Health and Safety Inspections

April 8-12, 2019 (Check the slip that was placed on the outside of your apartment door for your exact time slot)

Contact: Tiera Williams, twilliams@ega.edu

Housing staff will be entering your apartment the week of April 8-12 to inspect for health and safety issues and concerns. This inspection is very important. It allows us to address any health and safety issues before they get out of hand, and to be sure there aren't any major repairs that are needed in your apartment. Remember to clean up in advance of your inspection. Students who do not pass inspection may be referred to the Office of Student Conduct.
