

Georgia Southern US Army ROTC

This document verifies that the East Georgia State College student mentioned below has had an interview with the Georgia Southern University ROTC Cadre listed below. GSU's Military Science (ROTC) department is located in Building 804 on the GSU campus, between the IT Building and the Carroll Building.

Student Name: _____

Student EGC ID Number: _____ Student Telephone #: _____

The rigorous requirements of physical training, class, lab, and field training exercises have been explained to the student, and the student understands, and agrees to, the commitment. The recommendation has been made by the ROTC Cadre for the student to register for MSCI course(s) _____ for Fall 20 or Spring 20 semester.

Signature of ROTC Cadre: _____ Date: _____

Printed Name and Rank of ROTC Cadre: _____

The student understands that while he/she is an EGSC student, a new form must be completed and submitted to EGSC every semester in order to register for the GSU ROTC courses.

Choose one of the following:

_____ By initialing here, and signing below, the student gives East Georgia State College permission to provide to the GSU ROTC department, at the written request of a member of the GSU ROTC cadre, an unofficial academic transcript for verification of course grades and academic standing for the semester indicated on this form, to include prior semesters.

_____ By initialing here, and signing below, the student does **not** give East Georgia State College permission to provide to the GSU ROTC department an unofficial transcript. The student understands that he/she must submit a Transcript Request form in order to have an official transcript sent to GSU ROTC.

Once approved and signed by ROTC cadre, **the student will submit this form, in person, to EGSC-Statesboro**, located at 10449 U.S. Highway 301 South, Statesboro, GA. A copy of this completed document will be provided to GSU ROTC for their records.

Signature of EGSC Student: _____ Date: _____

EGSC Office Use Only

Student Registered for the following CRN(s): _____
