Message From The Director

As this year comes to a close, I want to thank you for your support of Fulford Center events throughout 2018. We’ve had a wonderful year, and we look forward to next year with excitement and anticipation! Thank you for your continuous support of the Fulford Center. I look forward to seeing you in 2019! With deep gratitude, I wish you a happy, healthy and safe holiday season with family and friends.
CONSIDER SCHEDULING A HOLIDAY PLANETARIUM SHOW
‘TIS THE SEASON TO BE JOLLY! WHY NOT CONTACT THE CENTER TO SCHEDULE
ONE OF OUR HOLIDAY PLANETARIUM SHOWS FOR YOUR GROUP?
THEY’RE SURE TO GET YOU IN THE HOLIDAY SPIRIT!

LET IT SNOW!
FAMILY AUDIENCE
LENGTH: 30 MINUTES

Celebrate the season with this holiday music experience! “Let it Snow” features a variety of festive classics from Frank Sinatra and Chuck Berry to Burl Ives and Brenda Lee, and includes a stunning multi-media finale by the Trans Siberian Orchestra. The soundtrack is visually enhanced with thematic animation, special effects and all-dome scenery. The 30-minute program is a fun and entertaining experience for audiences of all ages, especially families.

THE ALIEN WHO STOLE CHRISTMAS
FAMILY AUDIENCE
LENGTH: 35 MINUTES

Santa is in a flying saucer instead of a sleigh! Will Christmas ever be the same? This show is in two parts: Part 1 is a winter star walk, highlighting the constellations, planets and other celestial sights visible on a long, dark winter’s night. The second part is a planetarium fantasy to the tune of “Twas the Night Before Christmas”, with a few changes. Santa finds himself aboard a flying saucer with his alien friend, Mr. Freep. The two visit all of the planets of the solar system to see what children on those planets might like for Christmas. While fictional, the ‘children’ provide a fun way to remember what the environment is like on each planet.

8TH ANNUAL
FAMILY ASTRONOMY
SET FOR NOVEMBER 1

Please join us for our 8th Annual Family Astronomy Night. Tom Faller, Astronomy Consultant, will provide telescopes, solar scopes, and binoculars for outdoor stargazing. A variety of hands-on STEM activities will be provided. Planetarium shows are scheduled at 5:15 p.m. and 6:15 p.m., and a computer station will be set up with livestreaming of the International Space Station and NASA Space Place activities. The event will take place from 5:00 p.m. until 7:30 p.m. and is FREE to the public.

FINAL TOTAL WELLNESS SESSION TO BE HELD NOVEMBER 27

The final session of this year’s Total Wellness Series will be held Tuesday, November 27, at noon. Come in Stressed—Leave Revitalized is the session topic. The holiday season can often bring undesirable guests—stress and depression. Participants will receive information to help them develop practical coping strategies that will help in minimizing the stress that can accompany the holidays.

The series is FREE and is made possible through a partnership with UGA Extension, Emanuel Medical Center, East Georgia State College, East Georgia Healthcare Center and Queensborough National Bank and Trust. Lunch, a presentation, and door prizes will be provided. Enrollment is limited to 20, and registration is required. If you have questions or would like to register, please give us a call at 289-2464. We hope to see you November 27!

FIRST COLLEGIATE CHESS TOURNAMENT A GREAT SUCCESS!

East Georgia State College held its first collegiate chess tournament October 27 with students from three area colleges. The competition was fierce, and the top players included:

1st place- Braden Stewart (Brewton Parker College)
2nd place- Devin Burrell (East Georgia State College)
3rd place- Dillon Price (Georgia Southern University)

Sections winners were Anna Beall, Jacob Mixon, Griffin Beall, Grace Mixon, and David Olson.

Back Row L to R: Jacob Mixon, Devin Burrell, Griffin Beall, Braden Stewart, David Olson
