<p>**This plan may include core courses that are required for the BSN degree. Core courses are not included with the cost of the nursing 4-semester plan. Please contact the Business Office or Financial Aid for more information on tuition and fees. You may find more information here: http://www.ega.edu/admissions/tuition_and_fees. Please contact the Director of Nursing to discuss this specific plan of study based on your previous coursework. 478-289-2188.</p>		

I understand that this proposed course of study will allow me to graduate with my BSN degree within the stated semesters if I stay on track with this plan. I understand that all these courses must be taken in order to meet graduation requirements for the RN-BSN Bridge Program at EGSC. If I become unable to complete this plan of study, I agree to discuss it with the Director before withdrawing from any classes.

The East Georgia State College (EGSC) RN-BSN Bridge Program entails a total of 120 credit hours (including 60 core credit requirements hours, 30 credit hours for transferred nursing courses, and 30 credit hours for nursing courses taken at EGSC). As reflected in the Georgia RN-BSN Articulation Model, the 30 hours of transferred nursing credit will be held in escrow until students successfully complete 6.67 hours in the RN-BSN Bridge program. Successful completion of these 120 credit hours will make the RN-BSN Bridge Program student eligible for graduation with a Bachelor of Science in Nursing (BSN) degree from EGSC.

Applicants must meet the following minimum requirements for admission to the RN-BSN Bridge Program:

1. Regular unrestricted admission into East Georgia State College with evaluation of transcripts.
2. Graduation from an associate degree or diploma registered nurse program.
3. Proof of an unrestricted registered professional nursing license that allows the student to practice as a registered nurse in the State of Georgia.
4. Submission of EGSC admissions application by the deadline.
5. Submission of EGSC Nursing Department application by the deadline.
6. Applicant must provide evidence of [lawful presence](#) in the United States to qualify for in-state tuition classification.
**Students who are International or are considered undocumented must submit a Lawful Presence [Opt-Out form](#) verifying that they understand they will be charged out of state tuition.*
7. Minimum 2.50 GPA (cumulative and nursing).
8. Minimum grade of 'C' or higher in all pre-requisite courses.
9. Completion of all required core courses. ****NOTE:** Students may petition the nursing program director for special consideration if all core courses are not completed.
10. Courses taken at other accredited institutions may be used to satisfy pre-requisite course requirements.
11. Pre-check® criminal background checks are required of all students accepted into the nursing program.
12. Substance (drug) screens including random screens are required of all students accepted into the nursing program.
****NOTE:** All screens must be completed at designated service provider only.
13. Students are admitted into the RN-BSN Bridge Program based on competitive selection and space availability.

Students will be encouraged to attend a face-to-face orientation to the program the semester they begin NURS 3103/3104.
