Message From The Director
We have a busy September at the Center! Weekly EGSC/Area Chess Club meetings will resume September 4, and our third installment of the 2018 Total Wellness Series is scheduled for September 11. This session will focus on high blood pressure. ServSafe training is set for September 18 & 19, and a host of workshops and trainings are scheduled throughout the month.

Thank you for your support of the Fulford Center. We hope to see you soon!
This nationally-recognized course is certified through National Restaurant Association Educational Foundation and includes:
• The course book, ServSafe® Manager, Sixth Edition. (This is the only acceptable book for this course.)
• Twelve hours of instruction by an experienced ServSafe® Certified instructor from The University of Georgia Cooperative Extension.
• Upon passing the exam, participants will receive a ServSafe® Food Protection Manager’s Certificate from the National Restaurant Association.
Passing this course will also meet the Georgia Department of Public Health and Georgia Department of Agriculture certification recommendations for store, deli, and kitchen managers.

Each Tuesday from 5:15 p.m. until 7:00 p.m., the Center hosts the EGSC/Area Scholastic Chess Club. Chess enthusiasts who are proficient and avid chess players are encouraged to attend.

There is no cost to participate, and tournament chess sets are used at each session. Several local chess aficionados provide valuable assistance with the sessions including Jay Youngblood, sponsor of our annual Youngblood Chess Invitational Tournament, Dr. John Simmons, retired East Georgia State College math professor, and Mike Lisenby, an East Georgia State College adjunct professor.

Consider joining us each Tuesday night!
