*Domicile-* A person's present, permanent home where that individual intends to stay indefinitely and to which that individual returns following periods of temporary absence. Domicile, once established, shall not be affected by mere transient or temporary physical presence in another state. No individual may have more than one domicile even though an individual may maintain more than one residence. Temporary residence does not constitute the establishment of one's domicile. To acquire domicile, an individual must demonstrate intent to remain permanently or indefinitely.

(Waivers should be submitted to the institution prior to the first day of classes for the term which the student seeks to pay fees as an in-state student. Requests for tuition waivers must be received no later than the last day to pay fees for the term for which the out-of-state tuition is to be waived.)
