REVISED 3-12-14

Get ahead in your course work

Core classes (excluding Learning Support classes) are required for almost every major, regardless of the college or university you attend.

A variety of classes are offered during Jump Start, and an academic advisor will provide guidance on what to take. Personalized assistance ensures your success.

Enjoy the full college experience

Getting a jump start on your degree is just one reason to participate in Jump Start. You will also become more comfortable with college, so that you enjoy it more fully.

- Experience fun and memorable Student Life activities
- Be introduced to beneficial campus services and resources that will help you complete a college degree

How Do I Apply?
