

Happenings in Housing

Your weekly resource for important housing information!

Dear Bobcat Villas Residents,

Here's what's going on in our neighborhood in the week ahead.

Meet our New Residence Life Coordinator!

It's always important to ensure that our residential students are informed any time we bring on a new professional staff member. **Coleman Bailey** comes to us a graduate of Georgia Southwestern University where he majored in business administration with an emphasis in marketing. His new role here at East Georgia is that of Residence Life Coordinator—someone whose primary job function is to ensure our students are engaged and supported in the community.

Coleman's office is located in the Strange Clubhouse. It's likely you will interact with Coleman if you receive a mail package, you attend a residence life program, or if he is conducting room check housing business throughout the building. Please stop by his office and say hi!

Open Room Change – Deadline to submit Request is Wednesday!

Are you in a questionable rooming situation? Do you simply want to move in with your friend and you know they have an open bedroom in their suite? **Wednesday, February 7 is the deadline to apply for open room change.** During open room change, any student seeking a room change can request one for any reason. We want you to be happy in your room space! To apply for a room change, [click here to fill out the request form](#). **Students approved for room change must complete their room change by Monday, February 12 @ 5pm.**

Once the deadline passes, room changes will still be considered on a case by case basis. For more information on open room change, contact Shanae Vaifanua, Assistant Director of Housing, at kvaifanua@ega.edu.
