Library Policy: Children

09/27/12

An unsupervised academic environment is provided at East Georgia State College Library and as such the staff is unable to monitor children while they are in the library.

Consequently:

- Children 16 years of age and under must be accompanied and supervised by an adult while they are in the library.
- Unaccompanied children will be asked to leave and may return only when accompanied by an adult.
- Parents whose children become disruptive and noisy will be asked to leave the library.
