The total number of Unfounded Crimes includes all Clery Act reportable offenses, hate crimes, arrests or disciplinary action referrals for weapons, drug or liquor law violations, and domestic violence, dating violence, or stalking incidents that have been unfounded. This category shows those crimes that occurred On-Campus, in On-Campus Student Residential Facilities, on or in Non-Campus property or building, and on Public Property that were unfounded.

Definitions and Additional Information:

The Campus Security Act requires that reportable crimes are broken down into four categories: on campus, non-campus, public property and residential facilities. The term “campus” means any building or property owned or controlled by an institution or higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residential facilities; and property within the same reasonable contiguous geographic area of the institution that is owned by the institution, but controlled by another person, is used by students, and supports institutional purposes (such as a food or other retail vendor). The term “non-campus” means any building or property owned or controlled by a student organization recognized by the institution; and any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution’s educational purposes, is used by students, and is not within the same reasonable contiguous geographic area of the institution. The term “public property” means all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. An enumerated crime that occurs on property immediately adjacent to, or within an area up to the far curbing of any street adjacent to campus property is reported under the “public property” category.
