# IT'S HOUSING MOVE-OUT TIME!

## Housing Move Out

*Move Out: April 23 – May 6 @ 5pm*

While the deadline for move-out of the residence halls is Sunday, May 6 at 5pm, express move-out materials will be available in the clubhouse beginning on Monday, April 23. Standard move out inspections will also be an option (*April 30-May 4 Only*). You do not have to wait to move out. **Once you finish with your classes and finals, you may leave when it is convenient to you.**

Steps for a successful move out:

1. Pack your things in advance. Don't wait until the last minute. It's never too early to start packing way the things you know you won't need between now and move out.
2. Come up with a game plan with your roommates on who is going to clean what. You don't want to receive cleaning charges because you weren't prepared. If you are going to be the first or second person to move out in your unit, we highly encourage you to do a standard move-out inspection.
3. Clean your bedroom well (this includes sweeping the floor, wiping down hard surfaces, and removing wall scuffs that you may have caused during the year. Remove all poster puddy and/or tape from the walls cleanly)
4. Turn in your keys to the clubhouse. Failure to return keys to the clubhouse will result in key replacement fees and improper check out fines.
5. Have a great summer!

More info coming this week that will be delivered door to door. Be sure to share it with your roommates.

That's all for now! If you have an activity you would like to see in the Happenings with Housing, please forward the event, date, time and location to Angela Storck at [astorck@ega.edu](mailto:astorck@ega.edu).

Respectfully,  
Angela Storck
