Homecoming Door Decorating Contest!

Decorate your door in Bobcat Villas with Bobcat spirit! We will be judging the doors on the afternoon of **Thursday, February 15**. The winning apartment will receive a pizza party! You will need to sign up in advance so we know your apartment is participating. We don't want to miss looking at your fabulous, spirited decorations. Click here to sign up. <http://www.tinyurl.com/EGSCDoorContest>

East Georgia Spirit Door Decorating Contest

Decorations must be up
by **3 p.m.**,
Thurs. Feb 15.

**Use your imagination, but
remember:**

1. Don't use anything that will damage any surface.
2. Door handles must remain visible and operational.
3. Decorations must be limited to the area of the door surface—no surrounding walls.
4. You responsible for purchasing your own decorations.

**Sign up online to let us know
you are participating:**

Information about Card Coding

Students in Bobcat Villas needing to have their card coded for door access need to go to the Bobcat Villas West Office until further notice. My computer crashed and I unfortunately lost my ability to encode cards until the software can be reinstalled. I anticipate having the second coder up and running by early next week. Thank you for your patience in this process.

Health and Safety Inspections (Coming Soon!)

Health and Safety Inspections are twice per semester apartment inspections conducted by professional housing and maintenance staff. **Our first round of Health and Safety Inspections will take place the week of March 5th. We will post notices on your door of the exact date and time you can expect housing staff to enter your apartment as the date approaches.**

What we look for during this inspection:

- To ensure your college provided appliances and fixtures are in good working order.
- That your trash is taken out and not piled up.
- Your dishes must be washed and not piled up in the sink or dishwasher.
- You need to ensure your floors are clear and that your clothes are in a nice neat pile or hamper.
- Dispose food wrappers or crumbs that may attract pests. We will also look for any potential bug issues during this inspection.
- Lastly, we will be checking to ensure there aren't any plainly visible housing violations.

We give advance notice of these inspections so that you can prepare adequately for them. Work with your roommates now so that you won't have any issues during the inspection. Remember you do not have to be present during the inspection, but you are welcomed to participate if you would like to. We like having this opportunity to get to know our residents better.
