NEW GUIDELINES IN PLACE AT FULFORD CENTER

The health and safety of all members of our EGSC family and the community are extremely important. All of us are working hard to insure a healthy and safe environment. Guiding principles established by the University System of Georgia, the Georgia Department of Public Health, and the Governor’s Office will be followed.

An appropriate face covering is required of all faculty, staff, students, and visitors to the Fulford Center while inside where six feet social distancing may not always be possible. Face covering use will be in addition to and is not a substitute for social distancing.

Signage will be in place to indicate entrance and exit points and sanitizer dispensers will be in several locations at the Center. Regular cleaning and sanitation will be completed each day. We appreciate your cooperation as we work to keep everyone safe and look forward to seeing you soon!

LEAVE A LEGACY

Please consider the Sudie A. Fulford Community Learning Center when you are honoring or memorializing family and friends through the East Georgia State College Foundation. The Foundation is a 501(c)3 non-profit organization. All gifts are tax deductible to the extent approved by law. Contact Elizabeth Gilmer at 289-2037 for more information.

Fulford Center Advisory Board

At East Georgia State College

Our Mission
By providing an environment where learning opportunities take place and community relationships are enriched, the Sudie A. Fulford Community Learning Center will develop individual capacity and improve the quality of life for Swainsboro and Emanuel County.

Our Goals
Education
Civic Engagement
Hospitality

Message From The Director
I hope that you are staying safe during this most unusual and trying time for all of us. We are very excited to welcome groups back to the Center this month. One in particular to note is the third part of our Total Wellness Series, Community Resources for Seniors, which is set for September 22 at noon. Registration is required, so give us a call if you’d like to attend.

Also, please remember the new guidelines for visitors to the Fulford Center. They are provided within the newsletter. One specific necessity as you visit the Center is the requirement to wear an appropriate face covering. We greatly appreciate your cooperation and look forward to seeing you soon!
The third session in our 2020 Total Wellness Series will be held Tuesday, September 22, at noon. The program is Community Resources for Seniors. There is no cost to participate, and enrollment is limited to 20. The session will feature lunch, presentation, handouts and door prizes. Pre-registration is required and may be made by calling the Center at (478)289-2464. The series is a collaborative effort of CarePartners, East Georgia Healthcare Center, East Georgia State College, Emanuel Medical Center, Queensborough National Bank and Trust, and UGA Extension.

TOTAL WELLNESS SERIES REMINDER

We are thrilled with the addition of Kim Hooks to our Magnolia Midlands Georgia Youth Science & Technology Center. Kim is a recent retiree from the Emanuel County School System with over 30 years of teaching experience. She served most recently as the Science Specialist at Swainsboro Primary School. Kim has a strong passion for science education and will serve as part-time STEM Teacher for Magnolia Midlands. She is married to Evans Hooks, and they have two grown children, Addison and Susannah. Welcome Kim!

WELCOME, KIM HOOKS!

TWO NEW PLANETARIUM SHOWS PURCHASED

We are excited to announce that two new shows have been added to the Fulford Planetarium collection. Sunshine! is ideal for our very young visitors and provides a wonderful introduction to our sun. Legends of the Night Sky: Perseus & Andromeda is for general audiences and is an entertaining story of the two famous constellations of the fall season. Contact us to set up a visit!

SUNSHINE!

Grades: Pre-K - K Length: 20 minutes

Sunshine is a lovable cartoon sun, and he doesn’t care if children get loud or excited. In fact, he wants them to look around, raise their hands, sing and play along with his tricks. During the fun and games, the stars of the night sky are revealed, and Sunshine explores some simple colors and counting. A wonderful introduction to the sky for our very young visitors!

Legends of the Night Sky: Perseus & Andromeda

Grades: 2nd – 5th Length: 20 minutes

Enjoy the telling of an ancient Greek myth in full-dome animation. Brought to life by animated narrators Aesop, the owl, and Socrates, the mouse, this exciting story brings together the warrior Perseus and Princess Andromeda and shows how these two characters are weaved into the night sky as famous constellations of the fall season, forever turning overhead throughout the seasons.

Interested in hosting a meeting or event at The Sudie A. Fulford Community Learning Center at East Georgia State College in Swainsboro? Call 478-289-2464 for details and information on requirements and restrictions during COVID-19.
