

Academic Policies and Curriculum Committee
April 15, 2013

Present: Yelena White, Dee McKinney, Dr. Brown, Randy Carter, Tommy Green, Raven Hudson, Carmine Palumbo, Dr. Goodman, Jordyn Nail (guest)

Item #1: Minutes from March 26, 2013 meeting were presented; motion to approve was made and seconded; minutes were approved.

Item #2: Dr. McKinney presented the Positive Psychology B.A. Program, with questions answered from the March 26, 2013 meeting. The motion was made and seconded to approve the Program. After extensive discussion of program, the Program was approved.

Item #3: Dr. McKinney presented the SPED 2000 (Survey of Special Education) course proposal which had been transferred to correct form. The motion to accept course in current form was made, seconded and approved.

Item #4: Dr. McKinney presented a course proposal for HIST 2300 (History of Science and Technology). The motion to approve was made and seconded. The course was approved.

Item #5: Dr. Palumbo presented a new course, ENGL 1000 (Composition Support Lab). This will serve as an accelerated option for selected Learning Support students through Learning Support English. The motion was made to approve and was seconded. The course as presented was approved. (NOTE: This course will be sent to the Faculty Senate as a companion to the Math accelerated option passed on March 26 by the APCC).

Item #6: Dr. Goodman presented a new APCC Curriculum Changes Form to be used to track the status of curriculum items coming to and from the Committee. A motion was to accept the new Form and the motion seconded. After some minor revisions, the new form approved for use beginning with the next APCC meeting.

Item # 7: Dr. Goodman gave an update on the status of items sent to the Faculty Senate. It was noted the Faculty Senate would meet on May 10 for the last time until August.

No date was set for the next APCC meeting.

The Committee was adjourned at 11:10 am.
