it from the total gift.

3) Collected fees will be added to the unrestricted funds balance.

4) This will only be effective for gifts going forward beginning 7/1/16.

A motion was made by Milton Gray to accept the proposal with a second by Ken Warnock. The motion passed unanimously.

The committee reported that Donaldson surveys is conducting the survey on the Gambrell property gift to the foundation.
