**Dual Enrollment Student Participation Agreement FY 2018**

The Dual Enrollment (DE) program provides opportunities for eligible students in grades 9-12 to enroll part- or full-time in postsecondary institutions and take college courses to earn both high school and college credit.

**Note: Copies of this completed form should be provided to the students, parents/guardians, and respective postsecondary institution(s).**

**Note: This completed form should not be forwarded to the Georgia Department of Education or the Georgia Student Finance Commission.**

**I. Dual Enrollment (DE) Requirements (Reviewed and initialed by Parents/Guardians)**

\_\_\_\_\_ The student's Individual Graduation Plan has been updated to reflect the plan of study through the DE program.

\_\_\_\_\_ The eligible DE student must contact the high school counselor for approval before **any** course/schedule changes can be made during the semester/quarter. All DE courses and the course grade will become part of the student's high school permanent transcript.

\_\_\_\_\_ The student and parent(s) or guardian(s) acknowledges that should a participating DE student choose to withdraw from a college course, the high school will make its best attempt to place that student in a corresponding high school course or credit recovery opportunity to meet course completion and graduation requirements. If no corresponding course or credit recovery opportunity is possible, the local district shall determine how the course will be recorded as a withdrawal or incomplete on the student's school record.

\_\_\_\_\_ DE expectations and responsibilities have been shared by the school counselor and all student and the parent/guardian questions/concerns have been discussed.

\_\_\_\_\_ The parent/guardian acknowledges that the U.S. Department of Education requires that all post-secondary institutions provide training on sexual assault awareness and prevention under the Violence Against Women Act. This mandatory training information will be provided by post-secondary institutions at no cost and could include DE students.

\_\_\_\_\_ **\*\*A student participating in the Senate Bill 2 Option must complete all state-required coursework and any state-required assessments associated with these courses per the GADOE assessment guidelines/requirement; whether courses are taken at the high school or through DE.**

I, \_\_\_\_\_, hereby grant permission for the college/university to release information (Student Name – Please Print) of my enrollment and grades, including class schedules and transcripts, to my high school counselor or principal, for the purpose of verifying my high school graduation requirements. **VI. General Information**

1. DE classes attended on the college campus follow the college calendar and DE classes attended on the high school campus during their scheduled school day follow the high school calendar.
2. Students participating in DE college courses should do so with the knowledge that the course work may be more rigorous and challenging than high school courses. Students are held to a higher degree of independent responsibility and accountability than in regular high school classes.
