CELEBRATING 4 YEARS!

Message From The Director
April 30 will mark the fourth anniversary of the opening of the Fulford Center. Much has happened since our grand opening, and as we reflect on the past four years, we feel a great sense of pride. Over 22,000 individuals have visited the Center since its opening, and we look forward to the year ahead with keen anticipation.

Plans for our summer camps are well underway! Within this issue, you will find specific information about our summer offerings. We invite you to browse through the information and make plans to join us for one or more of the camps. Informational camp flyers will be distributed to students through the local schools in late April.

Don’t hesitate to contact us should you have any questions.

Happy Easter!
