GO BACK. MOVE AHEAD.
A path for non-traditional students to obtain a college degree.

IF YOU:
• Know what an education can mean for you and your family
• Realize the value of up-to-date advanced knowledge, critical thinking skills, and credentials in the workplace
• Want to “grow from what you know” by expanding your knowledge base and honing your skills
• Just need to take the first step in changing your life …

then you could be ready to Move Ahead!
