Sue Bragg, Swainsboro, teaches Statesboro, Dual enrollment, Sociology. Darlene, Statesboro and Swainsboro campus; Non-majors biology f2f and online, Microbiology, Integrated Science, CATS. Mark Hovind: Communication (Intercultural – created this course; Interpersonal communication). Beaux: English, Swainsboro campus, lives in Statesboro. Laura Chambers, 22 years teaching (theater, interpersonal
communication, English). Has worked at GSU and OTC. Appeal to senate for support/assistance with difficult year ahead.

b. Faculty Senate Bylaw 2.1. Conflict of interest possibility Cadle/Interim chair of Biology. Precedent: Tommy Upchurch, but full consideration was obviated by TU not being reelected to FS. Cadle prefers to step down to avoid appearance of conflict of interest. Opinion expressed that, while there is nothing presently before the Senate that creates a conflict of interest, the bylaws should accommodate future possibilities; thus, best to maintain separation between supervisory role and FS role. Laura will contact Dean Chevalier to set up nomination process within Math-Science with 2 week time frame, vote before the next Senate meeting. Will need to replace Secretary with new person since Cadle is outgoing.

c. APCC Form 08032020 for FYE Committee and Proposal of Alteration of Personnel on First Class First Year Experience Committee (sent by email on 8/4/20 to be voted on in meeting). Approved

d. Email voting and expected turnaround time. Many items will come up in connection with SACS review. Need for quick response/quick turnaround. Senate members need to be in close touch with email, response max. 24 hours. Important for Senate to critically read and comment on items that come before it. Senate should not become a rubber stamp for things that come from admin. Senate members can have discussion on such items to evaluate/assist decision-making. Try to have these discussions via email because of scheduling challenges via Zoom, etc. These emails will begin with a suggestion to discuss for perspectives and concerns.

e. September meeting – date (options Sept. 1-4, 2020) to be delivered via Zoom. Options: preference to meet during first week of the month. Expression of opinion for no Friday meetings. For September and rest of semester: first Wednesdays at 4 p.m.—September 2, October 7, November 4, December 2 via Zoom
