For the past two years, East Georgia College has been awarded the Commissioner's Award and received recognition at the Campaign Wrap-Up Banquet for having the greatest contributions per employee total within the University system. Your donations made this possible. Let's continue to help turn lives around...give from the heart.

During this time period you can elect to make changes to any of your benefits. These revisions will become effective for the 2008 Plan Year beginning 1/1/08. Additional information regarding upcoming changes will be distributed soon via e-mail and handouts.
