STUDENT AFFAIRS

Student Affairs at East Georgia State College are dedicated to the promotion of the physical, cultural, and personal development of the individual student. The Student Life program is designed to involve the student in co-curricular and extra-curricular activities of the college, so as to make them an integral part of the total college experience of the student. The function of Student Affairs are to meet the needs of the individual students; to promote good communication and working relationships among students, faculty, and staff; and to heighten awareness of civic responsibility.

All East Georgia State College students, regardless of their location in attending classes, are required to be conscious of and abide by the policies and procedures outlined in this handbook. Information contained herein applies to all students with regards to rights, privileges, and constraints against certain actions. If you have questions or concerns with any of the information contained in this handbook, please contact the Vice President for Student Affairs for clarification.

Student Conduct Code

One of the primary purposes for this publication is to set forth the minimal requirements for student conduct while on and off the campus of East Georgia State College or in association with any event acknowledged by EGSC. Below you will find guidelines set forth via the East Georgia State College Student Conduct Code. Please read this information carefully. Illustrated in this Student Conduct Code you will find actions on your part which EGSC has determined to be conduct detrimental to yourself and possibly the institution as a whole. It is not to be regarded as all-inclusive. In the event that there arises ambiguity, inconsistency, or a need for further clarification regarding what constitutes a violation of the Student Conduct Code, the Director of Student Conduct shall make the final determination. Any student or student organization found to be responsible for misconduct on and off East College State College is subject to College sanctions. When a student organization engages in an act of misconduct, EGSC reserves the right to take action not only against the organization but also against the individual student members of the organization. Violation of these policies can have impact for your continued participation as a student at East Georgia State College.

ACADEMIC MISCONDUCT

Academic Honesty

In an academic community, honesty and integrity must prevail if the work done and the honors awarded are to receive respect. The erosion of honesty is the academic community’s ultimate loss. The responsibility for the practice and preservation of honesty must be equally assumed by all of its members.

Academic honesty requires the presentation for evaluation and credits one’s own work, not the work of others. In general, academic honesty excludes:

1. Cheating on an examination of any type: giving or receiving, offering or soliciting information on any examination. This includes:
   a. Copying from another student’s paper.
   b. Use of prepared materials, notes, or texts other than those specifically permitted by the instructor during the examination.
   c. Collaboration with another student during the examination.
   d. Buying, selling, stealing, soliciting or transmitting an examination or any other material purported to be the unreleased contents of an upcoming examination, or use of any such material.
   e. Substitution for another person during an examination or allowing such substitution or oneself.
   f. Bribery of any person to obtain examination information.

Academic theft is considered to be the taking or attempt to take, steal or otherwise procure in an unauthorized manner any material pertaining to the conduct of a class, etc., including but not limited to
tests, examinations, laboratory equipment, roll books, etc.

No student shall sell, give or lend or otherwise furnish to any unauthorized person material which can be shown to contain the questions or answers to any examinations scheduled to be given at any subsequent date, in any course of study offered by EGSC excluding questions and answers from tests previously administered.

**Collusion** is collaboration with another person in the preparations of editing notes, themes, reports, or other written work or in laboratory work offered for evaluation and other written work or in laboratory work. No student shall receive or give assistance not authorized by the instructor in the preparation of any essay, laboratory report, examination or other assignment to be submitted as a requirement of an academic course.

**Misrepresentation of credentials** is the use of false or misleading statements in order to gain admission. It also involves the use of false or misleading statements in an effort to obtain employment or college admission elsewhere, while one is enrolled.

**Plagiarism** is the failure to acknowledge indebtedness. It is always assumed that the written work offered for evaluation and credit is the student’s own unless otherwise acknowledged. Such acknowledgment should occur whenever one quotes another person’s actual works, whenever one appropriates another person’s ideas, opinions or theories, even if they are paraphrased, and whenever one borrows facts, statistics, or other illustrative materials unless the information is common knowledge. Plagiarism is prohibited. Themes, essays, term papers, test and other similar requirements must be the work of the student submitting it. When direct quotations are used, they must be indicated and when the ideas of another are incorporated in the paper they must be appropriately acknowledged.

**Faculty Responsibility** - It is the duty of the faculty to practice and preserve academic honesty and to encourage it among students. The instructor should clarify any situation peculiar to the course that may differ from this policy and should furthermore endeavor to make explicit the intent and purpose of each assignment so that the student may complete the assignment without unintentionally compromising academic honesty. It is the responsibility of the faculty member to provide for appropriate supervision of examinations.

**Student Responsibility** - It is the duty of the student to practice and preserve academic honesty. If the student has any doubt about a situation, he or she should consult with his or her instructor.

**Procedures** – Upon encountering a violation of academic honesty by a student, a faculty member should:

1. Confront the student and make the charge known.
2. Discuss the matter thoroughly with the student so that each position is clearly delineated.
3. Decide what action is appropriate.
4. Inform the student that he/she may appeal the decision of the faculty member to the dean of the school. If the dean of the school is the faculty member in question, the initial appeal is to be directed to the Vice President for Academic Affairs.

If the action is less severe than a “WF” for the course, a faculty member should:

1. Report the violation and the action taken to the dean of the school in which the violation occurred who will then report the matter to the Vice President for Academic Affairs.
2. Recommend whether the incident shall be made part of the academic dishonesty file in the office of the Vice President for Academic Affairs.

If a “WF” for the course is appropriate, a faculty member should:

1. Notify the dean of the school and initiate a “WF” withdrawal form. At this point, the matter shall be reviewed by a school committee and the dean of the school.
2. If those reviewing the matter do not agree with the interpretation of the evidence or with the action taken by the faculty member, they may ask him/her to reconsider. After reconsidering the matter, the faculty member may stand by the original decision and forward the “WF” withdrawal
form to the Vice President for Academic Affairs.
3. If those reviewing agree with the faculty member, the withdrawal form shall be forwarded to the Vice President for Academic Affairs.

The Vice President for Academic Affairs shall:
1. Review each faculty member's recommendation for a “WF,” check the academic honesty status of the student via the academic dishonesty file, and either let the “WF” stand or make some other recommendation.
2. Send the withdrawal form to the Registrar and enter the violation in the academic dishonesty file if the “WF” is to stand.
3. Notify the student in writing of the action taken, remind the student of his/her right to appeal, and inform the student that if he/she plans to appeal, the appeal must be filed within three (3) calendar days.
4. Notify the involved faculty member in writing of the action taken.
5. Upon a student’s second offense requiring a “WF” for a course, direct the Registrar to enter the phrase “Ineligible to Register” on the student’s academic dishonesty file.
6. Maintain the academic dishonesty file so that all appropriate administrators have access to the record of violations but also so that the student’s rights to limited access shall be safeguarded.

Investigation: The Director of Student Conduct will investigate the complaint and choose to dismiss the
claim or move forward with a conference with the student.

If the results of the investigation show need, the student shall be notified via email in writing by the Office of Student Conduct of the accusation of a violation and will be asked to come in for a conference to discuss the complaint.

**Conference:** At the above mentioned conference, the student shall be advised:

1. The conference may be recorded.
2. An overview of the process when a violation is reported.
3. The violation they are accused of and an explanation of the charge.
4. Of their privacy rights under FERPA.
5. The Director of Student Conduct, in conjunction with the Vice President of Student Affairs, may refer any case to the Hearing Panel for a hearing and recommended action. Cases that involve the possibility of suspension or expulsion shall be referred to the Hearing Panel.
6. They may admit responsibility for the alleged violation in writing, waive the right to a hearing (in writing), and request that the Director of Student Conduct take appropriate action.
7. They may deny responsibility for the alleged violation in writing and:
   a. Request adjudication with the Director of Student Conduct
      i. If the student is prepared to present their case immediately, they may waive the 72 hour notice of a hearing (in writing) and ask the Director of Student Conduct to immediately begin adjudication.
      ii. If the student is unprepared to present their case immediately, a hearing date and time will be determined and a hearing notification emailed to the student.
   b. Request adjudication with the Hearing Panel, in which case a hearing date and time will be determined and a hearing notification emailed to the student.
8. In all hearing formats, the student will be afforded the opportunity to address the complaint by providing evidence and calling witnesses.

**Hearing Notification:** The Office of Student Conduct shall, at least 72 hours in advance of the hearing, notify the student in writing concerning the following:

1. The date, time, and place of hearing.
2. The statement of the specific charges and grounds, which, if proven, would justify disciplinary action being taken.
3. The names of witnesses scheduled to appear on your behalf. Note: A witness must provide a written statement to the Director of Student Conduct at least 48 hours before the hearing in order to be entered as evidence. Otherwise, the witness will not be allowed to participate in the hearing.
4. A list of trained Hearing Advisors who can help the student navigate the disciplinary process. If the student wishes to use a Hearing Advisor, they should contact the Director of Student Conduct to set up a meeting between the two. Only one Advisor may be involved per case.
5. If a student chooses to have their hearing with the Director of Student Conduct, they may, in writing, waive their right to the 72 hour notice.

**Hearing in Absentia:** If the student does not appear for the conference or hearing, or decides to withdraw voluntarily, a hearing may take place in their absence.

**Hearing Protocol:** For the orderliness of the hearing experience, no one will be allowed inside the room during the hearing except the Director of Student Conduct, the Hearing Panel members, the student, approved witnesses, the Hearing Advisor and any EGSC students/administrators who are there for training purposes. The student may request that a non-participatory observer be allowed to attend the hearing; however, the observer cannot make a statement nor ask questions. They are there only to provide support to the student. This request must be made in writing at least 48 hours before the hearing.

**Hearing Decision:**

1. The standard of proof in conduct hearings is preponderance of evidence. Simply stated, preponderance means what is more likely to have occurred based on the evidence.
2. The decision will be communicated in writing to the accused student within 48 hours of the hearing.
3. The student shall be notified in writing of his or her right to appeal the decision. The decision of the Director of Student Conduct or Hearing Panel shall stand until a ruling is made by the President.
4. A summary transcription of the proceedings shall be kept and made available to the accused student upon request in writing.

Hearing Panel
1. The Hearing Panel shall consist of six members to include: the Director of Student Conduct (non-voting member), one member of the staff, two members of the faculty and two regularly enrolled students. The Director of Student Conduct chooses these members and is responsible for training.
2. The Director of Student Conduct shall be the presiding officer and act as recorder, but shall not vote.
3. Any member of the Hearing Panel shall disqualify themselves if their personal involvement in the case is of such a nature as to be detrimental to the interest of the accused or of the institution.
4. The Hearing Panel shall make a determination of whether the student is in violation and then give a recommendation of disciplinary measures to the Director of Student Conduct if sanctions are deemed appropriate.

Hearing Advisor
A Hearing Advisor is a current EGSC student, staff, or faculty member who is chosen by the Director of Student Conduct and trained on the Student Conduct Code, specifically the Disciplinary Process and Hearing Procedures. The Advisor cannot participate as a witness or be associated with any case in which they serve as an Advisor.

The Hearing Advisor may:
1. Advise the student in the preparation and presentation of their case.
2. Accompany the student to the judicial hearing. The advisor functions in a supportive role and will not be allowed to speak during the judicial hearing. The advisor may be excused from the hearing if they attempt to speak for or advocate on behalf of the student in any way.
3. Advise the student in the preparation of an appeal letter.

Rights of Student Defendant
The student defendant shall be afforded all rights required by due process including:
1. The right to a Hearing Advisor and non-participatory observer.
2. The right to present evidence in his/her behalf.
3. The right to call witnesses in his/her behalf.
4. The right to remain silent and have no inference of guilt drawn from such silence.
5. The right to cross examination.
6. The right to be advised of his/her right to appeal the decision of the Director of Student Conduct or Hearing Panel.
7. The right to attend classes and required college functions until a hearing is held and a decision is rendered. Exceptions to this would be made (a) when a student’s physical or emotional safety and well-being are endangered; (b) when the general safety and well-being of the faculty, staff or other college personnel are endangered; (c) when the orderly progression of the educational objectives of the institution may be disrupted; (d) when college property is in jeopardy.

Disciplinary Sanctions

This list shall not be taken to be exhaustive and may be enlarged or modified to meet particular circumstances in any given case. For the complete Policy and Procedure, please view the Policies and Procedure of the College on the President’s Office website at http://www.ega.edu/policy/04-disciplinary-sanctions.pdf

Appellate Procedure
A student shall have the right to appeal in accordance with East Georgia State College’s Appellate Procedure. For complete policy, please view the Appellate Procedure under the Policy and Procedures of the College on the President’s Office website at: http://www.ega.edu/policy/04-code-of-conduct-appeals.pdf

Disciplinary Procedures for Student Organizations
In support of Section 406.01 of the Regents Policy Manual concerning the Withdrawal of Recognition of Student Organizations, all student organizations recognized by or using the facilities of East Georgia State College are hereby charged with the responsibility of enforcing compliance with local, state and federal laws by all persons attending or participating in their respective functions and affairs, social or otherwise.

Any student organization which knowingly permits, authorizes, or condones the manufacture, sale, distribution, possession, serving, consumption or use of marijuana, controlled substances, or other illegal or dangerous drugs at any affair, function, or activity of such student organization, social or otherwise, is hereby declared to be in violation of the laws of this state and shall have its recognition as a student organization withdrawn and, after complying with the constitutional requirements of due process, shall be expelled from the campus for one calendar year from the date of determination of guilt. Such organization shall also be prohibited from using any property or facilities of the institution for a period of one year.

*NOTE: The sanctions imposed by these policies shall be subject to review procedures authorized by the Board of Regents (Article VIII of the Bylaws). An appeal to the Board of Regents shall not defer the effective date of the adverse action against the student organization pending the Board's review unless the Board so directs. Any such stay or suspension by the Board shall expire as of the date of the Board's final decision on the matter.

INSTITUTIONAL POLICY AND PROCEDURE

Children on Campus
Minor children are not allowed on campus unless they are under the supervision of a responsible party. For complete policy, please view http://www.ega.edu/policy/04-minor-children-on-campus-policy.pdf.

Conflict Resolution
The Board of Regents of the University System of Georgia recognizes the benefit of resolving conflicts through alternative means designed to decrease the reliance on adversarial processes and resolve conflicts effectively and fairly at the lowest possible level.

East Georgia State College supports the goals of the “Campus Conflict Resolution Committee” initiative whereby its students may seek timely, equitable, and satisfactory resolutions to their conflicts in an efficient and cost-effective manner preferably at the first indication of a problem.

East Georgia State College encourages students to use the mediation process to solve conflict. Students whose conflicts are not resolved satisfactorily through Conflict Resolution may seek resolution using the complaint mechanisms appropriate for their conflict as set forth in the policies of East Georgia State College and Board of Regents Policy.
Conflict Resolution is an informal, structured, voluntary, and confidential process where the involved parties meet with one or two trained mediators to work through the conflict at hand. The participants must both agree on the outcome of the process for the conflict to be resolved. The mediator guides and encourages each party through the process, but does not make the final decision unless otherwise arranged to do so. For complete policy, please view the Conflict Resolution policy under the Policies and Procedures of the College on the President’s Office website at http://www.ega.edu/policy/Conflict_Resolution_PolicyCAB_11-27-12.pdf.

Counseling and Testing
Students may seek help at any time by contacting the Counseling and Disability Services Office in the Student Services Complex. Testing is available to students in determining their career interest and aptitudes. Information and referral is also available for students needing to document an already diagnosed or suspected disability in order to receive accommodations in college. You may contact the Counseling and Disability Services office for any questions or for more information at 478-289-2039. At EGSC Statesboro, contact (912) 623-2406 or (478) 289-2039 for Swainsboro or Augusta. Academic advisors are assigned by the academic department to each student to assist in planning individual college programs during a students’ freshman year.

Counseling - Interpreting Services
Students requesting interpreter services are encouraged to ensure that they have submitted appropriate documentation of a hearing impairment. Documentation of a hearing impairment must be from a Licensed Audiologist. This documentation must include a diagnosis and information as to how the disability impacts the student in an academic environment.

Students will be notified when appropriate documentation is on file and may choose to schedule a meeting with the Counselor/Disability Service Provider (DSP) to arrange accommodations and/or services.

A. Student Requirements-
Class attendance is crucial for successful academic completion. When a student who uses an interpreter will be absent from class, notifying the Counselor/DSP is EXPECTED 48 HOURS PRIOR TO THE ABSENCE. An email is sufficient notification. This is crucial when communication facilitators are being paid for their time in class. This timeframe is necessary because most Interpreters require at least 48 hours notice of cancellations. The Interpreter is there as a supplement to the classroom experience, not as a substitute. If a student misses class, he or she needs to meet with the instructor for follow-up. Interpreters are not responsible for the student’s absence or their academic responsibilities.

B. Student Responsibilities-
1. Students are responsible for contacting the Counselor/DSP in advance if an Interpreter is needed. On the first day of class or in any new situation, please identify yourself to the Interpreter.
2. You are responsible for being on time for all classes, labs, and meetings.
3. Students are encouraged to sit in a place that provides the best lighting, distance, background, and angle for seeing the Interpreter.
4. If you have any questions relating to class materials, ask the instructor.
5. Personal conversations with the Interpreter should not occur during the class, but before or after the class.
6. If you have difficulty understanding the Interpreter, discuss it with that person. If this does not resolve the problem, contact the Counselor/DSP.
7. If your Interpreter does not come to class, notify the Counselor/DSP that he or she has failed to show up.

Let your Interpreter know if:
1. You plan to be absent or miss a class.
2. Your class is cancelled.
3. There will be a video shown in class.
4. You will be making a presentation.
C. No-Show Policy-
If an Interpreter has been requested and you know that you will be unable to attend class, you should provide the Counselor/DSP with at least 48 hours advance notice so that the Interpreter can be informed. In limited circumstances, such as student illness, students may not be able to provide 48 hours notice. In this circumstance, any advance notice is considered sufficient. Failure to provide any advanced notice is considered a "No-Show". To give advance notice a student may:
1. Call the Counselor/DSP and speak either in person or leave a message OR
2. Send an email to the Counselor/DSP notifying of the absence

Failure to provide the Counselor/DSP with notice will result in the following actions:

1. First "No-Show": A first warning letter will be sent to remind the student of the policy and appropriate procedures.
2. Second "No-Show": A second warning letter will be sent to the student informing the student that they have two "No-Shows". In addition, the letter will remind the student of the policy and appropriate procedures.
3. Third "No-Show": Interpreting services will AUTOMATICALLY BE SUSPENDED and a letter will be sent to the student informing the student of the policy and the appropriate procedure. SERVICES WILL REMAIN SUSPENDED until the student makes an appointment and meets with Counselor/DSP to reinstate services. Reinstatement will require the student to explain his or her actions and communicate a renewed commitment to attending classes and other school events as expected.
4. Exception to the "No-Show Policy": If three (3) or more "No-Shows" occur within the same two week period, services will automatically be temporarily suspended and a letter will be sent to the student informing the student of the policy and the appropriate procedures. The services will remain suspended until the student makes an appointment and meets with the Counselor/DSP.

Counseling - Services for Students with Disabilities
East Georgia State College is committed to assisting students in attaining their highest potential by providing reasonable academic accommodations for those students with various learning, physical and/or psychological disabilities. Services presently available include counseling, liaison with faculty/staff, access to technology, and referral to other services. For assistance, please contact the Disability Services Provider in the JAM Student Services Complex on the Swainsboro campus at 478-289-2039, Augusta students are encouraged to call 478-289-2039 or in Statesboro at 912-688-6912.

It is the responsibility of the student to make known to the college their need for accommodations.

Students must consult with their instructors as to barriers to completing a course and make known to instructors any accommodations that have been awarded. Students must notify the testing department ahead of time if accommodations have been awarded when taking institutionalized tests such as the Compass test(s). Students must contact the Disability Service Provider when needing accommodation for a disability or when having problems with receiving granted accommodations.

Process for Special Accommodation: Student must first contact the Disability Service Provider to disclose the disability and request for special accommodations. Student must provide documentation of the disability in the form of professional assessment. It may be necessary for the student to be retested if the psychological evaluation is more than three years old or does not meet Board of Regents criteria for that classification of disability. If providing special accommodations is warranted, the student will work with the Disability Service Provider to arrange appropriate accommodations with each instructor.

Disabilities continued: In compliance with the requirements of the Americans with Disabilities Act (ADA), it is the policy of the college that it does not discriminate against an individual on the basis of his or her disability, as covered under the ADAAA and section 504 of the Rehabilitation Act of 1973. We also affirm that all programs of the college are open to regularly admitted students without regard to disability. No students will be denied access to any program or to any administrator or faculty person because of the
person’s disability. Any person, employee, or job applicant who has a complaint or grievance in regard to the ADAAA and section 504 of the Rehabilitation Act of 1973 should contact the Vice President for Business Affairs.

**Criminal Background Investigation Procedures**
East Georgia State College will require a Background Investigation Committee for applicants and former students that self-declare on the Admissions Application that they have been convicted of a crime other than a traffic offense or have current criminal charges pending, students in the Teacher Education program of study, EGSC students applying for employment as a Post-Secondary Readiness Enrichment (PREP) tutor, EGSC tutor, EGSC students applying to a Study Abroad program or any student who applies to live in on-campus housing.

**Declaration to Change Campus Location**
At the time students apply to East Georgia State College they must indicate on the Admission application the site they plan to attend. This information is coded into our Banner system and is used along with the number of credit hours they enroll in to determine the cost of their tuition and fees for any semester. Fees at the Statesboro and Augusta sites are different from the Swainsboro campus and students are responsible for knowing the difference between the two fee structures. If students wish to change from their original or latest assigned location, they must complete and return the “Declaration to Change Campus Location” form to the Registrar’s Office. Approval is required by the Financial Aid Office, Business Office, and the Registrar’s Office and the form must be received no less than two-weeks prior to the start of the semester or two weeks prior to Early Registration for an upcoming semester in which you wish to execute this change. Deadlines are necessary since the Business Office releases a list with the bookstore credit information. The credit information is dependent upon the location the student is approved to attend. A declaration may only be requested once an academic year, which is three consecutive semesters. If you wish to request a change at the start of the next academic year, you must complete a new request form. This form is available on the Registrar’s Office website at [http://www.ega.edu/offices/student_affairs/registrars_office/forms_registrars_office](http://www.ega.edu/offices/student_affairs/registrars_office/forms_registrars_office). Students will be notified about the outcome of their request via their Web Mail Account with EGSC.

**Drugs and Alcohol**

**Grade Appeal Process**
If a student does not understand the reason for a final course grade, it is the student’s responsibility to contact the instructor of the course about the final course grade. If after such informal consultation the student does not agree with the basis on which the final course grade was assigned, the student may initiate a formal appeal according to the procedures found under the Policies and Procedures of the College on the President’s Office website at [http://www.ega.edu/policy/final-course-grade-appeal-policy-and-procedure.pdf](http://www.ega.edu/policy/final-course-grade-appeal-policy-and-procedure.pdf).

**Student Appeals Process Following Academic Exclusion**

**Intellectual Diversity**
Members of the faculty are free to express, inside or outside the classroom, opinions on any matter that falls within the field of knowledge the faculty members are employed to teach, subject only to those restrictions that are imposed by high professional ethics, fair-mindedness, common sense, accurate expression, and a generous respect for the rights, feelings, and opinions of others. It is the faculty
members’ scholarship in their disciplines which entitles them to teach. As members of a learned profession and of the academic community, faculty members have an obligation to respect the dignity of others.

Academic Freedom shall be distinguished clearly from constitutional freedom, which all citizens enjoy equally under the law. Academic Freedom is an additional assurance to those who teach and pursue knowledge, and thus, properly should be restricted to rights of expression pertaining to teaching and research within their areas of recognized professional competencies. Beyond this, expressions by members of the academic community carry no more weight or protection than accorded any other citizen under the guarantee of constitutional rights; that is, outside of one’s professional field, one must accept the same responsibility which all other individuals bear for their acts and utterances. In these cases, there is and should be no guaranteed immunity from possible criticism under the guise of academic freedom. However, when a member of the academic community speaks or writes as a citizen, the faculty member should be free from institutional censorship or discipline, but as persons of learning, faculty members should remember that the public may judge the education profession and institution by their utterances. Therefore, the faculty should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should indicate that they are NOT speaking for the institution.

Faculty members are to make every effort to assure unimpeded intellectual diversity in their classes, and they must avoid particularly even the appearance that students who disagree with their views on matters of opinion will in any way be penalized or put at a disadvantage. Students who feel they may have been inappropriately disadvantaged through improper application of intellectual diversity have the right to file a formal complaint. All complaints must be in writing. Students should then direct their attention to the Grade Appellant and Conflict Resolution procedures outlined in the East Georgia State College Student Handbook for further action. In instances where issue is taken with the receipt of grade received from an instructor, student is directed to the Grade Appellant procedures and in all other instances the student is directed to the Conflict Resolution procedure. In the event a student feels uncomfortable discussing the issue with the instructor and dean of the school, the student should go directly to the Vice President for Academic Affairs. The Vice President for Academic Affairs will assist the student in the resolution of appeals, complaints and issues.

**Notification – Convicted Sex Crime Offenders**
Notification to the general public of individuals convicted of sex crimes will be made via the Public Safety page on the East Georgia State College website at [http://www.ega.edu/offices/public_safety](http://www.ega.edu/offices/public_safety).

**Parades, Student Rallies and Gatherings**

**Parking and Transportation Services at EGSC**

**Pets**

**Record Retention, Storage, and Disposal**
The Office of the Registrar shall retain in a secured, fireproof area all records applicable to student enrollment and academic achievement. This office maintains information on the following: student folder information, academic history permanent records, grade information, graduation information, schedule adjustment/registration information, transcript requests, enrollment certification requests, confidentiality requests, Compass and Regents test score information, and Board of Regents report
information.

1. Upon application for admission, applicants are requested to complete an admissions application and supply several types of information. Students must supply transcripts from all institutions previously attended, high school graduation or GED information, and immunization records. SAT and ACT test information may also be provided. This information is placed into the student's folder and housed in the Admissions Office. The student folder is transferred from the Admissions Office to the Office of the Registrar following final registration for a term. Students who apply, but do not enroll, have their folder placed in a suspense file. Each year, the Office of the Registrar will produce a list of students who have not attended the institution for a period of 5 years. These folders are pulled, boxed, labeled by year, and forwarded to the student records archives, which is located in the auxiliary warehouse. This information will be archived for a period of 5 additional years at which time, if the student has not returned, it will be destroyed. Students, who return following the transfer of the student folder information to archives, will have their folder returned to the Office of the Registrar.

2. Prior to Summer Quarter 1997, academic history information was kept on permanent records cards. This information is retained indefinitely.

3. Prior to the Fall 2004, instructors reported grade information for students on grade rolls. This information is recorded into the Banner Student Information System. These hardcopy reports containing grade information are retained indefinitely.

4. The Office of the Registrar maintains a current list of graduates and degree audit information. This information is held indefinitely. This information is also recorded in the Banner Student Information System.

5. Registration schedules are not currently being retained within this office. The Banner Student Information System has within it an audit trail application, which allows for tracking of student registration information. Schedule adjustment information in the form of drop/add cards or withdrawal cards are maintained within the office for a period of one academic year. After this time, this information is removed and destroyed.

6. Transcript request information is maintained for a period of one academic year. Following this time period, this information is pulled and destroyed.

7. Enrollment certification information is maintained for a period of one academic year. Following this time, this information is pulled and destroyed.

8. By federal law, the Family Educational Rights and Privacy Act, students are granted full discretion for disclosure of their academic information to persons or entities other than themselves. Students have the option of requesting that no information, including what is considered directory information, be released to anyone other than themselves. We request that students, who choose this option, complete a Confidentiality Statement. This information is placed into the student's folder and kept until such time as the folder is destroyed.

9. Compass and Regents Test score information is kept indefinitely.

10. Prior to Fall Semester 97, data generated for reporting purposes to the Board of Regents is kept in the vault. Since that time, this information is being stored electronically within this office.

*NOTE: Beginning Summer Quarter 1997, East Georgia State College implemented the student information system, Banner. All registration, academic history and graduation information is maintained within this student information system. Computer Services runs a daily backup at the end of each business day, which is held for one week. This is a complete backup and can fully restore our student information system to operational order.

**Student Rights under FERPA**
This institution is covered by the Family Educational Rights and Privacy Act of 1974 (FERPA) as amended, which is designed to protect the student’s rights with regard to education records maintained by the institution. Under this act, a student has the right to inspect and review education records maintained by this institution that pertain to the student, to challenge the content of records on the grounds that they are inaccurate, misleading or a violation of privacy or other rights, control disclosures of education records with certain exceptions, and the right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. To view East Georgia State College’s complete FERPA policy go to http://www.ega.edu/policy/04-ferpa-notification-of-student-rights-policy.pdf.
GENERAL INFORMATION

Access to Campus Facilities by Outside Groups
Classrooms and lecture halls located in the Academic Building, Luck Flanders Gambrell Building, and Community Learning Center are available for use by certain organizations for general meetings, seminars, banquets, receptions, public forums and other functions suitable to be held on a college campus and not in violation of the laws of the State of Georgia, policies of the Board of Regents and East Georgia State College campus rules. To view the Facilities Use Policy go to http://www.ega.edu/policy/09-campus-facilities-usage-and-scheduling-policy.pdf. Also view East Georgia State College's Free Speech Policy at http://www.ega.edu/policy/09-free-speech-policy.pdf. For more information about use of campus facilities, contact Event Coordinator Angie Williams at 478-289-2367.

Alumni Affairs
Membership in the East Georgia State College Alumni Association is automatically conferred upon all graduates of the institution and is also available to those students who have attended but not graduated. This organization, under the general administrative supervision of the Director of Development and Alumni Relations, was formed after the occasion of the college’s first graduation.

Banner Student Information System
Beginning Fall 2002, all students were granted access to the Student Information System, Banner Web. With a user-id and ‘pin’ number, students are able to access on-line information pertaining to their student record. This includes academic history, directory, financial aid, Regents’ Test Scores and fee payment information. Students are able to request official transcripts and change address information. Students with 15 or more hours of degree credit, no Learning Support or CPC requirements are also able to register themselves on-line. Although advisement is mandatory at EGSC, students who fall into this category may choose not to see an advisor. In so doing, the student accepts the responsibility of completing all degree requirements as outlined in the EGSC Catalog. Periodically, specifically prior to a registration period, students should access their Banner Web Account information and check for holds, which might prevent their registration. Academic, disciplinary and financial holds will prevent a student from registering for courses. Along with this increase in access to student information though, does come some additional responsibility on the part of the student. Please guard your user-id and pin number. With these two pieces of information your student record information can be accessed by anyone!

Behavioral Recommendation Team
The Behavioral Recommendation Team (BRT) exists to help promote the development of a healthy campus community at East Georgia State College. The team, made up of select college employees; (Director of Counseling/Disability Services, Director of Student Conduct, selected personnel from Academic Affairs, Legal Counsel, EGSC Statesboro and Augusta, Public Safety, and Housing), provides support and behavioral response to students, faculty, or staff members displaying varying levels of disruptive, disturbed, or distressed behaviors. This team will provide recommendations for communication, coordination, and intervention. Our goal is to increase communication among faculty, staff, and administration balancing FERPA, HIPAA, and counselor privilege with college "need to know" and emergency communication needs.

For complete policy, please view the Behavior Recommendation Team Procedures under the Policies and Procedures of the College on the President’s Office website at http://www.ega.edu/policy/Behavioral_Recommendation_Team_Procedures.pdf.

Campus Safety Contact Information
In case of an on-campus emergency, or if you are in a college vehicle and an emergency arises, immediately call 911. You must also call the Public Safety Officer on duty at 478-455-0125 (Public Safety Cell Phone Number), which the Public Safety Officer on duty is required to have at all times.

Change of Name and/or Address
It is the student’s responsibility to keep the Admissions and Registrar’s Office notified of any name and/or address change. Unless notified to the contrary, correspondence will be addressed as shown on the student’s application for admission.
College “Cyber” Cafe
Stop by and enjoy the services provided by the college cafeteria. Spring 2007, the dining area was relocated and given a prominent physical location in the JAM Student Center. With a full service grill and menu, even the most distinguished student palate can be accommodated. Computer workstations are available in the “Cyber” area (located in front of the Fall 2011, a full service cafeteria was opened in the Richard L Brown Dining Hall serving lunch and dinner to students, faculty and staff.

East Georgia State College Statesboro
Since 1997, more than 9,700 students have attended East Georgia State College Statesboro (EGSC S). Here, students can enjoy personalized instruction, in smaller classes, with professors who are committed to the field of education. While at EGSC S, students enjoy many of the benefits of Georgia Southern University. EGSC Statesboro students can use the Library and computer labs, attend cultural events, purchase campus meal plans, participate in intramural sport activities, see doctors and nurses at the Health Services clinic, use the RAC (Recreation Activities Complex), attend sporting events, be a member of the Southern Pride marching band, join student clubs and organizations, and more.

Students attending East Georgia State College Statesboro (EGSC S) should remember that they are not Georgia Southern University (GSU) students, though as EGSC S students, they have many of the same privileges and rights on the GSU campus as native students. EGSC S students are required to adhere to the academic and behavioral standards expected of all members of the college and campus communities, and are subject to the rules and regulations of both East Georgia State College and Georgia Southern University.

In the event students find themselves in violation of the GSU Student Code of Conduct, while on the GSU campus judicial proceedings will be administered according to the GSU Student Code of Conduct, which can be found at http://students.georgiasouthern.edu/conduct/files/Code-15-16-table-of-contents-hyperlink-final-for-Adobe-hyperlinks-9.1.15.pdf. Decisions by the GSU Judicial Affairs Office are communicated to, and observed by, East Georgia State College. Additionally, East Georgia State College reserves the right to review conduct code violations and impose their own penalties based on the EGSC Student Code of Conduct, which can be found on page 6 of this document.

The primary focus of EGSC Statesboro has been to provide an option for access to liberal arts post-secondary education to students from the ten county area in and around Statesboro (Appling, Bryan, Bulloch, Candler, Effingham, Evans, Montgomery, Screven, Tattnall, and Toombs). After satisfying all Learning Support and College Preparatory Curriculum deficiency requirements and completing 30 hours of college-level coursework, EGSC-S students are eligible to finalize the transfer process to a university-level institution. As a transfer program, EGSC-S does not currently offer a full complement of courses in Statesboro. Sufficient course alternatives are available to allow fulfillment of transfer requirements. EGSC S offers all Learning Support courses, College Prep Curriculum courses, and select Core Curriculum courses, including: Student Success; English Composition I and II; College Algebra; American History; American Government; Economics; Psychology; Sociology; Spanish I; Art; Music; and Speech Communications. Students attending East Georgia State College Statesboro are also eligible to enroll in health and physical education courses through Georgia Southern University, take online classes through EGSC, and take classes on the main campus in Swainsboro.

President may require. The President may utilize the services of an existing or ad hoc committee in determining the issues involved. Upon notice and hearing, the President of the college may review at any time the recognition of any student organization, or any decision on disciplinary charges against any student organization, and make whatever final disposition of the matter he deems necessary for the best interests of the College.

**Criteria For Maintaining Active Club Status**

1. The Student Government Association and Advisor will meet at the beginning of each academic term and then monthly to provide training regarding policies, procedures, and continuing communications.

If a club goes over three months without any activity, they are considered “inactive.” To fix this status, a club must document an activity has begun and make the Office of Student Life aware of the activity.
5. Each club will keep copies of all forms in their club's file.
6. All clubs submit a schedule of their event and a monthly meeting schedule to the Office of Student Life in order for Student Life to inform and guide students appropriately during the academic year regarding club activities.
