

ASSOCIATE IN ARTS: RECREATION

WHY EAST GEORGIA?

East Georgia College is dedicated to serving students who are just like you – people who want and deserve a great start toward a future with promise. Whether you are a new high school graduate, a transfer student, or a returning learner ready for a new career, you will find a safe, convenient campus, ample parking, and classes that are accessible in the day or evening. East Georgia College is an affordable way to begin your studies, with reasonable tuition and fee prices and generous financial aid available. Best of all, classes are small, so you will get to know the faculty – whose professional credentials and commitment to students are equally impressive – and they will know you. East Georgia College is education with a personal touch.

WHERE WILL YOU GO FROM HERE?

With recreation as your major, you have a world of options open to you. Most students who study recreation transfer to complete their four-year degrees and then master's or professional degrees, and work as teachers or coaches, instructors and facility managers in fitness clubs and YMCAs, trainers, and in a wide variety of career fields.

EGC recreation students have transferred to complete their degrees at: Augusta State University, Armstrong Atlantic State University, Georgia College and State University, Georgia Southern University, and University of Georgia.

GET STARTED NOW!

For those who desire to better their lives through further education, there is generous financial aid available to help you fulfill your dreams. Contact us for more information about campus visits, the application and financial aid processes and registration.

THE CURRICULUM

The core curriculum of the University System of Georgia is consistent among all colleges and universities in the system. The first two years of study are outlined as general education, known as Areas A- F. Areas A-E of the general education curriculum are comprised of required courses totaling 42 credit hours in a wide range of disciplines, including humanities/ fine arts, science, mathematics, technology, and social science. To view the complete list of general education required courses, please visit our website at www.ega.edu/registrar/catalog or see below.

In addition, your first two years of study will include courses totaling 18 credit hours in your selected program of study (Area F).

RECREATION

Advising Division: Social Science Total

Required*: 18 hours

***NOTE:** Requirements for programs of study in recreation vary widely from school to school. Decisions on which courses are needed to complete Area F in recreation must be made in consultation with your advisor and be dependent on the requirements of the college to which you plan to transfer.
