Health and Safety Inspections

September 23 - 30 - Bobcat Villas

It's never too early to start preparing for the first round of health and safety inspections. We'll be coming around during this week to enter your room and check it for the following items:

- general cleanliness
- safety issues
- policy violations

Want more information on what we look for? See the attached document which contains all of the check list items we inspect. We want this process to be as transparent as possible. We are not "out to get you," so I shared the exact document we use to train our staff members so you can familiarize yourself with the process. Your specific inspection time will be advertised on the door of your apartment at least 48 hours in advance of your scheduled inspection time slot. If you have questions, please contact Angela Storck at housing@ega.edu or by calling 478-289-2172.
