Health and Safety Inspections

February 24-28, 2020 @ Time TBA - Bobcat Villas
Sponsored by Housing and Residence Life

Watch your door for a health and safety inspection entry announcement. Housing and Residence Life representatives will be entering your apartment next week to conduct our first of three health and safety inspections for spring term. We will be looking to ensure the following:

- Your apartment is generally clean and free of excess trash (pay special attention to the kitchen and bathrooms; do your dishes and take out the trash!)
- There are no signs of pests such as roaches or rodents. (Place a housing yardi student work order if you require pest spraying)
- There are no signs of housing violations (no extra microwaves, candles, or other prohibited items)
- No fire or other safety hazards (such as drapes blocking the overflow room gap, potential tripping hazards during a fire evacuation, etc)

You do not have to be present while your space is being inspected, but you are welcome to follow along with our staff as they inspect your space. If you are not home, they will let themselves in and lock your door on exit. Make sure you are carrying your keys next week to avoid unnecessary lockout charges. Please direct questions to housing@ega.edu or call 478.289.2172.
