Practice Course Schedule Planner

Take the following steps in preparation for advisement.

Step 1. View the course schedule for next semester at http://faculty.ega.edu/catsch/

Step 2. Select the term and campus - Observe which courses are offered and at what times they are offered.

Step 3. Use table below to record your first and second choices for courses. Be sure to include the CRN (five digit number).

Step 4. Take this completed form with you to Orientation. Bear in mind that classes fill up quickly and it is important to have a backup plan.

Keep the following facts in mind as you plan your schedule.

1. All new freshmen are required to enroll in EGAC 1100 Student Success.
2. If you are required to take any learning support courses, you must complete them before enrolling in certain college courses.
3. A minimum of 12 credit hours is considered full time. However, you must be enrolled in at least 6 hours to receive a student loan.
4. If you enroll in 12 credit hours, you must complete at least 10 of those hours and maintain a status of "good standing" (GPA 2.0 or higher) in order to continue to receive financial aid.
