

# Course Schedule Planning Guide

Updated: 05/19/2020

The Registrar's Office recommends that you prepare for your advisement appoint by following these simple steps:

1. Review the degree requirements for the major you've selected in the most current EGSC Catalog.
2. Take a look at the semester course schedule and select your ideal schedule using the planner below.
  - Go to the EGSC website (www.ega.edu).
  - At the top of the page, hover over "Academics" then click on "Course Schedule".
  - Select the term you would like to view.
  - Select the campus you will be attending to view classes offered.
  - Write down the CRN, Course Title and Class Meeting Times on the planner below for your 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choices for a schedule.
- 
3. Keep the following facts in mind as you plan your schedule:
  - All new freshmen are required to enroll in CATS 1101.
  - You must register for any RHSC deficiencies courses
  - A minimum of 12 hours is considered full-time. **\*\*Remember: It takes 15 per semester to graduate in 2 years but be realistic in how many hours you can take—don't overload yourself!**
3. Arrive on-time to your advisement appointment and be engaged in the advisement appointment, discussing your career plans with your advisor.
