

MAKE A BETTER LIFE

If you are able to think critically, solve complex problems, and relate well with others, the East Georgia College Business Administration and Economics program may be the perfect choice for you.

WHAT CAN YOU DO WITH A BUSINESS ADMINISTRATION & ECONOMICS MAJOR?

Enjoy an exciting career in dozens of business-related areas, including:

- ▼ Accounting
- ▼ Finance
- ▼ Banking
- ▼ Management
- ▼ Marketing
- ▼ Teaching
- ▼ Manufacturing
- ▼ Law
- ▼ Public Service

Life is short! Make a living doing something you love. At East Georgia College, you can prepare for a better life that combines meaningful work and a better income. East Georgia College is a two-year college of the University System of Georgia, granting associate's degrees that prepare students for transfer and completion of their bachelor's degrees, or for work upon graduation. East Georgia College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; Telephone number: 404-679-4501) to award the Associate in Arts and the Associate in Applied Science degrees. So, your coursework may be transferred to any four-year institution in the world. You can complete your degree and follow your dreams at the same time.

With a two-year degree in business administration and economics, you are ready for entry-level work in areas such as bookkeeping, management training programs, or as a sales associate. Transferring to complete your bachelor's degree will allow you to boost your earning potential in your chosen career.

A better education gives you more choices, and choices put you in control of your future.

Associate In Arts: BUSINESS ADMINISTRATION & ECONOMICS

WHY EAST GEORGIA?

East Georgia College is dedicated to serving students who are just like you — people who want and deserve a great start toward a future with promise. Whether you are a new high school graduate, a transfer student, or a returning learner ready for a new career, you will find a safe, convenient campus, ample parking, and classes that are accessible in the day or evening. East Georgia College is an affordable way to begin your studies, with reasonable tuition and fee prices and generous financial aid available. Best of all, classes are small, so you will get to know the faculty — whose professional credentials and commitment to students are equally impressive — and they will know you. East Georgia College is education with a personal touch.

East Georgia College is an affirmative action, equal opportunity educational institution. Admissions, treatment, and employment at the college are not influenced by race, sex, color, religion, national origin, age, veteran status, or handicap.

THE EGC BUSINESS ADMINISTRATION & ECONOMICS PROGRAM

East Georgia is a great place to begin your studies in business administration and economics. Here, you'll find:

- ▼ **Great faculty**, such as Mr. David Gribbin and Dr. David Bartram, who each have experience in the "real world" of business administration.
- ▼ **Spacious facilities**, including "smart" computer classrooms.
- ▼ **Challenging opportunities** to learn more and to build your skills through the College's Students in Free Enterprise (SIFE) business club, which actively seeks opportunities to learn more and to be involved in business projects.

Staying in the area to complete your associate's degree keeps you connected with the business resources located in the Swainsboro region.

THE CURRICULUM

The core curriculum of the University System of Georgia is consistent among all colleges and universities in the system. The first two years of study are outlined as general education, known as Areas A-F. Areas A-E of the general education curriculum are comprised of required courses totaling 42 credit hours in a wide range of disciplines, including humanities/fine arts, science, mathematics, technology, and social science. To view the complete list of general education required courses, please visit our web site at: www.ega.edu/registrar/catalog or see EGC Core Curriculum box at right.

In addition, your first two years of study will include courses totaling 18 credit hours in your selected program of study (Area F).

GET STARTED NOW!

For those who desire to better their lives through further education, there is generous financial aid available to help you fulfill your dreams. Contact us for more information about campus visits, the application and financial aid processes, and registration.

WHERE WILL YOU GO FROM HERE?

Most students who study business administration and economics transfer to complete their four-year degrees and then master's or professional degrees, and work in corporations, small businesses, banks, accounting firms, actuarial science, and a host of other business-related settings. If you have considered combining business studies with a career in teaching, you may want to look more closely at East Georgia's Business Education program. East Georgia's associate's degree program will build your business and communication skills, which play a fundamental role in any career field. Your possibilities for future careers are limitless.

EGC Business Administration and Economics students have transferred to complete their degrees at:

- ▼ Armstrong Atlantic State University
- ▼ Georgia College and State University
- ▼ Georgia Southern University
- ▼ Mercer University
- ▼ University of Georgia
- ▼ Valdosta State University

"Our program provides the basics of what students need to know to be successful in business. Just as important, students learn how to communicate well, which is invaluable experience for success in the business world."

DR. DAVID BARTRAM
CHAIR, SOCIAL SCIENCES DIVISION
