Eligibility

Any student wanting to participate in Dual Enrollment should speak with their high school counselor before starting the application process.

- Student must attend a private or public secondary educational institution within the state of Georgia or a home study program that has been approved by the Georgia Student Finance Commission as a Dual Enrollment (MOWR) participating school
- Have a high school academic GPA of a 3.0 or higher (as calculated by EGSC Admissions).
- Have qualifying test scores:
  - SAT - SAT total score (ERW + Math) of 1050 with 480 ERW and 440 to exempt learning support.
  - ACT – composite score of 20 with minimum 17 English, 17 Math to exempt learning support.
  - NextGen Accuplacer – Reading 237, Writeplacer 4, Quantitative Reasoning Algebra & Statistics 258
  - Math Placement Scores - to be eligible to take college algebra students must submit scores of at least: SAT Math 510, ACT Math 20, Quantitative Reasoning Algebra & Statistics 266 and Accuplacer Elementary Algebra 79
- Exempt any Learning Support Placement.
- Be on track to graduate completing the 17 Required High School Curriculum (4 units English, 4 units Math, 4 units Science, 3 units Social Science, 2 units Foreign Language).
- Must obtain approval from high school counselor and parent/guardian by completing the Dual Enrollment Student Participation Agreement – required every semester attending as MOWR student.

Steps to Get Started as Dual Enrollment Student

- Meet with High School Counselor about interest in Dual Enrollment program, requirements, and advisement.
- Submit online EGSC admissions application found at www.ega.edu and select “fee waiver” for payment.
- Submit preliminary high school transcript reflecting required academic GPA of 3.0 based on the Admission’s Office evaluation.
- Provide qualifying test scores via score report for SAT, ACT, or Accuplacer. If planning to take Accuplacer test with EGSC student must submit application, transcript and lawful presence documentation to be seated to test.
- Submit Dual Enrollment Student Participation Agreement signed by student, parent/guardian, and approved by high school counselor. Must have to be admitted and for each semester student attends as Dual Enrollment student
- Provide Lawful Presence documentation – copy of GA issued ID/driver’s license or certified copy of birth certificate.
- Complete the GAfutures Dual Enrollment Funding Application with guidance counselor and parent/guardian and submit. The GAfutures Dual Enrollment Funding Application is how Dual Enrollment classes are paid for and must be submitted each semester a student participates in the Dual Enrollment program.

Applied for Admission – Now What?

- Check your status online to see acceptance and receive acceptance information via email/mail.
- Once accepted the next step is to set up appointment for advisement/registration.
- Register and complete orientation requirements.
