

Happenings in Housing

Your weekly resource for important housing information!

Each week the Housing Office will send out important updates and reminders for your week ahead. Stay tuned for this email every Monday for more information that will help you be a more prepared and successful student.

World Suicide Prevention Day

On average, 123 people commit suicide in a day.* Today we are working together to prevent suicide. If you are going through a crisis, please call 1-800-273-8255.

Today is World Suicide Prevention Day

Do you know someone who is struggling? There are tons of resources to help folks in need. You can come to the housing office, take advantage of the counseling department, or just confide in a friend. Want anonymous support, call the **National Suicide Prevention Lifeline at 1-800-273-8255**.

Anonymous Reporting Form for Student Issues

It has been brought to my attention that we may have some unapproved visitors in violation of our visitation policy, as well as some other behavioral issues in housing such as smoking inside resident rooms. It's important we start addressing these issues now before things really get out of hand. You can make anonymous reports about anything you are concerned about here. You can also use this form to anonymously report any issue you think warrants our attention. There is no need for you, or anyone else, to suffer in silence. Take a moment and complete this report form.

The graphic is a black-bordered box containing text. On the left, it says 'If you SEE SOMETHING SAY SOMETHING' with 'SEE' and 'SAY' in large red letters and 'SOMETHING' in black. On the right, it says 'Don't suffer in silence!' in red, followed by contact numbers for Campus Police (478-455-0125) and Housing After Hours (478-455-1492) in red. Below that, it lists reportable items in black and ends with a red statement: 'We're here to support you and to provide a safe and comfortable living environment.' and 'Confidential reporting is okay.' in white.

If you
SEE
SOMETHING
SAY
SOMETHING

Don't suffer in silence!

Campus Police: 478-455-0125
Housing After Hours: 478-455-1492

Items you can report include, but are not limited to:

- Noise complaints
- Visitation violations
- Housing policy violations (tobacco, drug use, etc.)
- Inappropriate behavior (domestic violence, fights, etc.)
- Any other concerning behaviors

We're here to support you and to provide a safe and comfortable living environment.

Confidential reporting is okay.

House Calls TV Winner

Thanks to all who were home and greeted our faculty and staff members during our House Calls event on Wednesday, September 5th from 4-5pm. Anyone found out home was entered into a drawing for gently used flat screen TV! **I am happy to announce that the winner is Sibongile Mahlangu.** Sibongile should come to the housing office in the clubhouse to claim her prize, or let us know and we can deliver it to your room for you.

Health and Safety Inspections

Health and Safety Inspection time will be here before you know it. It's never too early to prepare. For a list of all the things we check during health and safety inspections, view the attachment. Health and Safety Inspections will be announced at least 48 hours in advance of your scheduled inspection time. You will receive an email and a flier will be posted on your apartment door. **The window for inspections is Monday, October 1 - Friday, October 5, 2018.**

That's all for this week. Stay tuned for more in our next edition.

Respectfully,

Angela Storck - Director of Housing and Residence Life
