STUDENT AFFAIRS

Student Affairs at East Georgia State College are dedicated to the promotion of the physical, cultural, and personal development of the individual student. The Student Life program is designed to involve the student in co-curricular and extra-curricular activities of the college, so as to make them an integral part of the total college experience of the student. The function of Student Affairs are to meet the needs of the individual students; to promote good communication and working relationships among students, faculty, and staff; and to heighten awareness of civic responsibility.

All East Georgia State College students, regardless of their location in attending classes, are required to be conscious of and abide by the policies and procedures outlined in this handbook. Information contained herein applies to all students with regards to rights, privileges, and constraints against certain actions. If you have questions or concerns with any of the information contained in this handbook, please contact the Vice President for Academic and Student Affairs for clarification.

Student Conduct Code

One of the primary purposes for this publication is to set forth the minimal requirements for student conduct while on and off the campus of East Georgia State College or in association with any event acknowledged by EGSC. Below you will find guidelines set forth via the East Georgia State College Student Conduct Code. Please read this information carefully. Illustrated in this Student Conduct Code you will find actions on your part which EGSC has determined to be conduct detrimental to yourself and possibly the institution as a whole. It is not to be regarded as all-inclusive. In the event that there arises ambiguity, inconsistency, or a need for further clarification regarding what constitutes a violation of the Student Conduct Code, the Director of Student Conduct shall make the final determination. Any student or student organization found to be responsible for misconduct on and off East Georgia State College is subject to College sanctions. When a student organization engages in an act of misconduct, EGSC reserves the right to take action not only against the organization but also against the individual student members of the organization. Violation of these policies can have impact for your continued participation as a student at East Georgia State College.

At such hearing, the student shall have the burden of establishing that his or her continued presence as a member of the student body will not be detrimental to the health, safety, welfare or property of other students or members of the campus community or to the orderly operation of the institution. Upon final conviction, the student shall be subject to appropriate disciplinary action.

DISCIPLINARY PROCESS FOR CONDUCT CODE VIOLATIONS

Official Communication:

The official means of communication with all students is via their EGSC email account. Any mention of a student being notified in writing should be construed to mean via their EGSC email account.

Disciplinary Procedures:

In cases that involve action or misconduct that would cause a student(s) to be subjected to disciplinary action, the student(s) will be provided due process according to the procedures outlined herein.

Complaint: All complaints of alleged misconduct of a student shall be made in writing to the Director of Student Conduct. Each complaint shall contain a statement of facts outlining each alleged act of misconduct, and shall state the regulation which the student is alleged to have broken. SCORES, the Student Conduct Online Reporting and Evidence System, is the recommended means to file a complaint. Complaints to the Student Conduct Department should include the following information:

1. Type of misconduct alleged.
2. The name and contact information of the student accused of misconduct.
3. The date, time, and place(s) of the misconduct.
4. The name and contact information of any individuals with knowledge of the incident.
5. Whether any tangible evidence has been preserved.
6. Whether a criminal complaint has been made.

(For the complete policy, please see SCORES at <http://www.ega.edu/policy/04-student-conduct-online-reporting-and-evidence-system.pdf?2102016> in Institutional Policy and Procedure section.)

Information from complaints may be shared as necessary to investigate and to resolve the alleged misconduct. Complaints shall be investigated and resolved as outlined below. The need to issue a broader warning to the community in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act") shall be assessed in compliance with federal law.

Where appropriate, complainants may file a law enforcement report as well as an institutional report, but are not required to file both.

Amnesty: – Individuals should be encouraged to come forward and to report student misconduct and or violations of the law notwithstanding that individual's choice to consume alcohol or to use other drugs. Information reported in good – faith by an individual during an investigation concerning use of drugs or alcohol will not be used against that individual in a disciplinary proceeding and will not be voluntarily reported to law enforcement. However, individuals may be required to participate in appropriate educational programs on drug and alcohol, counseling, and /or education, as appropriate.

The required participation in an educational program under the Amnesty procedure will not be considered a sanction, and since the student will not have been found responsible for a violation, the student will not have a student conduct "record" based on any incident related to the amnesty

procedure. The documentation of the incident(s) will be treated as if the student were charged and then found not responsible for a violation. Nothing in the Amnesty procedure shall prevent a university staff member who is otherwise obligated by law (Clery) to report information or statistical data as required.

Confidentiality: Where a victim/complainant requests that his or her identity be withheld or the allegation(s) not investigated, EGSC will consider whether or not the confidentiality request can be honored while still providing a safe and nondiscriminatory environment for the college and conducting an effective review of the allegations. The DSC will make this decision based upon the following factors:

1. The ability to provide a safe and non-discriminatory environment for the institution
2. Whether students, faculty or staff personnel are endangered;
3. Whether the orderly progression of educational objectives of the institution may be disrupted; or
4. Whether College property is in jeopardy.

Confidentiality requests, where granted, may limit the College's ability to fully respond to the incident and limit EGSC's ability to discipline the respondent. The victim/complainant will be notified that the institution generally cannot guarantee confidentiality.

Retaliation – Anyone who, in good faith, reports what she or he believes to be student misconduct, participates, or cooperates in, or is otherwise associated with any investigation, shall not be subject to retaliation. Anyone who believes he or she has been the victim of retaliation for reporting, participating, or cooperating in, or otherwise being associated with an investigation should immediately contact the appropriate department or individual(s) for East Georgia State College. Any person found to have engaged in any retaliation is in violation of the Student Conduct Code shall be subject to disciplinary action.

False Complaints - Individuals who intentionally give false statements to an East Georgia State College employee, or who submit false complaints or accusations, including during a hearing, in violation of policy shall be subject to disciplinary action.

Evaluation, Investigation and Resolution Proceedings:

Initial Evaluation of Student Conduct Reports: Regardless of how an EGSC becomes aware of student misconduct, EGSC shall ensure a prompt, fair, and impartial review and resolution of complaints alleging student misconduct. Where a report of student misconduct has been made to the appropriate department and/or person, the Director of Student Conduct shall review the complaint to determine whether the allegation(s) describes conduct in violation of EGSC policies and/or code of conduct. If the reported conduct would not be a violation of EGSC policies and/or code of conduct, even if true, then the report should be dismissed. Otherwise, a prompt, thorough, and impartial investigation, and review shall be conducted into each complaint received to determine whether charges against the respondent should be brought.

Notice: The alleged respondent and complainant shall be provided notice as follows:

1. Written notice of complaint;
2. The pending investigation;
3. Possible charges;
4. Possible sanctions;
5. Support services; and
6. Identify of potential investigator(s).

Notice will be provided via institutional email.

Upon the receipt of official notice, the alleged respondent shall:

1. Be given 3 (Three) business days to respond in writing to DSC;
2. Have the right to admit or deny the allegations; and
3. Set forth a defense with facts, witness(es) and provide documentation, whether written or electronic, in

support.

Any alleged victim shall also be provided with three business days to respond to or supplement the notice.

Investigation Procedures:

Throughout any investigation and resolution proceedings, a party shall receive written notice of the alleged misconduct, shall be provided an opportunity to respond, and shall be allowed to remain silent or otherwise not participate in or during the investigation and resolution process without an adverse inference ruling. If respondent chooses to remain silent or otherwise not participate in the investigation, the investigation may still proceed and policy violation charges may still result, and be resolved.

The Director of Student Conduct will provide notice to the alleged victim and respondent as provided in the "Notice" section herein.

The investigator will conduct a thorough investigation and retain written notes and/or written or recorded statements from each interview. The investigator shall also keep a record of any party's proffered witnesses not interviewed, along with a brief, written explanation of why the witnesses were not interviewed.

The initial investigation report will be provided to the respondent and alleged victim (where applicable). The report will clearly indicate any resulting charges (or alternatively, a determination of no charges) as well as the facts and evidence in support thereof, witness statements, and possible sanctions. For purposes of this policy, a charge is not a finding of responsibility, but indicates there is sufficient evidence to warrant further consideration and adjudication.

The final investigative report will be provided to the misconduct panel or Director of Student Conduct for consideration in adjudicating the charges brought against the respondent. A copy shall be provided to the respondent and alleged victim (where applicable) before any hearing. The investigator may testify as a witness regarding investigation and findings, but shall otherwise have no part in the hearing process and shall not attempt to influence the proceedings outside of providing testimony at the hearing.

A non-response will be considered a general denial of the alleged misconduct. Further unrelated charges and cases shall be investigated separately, unless the respondent consents to having them aggregated.

If the respondent admits responsibility, the process may proceed to the sanctioning phase or may be informally resolved, if appropriate.

If at any point the investigator determines there is insufficient evidence to support a charge or to warrant further consideration of discipline, then the complaint should be dismissed.

In no case shall a hearing to resolve charge(s) of student misconduct will take place before the investigative report has been finalized.

Sexual Misconduct Complaints: Where a report of student misconduct alleges sexual misconduct or other forms of harassment and/or discrimination, the report will be referred to and the investigation will be conducted through or as directed by the office of Title IX trained and equipped to investigate such matters using the procedures set forth herein.

Process When Suspension or Expulsion Possible: Any report that involves allegation(s) of conduct that could lead to the suspension or expulsion of the respondent(s) in an initial violation must be promptly reported to the System Director by EGSC. The System Director will work with EGSC Director of Student Conduct to determine whether any interim measure(s) are necessary, to assign an investigator and will collaboratively supervise the investigation with the appropriate institution professional (e.g., the Title IX Coordinator, Director of Student Conduct). If an allegation is not initially identified as one that

could lead to suspension or expulsion of the respondent(s), but facts arise during the course of the investigation that would require oversight from the System Director, then EGSC Director of Student Conduct shall report that case to the System Director or his/her designee prior to proceeding.

Interim Measures

Interim measures may be provided by EGSC at any point during an investigation and should be designed to protect the alleged victim and the community. To the extent interim measures are imposed, they should minimize the burden on both the alleged victim and the respondent, where feasible. Interim measures may include, but are not limited to:

1. Change of housing assignment;
2. Issuance of a “no contact” directive;
3. Restrictions or bars to entering certain institution property;
4. Changes to academic or employment arrangements, schedules, or supervision;
5. Interim suspension; and other measures designed to promote the safety and well-being of the parties and the institution’s community.

Interim Suspension: An interim suspension should only occur where necessary to maintain safety and should be limited to those situations where the respondent poses a serious and immediate danger or threat to persons or property. In making such an assessment, East Georgia State College should consider the existence of a significant risk to the health or safety of the alleged victim or the campus community; the nature, duration, and severity of the risk; the probability of potential injury; and whether less restrictive means can be used to significantly mitigate the risk. Before an interim suspension is issued, EGSC must make all reasonable efforts to give the respondent the opportunity to be heard on whether his or her presence on campus poses a danger. If an interim suspension is issued, the terms of the suspension take effect immediately. Upon request, the respondent will have an opportunity to be heard by the respective conduct officer, Title IX Coordinator, or System Director, as appropriate, within three business days in order to determine whether the interim suspension should continue. See EGSC Interim Suspension Policy: <http://www.ega.edu/policy/04-interim-suspension-policy.pdf>

Resolution / Hearing:

Conference:

If the results of the investigation show need, the student shall be notified via email in writing by the Office of Student Conduct of the accusation of a violation and will be asked to come in for a conference to discuss the complaint.

At the above mentioned conference, the student shall be advised:

1. The conference may be recorded.
2. An overview of the process when a violation is reported.
3. The violation they are accused of and an explanation of the charge.
4. Of their privacy rights under FERPA.
5. The Director of Student Conduct, in conjunction with the Vice President for Academic and Student Affairs, may refer any case to the Hearing Panel for a hearing and recommended action. Cases that involve the possibility of suspension or expulsion shall be referred to the System Director by East Georgia State College.
6. The student will be advised of his or her options for resolution, subject to the provisions below. The student may admit responsibility for the alleged violation in writing, waive the right to a hearing (in writing), and request that the Director of Student Conduct take appropriate action. The student may request informal resolution or request a hearing before the hearing panel.
 - a. Procedure for adjudication with the Director of Student Conduct
 - i. If the student is prepared to present their case immediately, they may waive the 72-hour notice of a hearing (in writing) and ask the Director of Student Conduct

to immediately begin adjudication.

- ii. If the student is unprepared to present their case immediately, a hearing date and time will be determined and a hearing notification emailed to the student.

b. Procedure for Informal Resolution:

- i. Informal resolution, if appropriate, must be mutually agreed upon by respondent and victim (where appropriate). In such cases, the DSC will proceed to informally resolve the matter. Informal resolution is not appropriate where sexual assault is alleged in the complaint. The Vice President for Academic and Student Affairs or the System Director shall determine other student conduct allegations when informal resolution is inappropriate. If informal resolution is not appropriate or fails to resolve the matter, the respondent has the option of having the matter heard by the Director of Student Conduct or a Hearing Panel.

c. Procedure for adjudication with the Hearing Panel

- i. The Director of Student Conduct will set a hearing date and time, and hearing notification emailed to the student.
- ii. All cases of sexual misconduct that go to a hearing shall be heard by a sexual misconduct hearing panel of faculty and/or staff. The panel members receive annual training as directed by the System Director and required by Clery Act.

7. In all hearing formats, the student will be afforded the opportunity to address the complaint by providing evidence and calling witnesses.

Hearing Notification: The Office of Student Conduct shall, at least 72 hours in advance of the hearing, notify the student in writing concerning the following:

1. The date, time, and place of hearing.
2. The statement of the specific charges and grounds, which, if proven, would justify disciplinary action being taken.
3. The names of witnesses scheduled to appear on your behalf. Note: A witness must provide a written statement to the Director of Student Conduct at least 48 hours before the hearing in order to be entered as evidence. Otherwise, the witness will not be allowed to participate in the hearing.
4. A list of trained Hearing Advisors who can help the student navigate the disciplinary process. If the student wishes to use a Hearing Advisor, they should contact the Director of Student Conduct to set up a meeting between the two. Only one Advisor may be involved per case.
5. If a student chooses to have their hearing with the Director of Student Conduct, they may, in writing, waive their right to the 72-hour notice.

Hearing in Absentia: If the student does not appear for the conference or hearing, or decides to withdraw voluntarily, a hearing may take place in their absence.

Hearing Protocol: For the orderliness of the hearing experience, no one will be allowed inside the room during the hearing except the Director of Student Conduct, the Hearing Panel members, the student, approved witnesses, the Hearing Advisor and any EGSC students/administrators who are there for training purposes. The student may request that a non-participatory observer be allowed to attend the hearing; however, the observer cannot make a statement nor ask questions. They are there only to provide support to the student. This request must be made in writing at least 48 hours before the hearing.

Hearing Decision:

1. The standard of proof in conduct hearings is preponderance of evidence. Simply stated, preponderance means what is more likely to have occurred based on the evidence. However, the decision to suspend or to expel a student must also be supported by substantial evidence at the hearing.
2. The decision will be communicated in writing to the respondent and victim (where applicable) of the outcome and any resulting sanctions within 48 hours of the hearing. The decision will

summarize the evidence in support of the sanction. The notice will include details on how to appeal the decision. The decision of the Director of Student Conduct or Hearing Panel shall stand until a ruling is made by the President.

3. A summary transcription of the proceedings shall be kept and made available to the accused student upon request in writing.

Hearing Panel:

1. The Hearing Panel shall consist of six members to include: The Director of Student Conduct (non-voting member), one member of the staff, two members of the faculty and two regularly enrolled students. The Director of Student Conduct chooses these members and is responsible for training.
2. The Director of Student Conduct shall be the presiding officer and act as recorder, but shall not vote.
3. Any member of the Hearing Panel shall disqualify themselves if their personal involvement in the case is of such a nature as to be detrimental to the interest of the accused or of the institution.
4. The Hearing Panel shall make a determination of whether the student is in violation and then give a recommendation of disciplinary measures to the Director of Student Conduct if sanctions are deemed appropriate.
5. Where the hearing officer or panel determines that a party or witness is unavailable and unable to be present due to extenuating circumstances, the hearing officer or panel may establish special procedures for providing testimony from a separate location. In doing so, the hearing officer or panel must determine whether there is a valid basis for the unavailability, ensure proper sequestration in a manner that ensures testimony has not been tainted, and make a determination that such an arrangement will not unfairly disadvantage any party. Should it be reasonably believed that a party or witness who is not physically present has presented tainted testimony, the hearing officer or panel will disregard or discount the testimony. In sexual misconduct cases, the hearing officer reserves the right to allow a party to testify in a separate room, so long as no party is unfairly disadvantaged by this procedure. A party shall give testimony in the presence of the panel, and the opposing party shall have the opportunity to view the testimony remotely and to submit follow up questions.

Hearing Advisor:

The respondent and alleged victim (where applicable), as parties to these proceedings, shall have the right to have an advisor (who may or may not be an attorney) of his or her choosing, and at his or her own expense, for the express purpose of providing advice and counsel. The advisor may be present during meetings and proceedings during the investigatory and/or resolution process at which his or her advisee is present. The advisor may advise his or her advisee in any manner, including providing questions, suggestions, and guidance on response to any question posed to the advisee, but shall not participate directly during the investigation or hearing process. The institution shall not prohibit family members of a party from attending the hearing if the party requests such attendance, but may limit each participant to having two family members present.

A Hearing Advisor is a current EGSC student, staff, or faculty member who is chosen by the Director of Student Conduct and trained on the Student Conduct Code, specifically the Disciplinary Process and Hearing Procedures. The Advisor cannot participate as a witness or be associated with any case in which they serve as an Advisor.

The Hearing Advisor may:

1. Advise the student in the preparation and presentation of their case.
2. Accompany the student to the judicial hearing. The advisor functions in a supportive role and will not be allowed to speak during the judicial hearing. The advisor may be excused from the hearing if they attempt to speak for or advocate on behalf of the student in any way.
3. Advise the student in the preparation of an appeal letter.

Rights of Student Defendant:

The student defendant shall be afforded all rights required by due process including:

1. The right to a Hearing Advisor and non-participatory observer.
2. The right to present evidence in his/her behalf.
3. The right to call witnesses in his/her behalf.
4. The right to remain silent and have no inference of guilt drawn from such silence.
5. The right to cross examination.
6. The right to be advised of his/her right to appeal the decision of the Director of Student Conduct or Hearing Panel.
7. The right to attend classes and required college functions until a hearing is held and a decision is rendered. Exceptions to this would be made (a) when a student's physical or emotional safety and well-being are endangered; (b) when the general safety and well-being of the faculty, staff or other college personnel are endangered; (c) when the orderly progression of the educational objectives of the institution may be disrupted; (d) when college property is in jeopardy.

Disciplinary Sanctions

Disciplinary sanctions for Non-Academic Misconduct may be imposed upon a student or student organization for an infraction of the Student Conduct Code. This list shall not be taken to be exhaustive. The Director of Student Conduct or hearing panel may issue discretionary sanctions that are directly related to the violation or conduct, and to enlarge or modify sanctions to meet particular circumstances in any given case.

The following are possible disciplinary sanctions which may be imposed upon a student or student organization for an infraction of the Student Conduct Code.
