## Dr. Robert G. Boehmer Named Interim President of EGC

University System of Georgia Chancellor Hank Huckaby announced that Dr. Boehmer, currently associate provost for academic planning at UGA, will serve as interim president of

EGC, effective January 1, 2012. Dr. John Black, president of EGC, recently announced his retirement effective December 31, 2011. Dr. Boehmer has served as professor of legal studies in UGA's Terry College of Business since 2004. He has served as chair of the Regents Advisory Committee on Effectiveness and Accreditation. Plans regarding the search for a permanent president will be announced at a future date. We welcome Dr. Boehmer!

## Critical Thinking Contest Winner

October's winner of the Critical Thinking Contest, sponsored by Associate Professor Ken Homer, is Alexis Whitaker of the East Georgia College/Statesboro Instructional Site. A graduate of Statesboro High School, Alexis is pursuing a nursing degree.

The critical thinking contest is an effort to encourage critical thinking in our students and is a part of our Quality Enhancement Plan to infuse critical thinking throughout the curriculum. The short story contest is intended to serve the same purpose. The contests, photographs, and changes to our curriculum all emphasize that critical thinking is central to academic life and to future careers.
