EGSC students with a valid Cat Card can board the bus during the time periods listed to go to the shopping center, Walmart, or downtown to the square. The times and drop off locations are very firm so make sure you make plans to board and return within the listed time frames. The bus will not stop anywhere but the listed drop points. Students can be picked up and dropped off in the Bobcat Villas parking lot. **Begins this weekend!**

Health and Safety Inspections (Next Week)

Health and Safety Inspection time will be here before you know it. It's never too early to prepare. For a list of all the things we check during health and safety inspections, view the attachment. Health and Safety Inspections will be announced at least 48 hours in advance of your scheduled inspection time. You will receive an email and a flier will be posted on your apartment door. **The window for inspections is Monday, October 1 - Friday, October 5, 2018. Be sure to check the [Housing Student Handbook](#) prohibited items list and to clean your room thoroughly so you are not failed for easily correctable items.**

Anonymous Reporting Form for Student Issues

It has been brought to my attention that we may have some unapproved visitors in violation of our visitation policy, as well as some other behavioral issues in housing such as smoking inside resident rooms. It's important we start addressing these issues now before things really get out of hand. You can make anonymous reports about anything you are concerned about here. You can also use this form to anonymously report any issue you think warrants our attention. There is no need for you, or anyone else, to suffer in silence. Take a moment and complete this report form.

That's all for this week. Stay tuned for more in our next edition.

Respectfully,

Angela Storck - Director of Housing and Residence Life
