# EAST GEORGIA STATE COLLEGE

## EMPLOYEE HANDBOOK 8/28/14

### *Introduction*

#### *Purpose of Handbook*

The *East Georgia State College Employee Handbook* contains general policies and procedures of the college and the University System of Georgia that applies to **all** East Georgia State College faculty and staff employees. Student employees are directed to the *East Georgia State College Student Employment Handbook* for applicable policies and procedures. Employees are also directed to the following sources for additional applicable policies that may apply:

- *Policies and Procedures of the College located on the President's webpage*
- *East Georgia State College Faculty Handbook*
- *East Georgia State College Statutes*
- *Policy Manual of the Board of Regents of the University System of Georgia* [www.usg.edu/policymanual](http://www.usg.edu/policymanual)
- *Human Resource Administrative Practice Manual* [www.usg.edu/hr/manual](http://www.usg.edu/hr/manual)

EGSC policies are subject to review and change by the Board of Regents and the administration of the college. Employees are directed to the *Policies and Procedures of the College* page located on the President's website for subsequent revisions of this handbook and for the most current versions of all college policies.

The Employee Handbook is not to be interpreted as a contract of employment nor does it guarantee the right to employment. Georgia is an employment-at-will state. In case of any divergence from or conflict with the Bylaws or Policies of the Board of Regents, the official Bylaws or Policies of the Board of Regents will prevail. Interpretations and enforcement of policies in this handbook shall be the responsibility of the Vice President for Business Affairs.

An effort has been made to avoid duplicating information otherwise available in other East Georgia State College publications, such as the *Policies and Procedures of the College*, the *Staff Handbook*, the *Faculty Handbook*, the *East Georgia State College Statutes*, the *Student Employment Handbook* and various benefits booklets. Benefit booklets are issued by the Human Resources Office to all new employees.

Any questions concerning information in this handbook should be directed to your supervisor or to the Human Resources Office.

#### *The Human Resources Office*

The Human Resources Office, located in the Luck Flanders Gambrell building, functions to serve the best interests of both the employees and East Georgia State College. The Vice President for Business Affairs and her/his staff are responsible for implementing college personnel policies, recruiting, position classification, wage and salary administration, orientation, training, employee records, and benefits. If you need information or guidance, please contact the Human Resources Office for assistance.

## *Employment*

#### *Notice of Non-Discrimination (see Policies and Procedures page)*

#### *Re-affirmation of Equal Employment Opportunity and Affirmative Action Policies*

East Georgia State College is committed to providing equal employment opportunity for all persons regardless of race, color, sex, religion, creed, national origin, age, disability or veteran status. Equal opportunity extends to all aspects of the employment relationship, including hiring, transfers, promotions, training, terminations, working conditions, compensation, benefits, and other terms and conditions of employment. Every member of East Georgia State College is expected to uphold this policy as a matter of mutual respect and fundamental fairness in human relations. All East Georgia State College employees are expected to ensure that nondiscriminatory practices are followed.

No person shall, on the grounds of race, color, sex, religion, creed, national origin, age, disability, or veteran status be excluded from employment or participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the East Georgia State College. This policy ensures fair treatment of all employees and applicants as well as compliance with related laws.

Responsibility for ensuring compliance and continued affirmative implementation of the policy is assigned to the Chief Human Resources Officer who is the Affirmative Action Officer for the College. A copy of the East Georgia State College Affirmative Action Plan is available for inspection in the Office of the Chief Human Resources Officer and the College Library between the hours of 8AM – 5PM Monday through Friday, excluding official college holidays.

### ***Americans with Disabilities Act***

The Americans with Disabilities Act of 1990 prohibits discrimination against individuals with disabilities in employment, public services, public accommodations, and telecommunications. Employees or potential employees may self-identify any qualified disability as defined under ADA for which assistance is needed in carrying out their assigned duties. According to the Americans with Disabilities Act Amendments Act of 2008 ("Act") individuals with disabilities are defined as persons who have a physical or mental impairment that substantially limits one or more major life activities, a record of such an impairment, or being regarded as having such an impairment. East Georgia State College will make every effort possible to accommodate any employee or potential employee needing assistance within the definitions of the law.

### ***Ethics Hotline***

East Georgia State College recognizes that an ethical, efficient, and effective work environment is essential to our continuing to successfully accomplish our mission. As a result, we have always placed a high priority on assuring that each member of our college community has the opportunity and means to convey any matter that could compromise that environment. Reporting through your supervisory chain frequently produces the most thorough and timely resolution of a matter and is encouraged. However, other reporting avenues, such as Public Safety, Business Affairs, and Legal Counsel, have been and continue to be readily available. In keeping with our efforts to expand alternatives for reporting matters of significance, we have now added Hotline reporting through a service provided by an independent company, Global Compliance. This service is available 24 hours a day, 7 days a week, and allows faculty, staff, students and visitors the option to voice concerns, and to remain anonymous if so desired. Complaints may be made by phone via a toll free number or via on-line reporting at <https://ega.alertline.com/ecs/welcome>. To publicize this program, all new employees receive a wallet card and brochure with The Hotline program information during New Employee Orientation. Posters are posted in several prominent locations in each EGSC building. For more information see *Ethics and Reporting Hotline Procedures* and *Ethics Hotline Report Line User Roles* on the Policies and Procedures page.

### ***Drug Free Workplace***

East Georgia State College has a clear responsibility to our students and their parents, and also to our employees. This involves providing the very best academic atmosphere for the students and a drug free working environment for all employees. Any element which may hinder the efforts to carry out these responsibilities cannot be tolerated. Employees involved with drugs pose such a hindrance. Therefore, employees should realize that drug-related convictions could lead to termination of employment. East Georgia State College abides by the terms and provisions of the Drug Free Workplace Act of 1988 and the Drug Free School and Communities Act Amendments of 1989 and has adopted the drug-free workplace policy. East Georgia State College has adopted an Alcohol and Other Drug Policy that details its commitment to providing a safe environment for its students, employees, and visitors. To view the Alcohol and Other Drug Prevention Policy see the Policies and Procedures page.

### ***Employee Alcohol and Other Drug Prevention Policy (See Policies and Procedures page)***

### ***General Hiring Procedures for Faculty (see also Faculty Handbook)***

### ***General Hiring Procedures for Classified Employees***

East Georgia State College is an equal opportunity employer, and as such, makes every effort to recruit qualified and diverse applicants for classified vacancies.

The Chief Human Resources Officer, as the EEO Officer for East Georgia State College, is involved in the search process to insure that the proper procedures including affirmative action are involved in the recruiting and hiring procedures. If a department has an available classified position opening, the department head should consult with Chief Human Resources Officer for the proper steps to be taken in order to fill the vacancy.

***Provisional/Probationary Appointments (This policy applies to STAFF employees only)***

All regular classified employees, with the exception of public safety officers pending training, are required to serve the first six months of employment on a provisional basis. At least one evaluation will be completed in the six month provisional period. If the work of the employee is satisfactory, employment will be continued. Should the work not be satisfactory, the employee will be notified in writing at any time prior to the completion of the six-month provisional period and the employee may be terminated at that time without right of appeal.

Transfers to other positions are not made during the provisional period. Temporary employees hired into regular positions are considered new employees and will serve a six-month probationary period beginning with the first work day of regular employment.

***Dismissal, Demotion or Suspension (This policy applies to STAFF employees only)***

Dismissal, demotion or suspension of classified employees may be initiated by the employee's immediate supervisor when the supervisor determines that the employee's performance of duty or personal conduct is unsatisfactory.

Any employee who is convicted of the unlawful manufacture, distribution, sale, use or possession of a controlled substance, marijuana, or other illegal or dangerous drug, or who admits guilt of any such offense in a court proceeding, shall be suspended for not less than two months or dismissed after compliance with procedural requirements set forth below. Such employee shall be required as a condition of re-employment following suspension to complete a drug abuse treatment and education program approved by the President of the institution.

The employee shall be informed in writing of the reasons for the action taken and granted a reasonable opportunity (not less than five working days) to respond to the next highest authority prior to the effective date of the action; however, under emergency circumstances when immediate action is necessary, the employee may be forthwith dismissed, demoted, or suspended, with or without pay, by the immediate supervisor, pending a review by the next highest authority.

Any such employee shall also be entitled to the procedural protections of a hearing before a Board of Review convened pursuant to the Grievance/Appeals section of this handbook upon request made within 15 working days following the adverse personnel decision of the immediate supervisor, provided that the Board of Review hearing may take place either before or after the effective date of the personnel decision in question.

If, prior to arrest for an offense involving a controlled substance, marijuana, or a dangerous drug, an employee notifies the immediate supervisor that he/she illegally uses a controlled substance, marijuana, or a dangerous drug and is receiving or agrees to receive treatment under a drug abuse and education program approved by the President of the institution, such employee shall be retained by the college for up to one year as long as the employee follows the treatment plan. Retention of such employee shall be conditioned upon satisfactory completion of the program. The employee's work activities may be restructured if, in the opinion of the immediate supervisor, it is deemed advisable. No statement made by an employee to a supervisor or other person, in order to comply with this policy, shall be admissible in any civil, administrative or criminal proceeding as evidence against the employee. The rights herein granted shall be available to a college employee only once during a five-year period and shall not apply to any such employee who has refused to be tested or who has tested positive for a controlled substance, marijuana, or dangerous drug.

An employee who has been dismissed or suspended without pay and is later reinstated shall be entitled to recover back pay unless the President or his designee determines otherwise.

Georgia is an employment-at-will state.

***Volunteer Program Policy (see Policies and Procedures page)***

Volunteers are a vital component of the programs and services at East Georgia State College. Volunteers are usually identified through the department needing assistance and requested by the department head. All requests are made and approved through the Office of Human Resources as stated in the above policy.

***Filing Applications (This policy is under revision; the current policy appears below)***

An application must be completed by each person formally applying for a position at East Georgia State College. All applications are submitted and retained through an online application system. The online application system keeps the job applicant information up to date and confidential while expediting the hiring process. Applicants that need ADA accommodation can contact the Office of Human Resources for assistance. Applications are accepted only for open positions and will be returned to the applicant if there are no current position openings. When an applicant is hired, the application is retained in the employee's permanent file. Additional application materials such as resume, vita, may be required depending on the position and will be noted in the job advertisement and may be attached to the on-line applications. ***Disqualification of Employment (This policy is under development; see USG BOR policy)***

***Background Investigations***

It shall be a condition of employment with East Georgia State College to submit to a background investigation. Offers of employment shall be conditional pending the result of the background investigation, which shall include, at a minimum, the following:

- A state and federal criminal history check covering a minimum of seven (7) years;
- A nationwide sex offender search;
- A social security number check; and
- For all professional, faculty and academic positions, an academic credentials check.

Offers of employment for positions of trust may be conditional pending the result of a state and federal criminal history check covering more than the minimum of seven (7) years. Positions of trust are those that involve interaction with children, after-hours access to facilities, access to financial resources or that have been otherwise identified by the hiring official to require a more extensive background investigation.

A background investigation shall also be performed on any existing employee being transferred, reassigned, reclassified or promoted to a position of trust unless a background investigation conforming to this procedure has been performed on such employee on or after July 1, 2002.

***Credit Inquiries (This policy is under revision; the current policy appears below)***

Credit histories will be conducted on individuals applying for positions of trust, (working with children, master keys to facility, or responsibility of money, including, but not limited to, Purchase Cards). Any existing employee that is transferred, reassigned, reclassified or promoted into a position of trust must submit to a credit check.

The Background Investigation Committee will be responsible for reviewing background checks and credit history checks, applying Board of Regents policies to the background investigation reports and any supporting materials to determine suitability for hire. The policy and procedure is set forth in the Human Resources Administrative Practice Manual for University System of Georgia employees: [http://www.usg.edu/hr/manual/background\\_investigation](http://www.usg.edu/hr/manual/background_investigation)

***The Employee***

East Georgia State College recognizes that its employees are important and fairness to all determines the relationship of the college to its personnel.

East Georgia State College's policy is to employ those persons who are best qualified based on ability, skill, experience, training, character, and physical condition, regardless of race, color, sex or creed. The college provides working conditions, salaries, and benefits that will attract and retain competent employees.

The employment of all persons under the age of 18 years shall be in compliance with the regulations of the U.S. Department of Labor.

### ***Conditions of Employment (This policy is under revision; the current policy appears below)***

All new employees must complete the following:

- ✓ A Security Questionnaire/Loyalty Oath required by the State of Georgia which is retained in the permanent files of the college;
- ✓ Federal and Georgia tax withholding forms;
- ✓ Where applicable, application for the Teachers Retirement System of Georgia and other optional benefit forms.
- ✓ Proof of identity and employment eligibility for compliance with the Federal Immigration Reform and Control Act must be presented within three (3) business days of beginning work. If the employee is authorized to work, but are unable to present the required document(s) within three business days, the employee must present a receipt for the application of the document(s) within (90) days. Failure to do so may result in termination of employment. East Georgia State College participates with E-Verify and will provide the Social Public Safety Administration (SSA) and, if necessary, the Department of Homeland Public Safety (DHS), with information from each new employee's Form I-9 to confirm work authorization;
- ✓ Completion of the USG Ethics Training, an on-line annual training requirement on the USG Ethics Policy.

### ***Employment of Relatives (This policy is under revision; the current policy appears below)***

The basic criteria for the appointment and promotion of classified employees shall be appropriate qualifications and performance as set forth in the policies of the Board of Regents. Relationship by a family or marriage shall constitute neither an advantage nor a disadvantage.

No individual shall be employed in a department or unit under the supervision of a relative who has or may have a direct effect on the individual's progress, performance, salary, or welfare. For the purpose of this policy, relatives are defined as husbands and wives, parents and children, brothers, sisters, and in-laws of any of the foregoing.

### ***Employment of Foreign Nationals (This policy is under development; see USG BOR policy)***

### ***Employment beyond Retirement***

When an individual retires from the University System of Georgia and is receiving benefits from the Teachers Retirement System of Georgia (TRSGA) or the Optional Retirement Plan (ORP), he/she shall not be re-employed by the University System without the prior approval of the Board of Regents.

To view the full policy: [http://www.usg.edu/hr/manual/employment\\_beyond\\_retirement](http://www.usg.edu/hr/manual/employment_beyond_retirement)

### ***Orientation (This policy is under revision; the current policy appears below)***

A major responsibility of the supervisor is to provide orientation of the job to each new employee, provide adequate tools and resources, and to be available for training job specifics as needed. This means explaining the nature of the job to be done and the usual work methods. New employees shall be responsible for reading and familiarizing themselves with the contents of this handbook.

### ***Issuance of Keys (This policy is under revision; the current policy appears below)***

Keys to buildings or offices are issued by the Human Resources Office. Each employee must sign for the key(s) received and the keys become the responsibility of the employee. Keys may not be duplicated, loaned, or transferred to another individual or another employee. All keys must be turned in to the Human Resources Office upon a change in office location or termination of employment. Failure to do so may result in a delay of final payment of wages. Employees may be subject to a replacement cost for lost keys.

### ***Working Conditions***

One of the most important aspects of employment to both the employee and the employer is working conditions. The college makes every effort to provide an atmosphere that enhances individual development and job enrichment.

In general, the policy in this area is one of common courtesy and understanding. The college must always strive to understand the needs of the employees, and likewise, each employee should realize the role he or she plays in the overall goals of the college.

All policies have been established to create a cooperative working environment for both the college and the employee.

### ***Courtesy***

One of the most important parts of a job is to be courteous at all times to everyone whether in face-to-face contact, by telephone, by letter, or any other electronic media. Proper behavior includes promptness, efficiency, cooperation, and impartial treatment of faculty, students, the public and fellow employees. It also includes recognition of lines of authority and a friendly attitude toward co-workers.

### ***Appearance***

Most employees of East Georgia State College interact with visitors to campus and the general public both in the performance of their job responsibilities and also during their off-duty hours. Actions and appearance of our employees may influence other people's perception of the college. Employees should dress appropriately for their position. Be neat, clean and well-groomed at all times. By having these qualities, employees will make a favorable impression on those they meet and serve in the performance of their duties.

### ***Personal Life***

Social events and personal business should be planned or discussed at times other than during working hours.

### ***Telephone, Equipment, and Software Utilization***

Prompt, courteous answers to telephone calls and voice mail messages are very important. Telephone manners should always reflect a professional demeanor. College telephone lines must be kept clear for business use. Personal calls during business hours should be limited and, whenever possible, made during the employee's lunch period. Except in the case of an anticipated emergency, personal cell phones should be on mute or vibrate so as not to disturb other or interfere with work. Excessive personal telephone use will result in disciplinary action. Personal long distance calls may not be charged to the college, as this constitutes a misuse of state funds. Other college equipment, such as fax machines and e-mail are also for college business only. Employees are expected to comply with the Information Technology Policies and Procedures found on the EGSC intranet and use their college assigned electronic mail account responsibly and in compliance with state and federal laws. All employees shall use software only in accordance with EGSC's license agreements. Any duplication of copyrighted software is a violation of federal law and EGSC policy. Questions regarding software policies for the college may be directed to the Office of Information Technology.

### ***Confidential Information***

In the performance of their duties, some employees must deal with confidential information. Such information should not be discussed or made available to anyone until it has been approved for release by the proper authority. Certain college records are strictly confidential.

### ***Georgia's Open Records Act***

As an employee of East Georgia State College, you should know that certain information maintained by the institution about you and your employment record is considered to be a matter of public record and is subject to the Open Records Act of the State of Georgia. This means that any citizen of Georgia may request access to certain information contained in your personnel file without your knowledge or consent. Open records requests are filed with the Office of External Affairs. Although some information is excluded by law and cannot be accessed under provisions of the Open Records Act, your employment and salary history and performance evaluations are among the material that may be available for review. Information regarding Georgia's Open Records Act can be obtained at the Office of the Attorney General of the State of Georgia at: [law.ga.gov/open-government](http://law.ga.gov/open-government).

## ***Children in the Workplace***

East Georgia State College values family life and has employment policies and benefits that are supportive of families. While the college seeks to focus on providing an environment open to work and family issues, the workplace should not be used in lieu of a child care provider. East Georgia State College believes that it is inappropriate for minor children or other minor relatives of an employee to be in work areas during work hours for several reasons: the potential liability to the college, risk of harm to the children, and decreased employee productivity due to distractions and disruptions. Therefore, it is the policy of the college that minor children or other minor relatives of employees not be present at the employee's workplace – for example, office, classroom or shop area – in lieu of other child care arrangements during the employee's work hours.

This policy is not intended to prohibit children or other family from the campus when the purpose of their visit is to attend classes or to participate in activities specifically scheduled for their benefit, such as summer camps, activities or programs.

## ***Pets Policy (see Policies and Procedures page)***

## ***Service Animal Policy (see Policies and Procedures page)***

## ***Telework Policy (This policy is under revision; the current policy appears below)***

East Georgia State College allows teleworking and flextime, on a voluntary basis, to employees who fill job classifications/positions that have been designated as eligible for telework and/or flextime. The Telework and Flextime program is an employer option, not an employee right and is appropriate only when it results in a benefit to the institution. Telework and/or flextime may not be suitable for all employees and/or positions. East Georgia State College may implement teleworking and/or flextime as a work option for certain eligible employees based on specific criteria and procedures consistently applied throughout the department. To view the full policy: [http://www.usg.edu/hr/manual/teleworking\\_flextime\\_policy](http://www.usg.edu/hr/manual/teleworking_flextime_policy)

## ***Employee Travel (see Business Procedures Manual on Policies and Procedures Page)***

Travel by employees on official business is covered by regulations relating to reimbursement for reasonable and necessary expenses. Employees required to make official trips should understand the regulations by consulting with their supervisor and/or the Business Office. Employees are required to complete a *Request for Authority to Travel* form that is to be approved by their supervisor and then forwarded to the Business Office. The request form is then attached to the *Travel Expense Statement* form by the Business Office when the expense statement is submitted for payment. As state employees, employees of the college qualify for exemption of hotel/motel excise taxes while on official business within the State of Georgia. The tax exemption forms may be obtained from the EGSC Intranet or the Business Office. Travel regulations can be found on the President's webpage under Policies and Procedures of the College

## ***Fleet Management and Motor Vehicle Use Policy (see Policies and Procedures Page)***

[http://www.ega.edu/offices/presidents\\_office/policies\\_and\\_procedures\\_of\\_the\\_college](http://www.ega.edu/offices/presidents_office/policies_and_procedures_of_the_college)

## ***Outside Occupational Activities***

An EGSC employee should avoid actual or apparent conflict of interests between his or her college obligations and his or her outside activities. Outside activities include occupational, consulting and other outside or second employment, and political activities. Outside activities are distinguished from service activities in that service constitutes all faculty and staff activities linked to academic specialty, faculty status, or professional/personal skills which promote the mission of the department, college, system or larger community. In general, compensated outside activities will not be considered service if the department chair or administrative supervisor determines that these activities interfere with the faculty or staff member's primary duties and/or are not of a professional nature nor in the employee's discipline or profession.

**Consulting and Other Outside Employment:** While the primary mission of East Georgia State College is undergraduate teaching, it shall be considered reasonable and desirable for faculty and staff members to engage in consulting activities, so long as such activity does not interfere, conflict or detract from the faculty or staff member's primary responsibilities at EGSC. Consulting and other outside employment is defined for purposes of this policy as any additional activity beyond duties assigned by the institution, professional in nature and based in the appropriate discipline for which the individual receives additional compensation during the contract year.

Faculty and staff must present a plan for reimbursing the institution for use of the institution's personnel, facilities, equipment and/or materials consistent with rates charged outside groups or persons, if work is to occur simultaneously with faculty and staff work hours.

Prior approval of the President or his/her designee must be obtained before employment is accepted. EGSC employees must clearly indicate the nature, scope and duration of outside work so that conflicts of interest can be identified and avoided.

**Political Activities:** As responsible and interested citizens in a democratic society, East Georgia State College employees are encouraged to fulfill their civic obligations and otherwise engage in the normal political processes of society. Nevertheless, it is inappropriate for College personnel to manage or enter political campaigns while on duty to perform services for the College or to hold elective political office at the state or federal level while employed by the College. Therefore, the following policies governing political activities are hereby adopted:

- Employees may not manage or take an active part in a political campaign which interferes with the performance of duties or services for which he or she receives compensation from the College.
- Employees may not hold elective political office at the state or federal level.
- A candidate for or holder of an elective political office at the state or federal level may not be employed or hold a faculty, staff, or other position at EGSC, with or without compensation.
- Employees seeking elective political office at the state or federal level must first request a leave of absence without pay beginning prior to qualification as a candidate in a primary or general election and ending after the general or final election. If elected to state or federal office such person must resign prior to assuming office.
- Employees may seek and hold elective office at other than the state or federal level, or appointive office, when such candidacy for or holding of the office does not conflict or interfere with the employee's duties and responsibilities to the College.

***Political Activities on Campus (This policy is under development; the current policy appears above)***

***Progressive Discipline (This policy is under revision; the current policy appears below)***

Progressive discipline is a process that identifies job-related behavior that does not meet expected and communicated policy and/or performance standards. The progressive discipline process is to be corrective and constructive in resolving issues. This process assists the employee in understanding the performance problem and provides the opportunity for the employee to correct the behavior.

Disciplinary action can range from oral warnings to immediate discharge. Our general policy is to take disciplinary steps in the following order:

- **Oral warning(s)**  
Oral warnings may take place between employees and managers/supervisors in situations that are deemed less serious in nature. A verbal warning is a notation made by your manager/supervisor of the time, date, and circumstances of a situation, which had been discussed with the employee. It does not become a permanent part of the employees personnel file unless the problem continues.
- **Written reprimands(s)**  
Written reprimands take place between a manager/supervisor and the employee when the behavior of the employee is: a repeated violation and verbal counseling has been administered; failure to improve after receiving one or more verbal warnings regarding poor performance or productivity, or break a major work rule for the first time. A written reprimand is written by the manager/supervisor and reviewed by the Chief Human Resources Officer. The reprimand is discussed privately between the employee, manager/supervisor, or other designated official.
- **Suspension**  
An employee will be suspended with or without pay, dependent upon circumstances, when he/she engages in conduct that justifies a suspension or the employee engages in unacceptable behavior during the period that a written warning is in effect. Suspensions may vary in length, according to the severity of the offense. A suspension is recommended by the manager/supervisor and reviewed by the Chief Human Resources Officer.  
Suspension notices should indicate the reason(s) for the discipline, the specific dates of the suspension, and the employee's right to appeal.
- **Termination**  
An employee's employment may be terminated when he/she engages in a conduct that the institution, at its sole discretion, deems is justified. A termination is recommended by the manager/supervisor and reviewed by the Chief Human Resources Officer.

East Georgia State College reserves the right to alter the order described above, to skip disciplinary steps, to eliminate disciplinary steps or to create new and/or additional disciplinary steps.

When selecting the appropriate disciplinary action, East Georgia State College may consider any number of the following things:

- the seriousness of the conduct

- prior history of misconduct
- employment record
- length of employment
- the strength of evidence against the employee
- the ability to correct the conduct
- actions we have taken for similar conduct by other employees
- how the conduct affects East Georgia State College, its customers, and other employees, and
- any other circumstances related to the nature of the misconduct, the employment with East Georgia State College, and the affect of the misconduct on the business of the institution.

East Georgia State College will give those considerations whatever weight is deemed appropriate. Depending on the circumstances, may give some considerations more weight than other considerations or no weight at all.

The following are examples of actions that can result in disciplinary action or discharge: (Should this list be included? This is the same list for Disruptive Behavior Policy)

- Insubordination
- Theft
- Discourteous behavior
- Entering an unauthorized area at any time
- Wasting materials
- Willful violation of safety regulations
- Continued failure to perform assigned duties
- Negligence
- Falsifying records, reports, or information
- Intoxication or drinking alcohol on the job
- Failure to report an absence or reason for absence
- Habitual absence or tardiness
- Unauthorized absence from assigned work area
- Interfering with the work performance of another employee
- Willful damaging of equipment or property
- Gambling
- Sleeping while on duty
- Drug-related charges

#### Appeal by Employee

Employees may seek review of the College's action taken under the Progressive Discipline Policy by his or her first and second line supervisors. If this fails to resolve the matter, the employee is directed to the Conflict Resolution Policy, Grievance Policy Dismissal, Demotion or Suspension Policy, and to appeal to the Board of Regents.

Employment is a mutual consent of the employee and East Georgia State College; this policy does not change this consent. East Georgia State College can terminate the employment relationship at will, at any time, for any lawful reason, including reasons not listed above; dependent on specific circumstances and the severity of the conduct. The employee has the right to end his/her employment at any time.

#### ***Resignations (This policy is under revision; the current policy appears below)***

Employees who resign for any reason should give their supervisor and the Human Resources Office as much notice as possible. The expected notice is two weeks, but a longer or shorter period of time may be agreed upon in writing between the supervisor and the employee. An employee who resigns with proper notice is entitled to all benefits due.

#### ***Reduction in Force (This policy is under revision; the current policy appears below)***

The University System of Georgia is committed to providing stable employment for its employees; however, East Georgia State College shall have the authority to determine the appropriate staffing levels to meet the mission of the institution. East Georgia State College, in its sole discretion, may add positions or change positions where necessary to meet the mission of the institution, and may eliminate positions that are no longer critical to the mission of the institution. Situations such as lack of funding, lack of work, or reorganization may require a reduction in the workforce. In the event of a reduction, East Georgia State College is responsible for

retaining the staff necessary to preserve excellence. If administration has determined that a workforce reduction will not occur for a particular situation, this policy shall not be utilized.

### ***Exit Interview***

All regular employees who are terminating their employment must participate in an exit interview conducted by the Human Resources Office. At that time, employees will receive all pertinent information regarding their separation, complete all necessary paperwork, and return any cards, keys or other institutional property to the college. This interview also will give employees an opportunity to complete an on-line exit questionnaire to express their feelings about their employment experience at East Georgia State College.

## ***Classification, Compensation, and Payroll***

### ***Types of Employment (This policy is under revision; the current policy appears below)***

There are two types of employment: *regular* and *temporary*. A *regular* employee is employed continuously for more than six months. A *temporary* employee is employed for a period no longer than six months under Board of Regents policy provisions.

Temporary employees may be reappointed at the end of their period of employment for another period of not more than six calendar months. Such a reappointment is subject to approval by the Vice President for Business Affairs. Once an individual has served as a *temporary* employee for a twelve month period, he/she shall not thereafter be employed as a *temporary* employee until a period of thirty calendar days has elapsed.

The reappointment of a temporary employee does not automatically change the status of the employee from temporary to regular. When the status of an employee is changed from temporary to regular, the employee will be notified by the appropriate department head and the Human Resources Office.

All casual laborers shall be classified as temporary.

Certain benefits contained in this handbook are not applicable to employees classified as temporary. Policies pertaining to student employees are covered in the *Student Employee Handbook*.

### ***Position Classification (This policy is under development; see USG BOR policy)***

### ***Entrance Salary (This policy is under development; see USG BOR policy)***

### ***Salary Increase Administration Process (This policy is under development; see USG BOR Policy)***

### ***Employee vs. Independent Contractor (This policy is under revision; the current policy appears below)***

### ***Interim and Acting Assignments (This policy is under revision; the current policy appears below)***

### ***Workweek***

The workweek is defined differently according to the employment status of the employee.

#### ***Faculty Employees***

See EGSC Faculty Handbook for current policy.

#### ***Staff Employees***

A minimum work week of forty hours is observed by all full-time staff employees. The requirements of the various operations of the college are diverse and different work schedules may be adopted to meet those needs. The schedules for a given department are established by that department head, subject to the approval of the appropriate administrative officer. Most administrative offices shall be open from 8:00 AM to 5:00 PM, Monday through Friday. Some evening hours may be required in some departments. The standard lunch break will be one hour and established by mutual agreement between the employee and the supervisor.

***Emergency Callback Pay/ Variant Pay (This policy applies to STAFF employees only)***

***This policy is under development; see USG BOR policy)***

***Fair Labor Standards Act (This policy applies to STAFF employees only)***

All non-exempt staff employees are covered by the provisions of this act which, in part, establishes a minimum hourly wage and requires the payment of overtime for work performed in excess of forty hours per week at a rate not less than one and one-half times the employees' regular hourly rate of pay. Overtime will not be paid until an employee has physically worked forty hours in one week, not including holiday, vacation, or sick leave. In lieu of payment for approved overtime work, compensatory time is granted at one and one-half hours for each hour of overtime work. Approved compensatory time is subject to a maximum accumulation of sixty (60) hours and must be expended by the end of the succeeding calendar quarter.

For the purposes of calculating a forty-hour work week, the week begins at 12:01 A.M. Saturday and ends at 12:00 P.M (midnight) the following Friday.

Should any employee be required to work beyond the normal work day, the direct supervisor should make provision for comparable time off to compensate for the overtime within that forty-hour work week. If that is not possible, then such overtime will be recorded on the time records and taken as compensatory time.

The Fair Labor Standards Act also provides that employees of one sex must not be paid wages at rates lower than those paid employees of the other sex for equal work on jobs requiring equal skill, effort, and responsibility which are performed under similar working conditions.

The Fair Labor Standards Act (FLSA) establishes minimum wage, overtime pay, record keeping, and child labor standards affecting full-time and part-time workers in the private sector and in Federal, State, and local governments. The FLSA also allows public employers to provide paid leave programs that may be used by employees to account for their absences from the workplace. Such leave programs do not jeopardize the exempt status of an employee even if leave is reported in hour increments or some variation thereof. Public employers may also dock the pay of an exempt employee for leave taken when the employee's accumulated leave is insufficient to cover the leave without jeopardizing the employee's exempt status.

***Time Records (This policy applies to STAFF employees only)***

Employees subject to the provisions of the Fair Labor Standards Act are required to keep a time record of the hours worked. Employees must clock in and out at a designated terminal or complete appropriate time card.

Time records must be checked for completeness and accuracy and approved by the employee and supervisor. If corrections and approvals are not received by the stated deadline, it is not possible to verify hours and to make adjustments worked for that period. **In this case, the payroll check may be delayed until the following pay date.**

Payroll records are subject to audit and will reflect actual time worked and leave taken. Any intentional falsification of time records may be grounds for termination of employment.

***Attendance***

All employees are advised of their work hours when they accept employment at the college. For the college to maintain a smooth and consistent operation, employees must be conscientious in all areas of their work. For this reason, each employee must report to work at the designated time and remain on duty in accordance with their work schedule.

*Employees or their representatives must notify their supervisor when, in the event of an illness or an emergency they unable to report to work.* If for some reason the supervisor cannot be reached, a call should be placed to the Human Resources Office. Excessive absenteeism and/or tardiness or failure to report the reason for absenteeism affects promotions and can eventually result in termination of employment. Faculty members are directed to the EGSC Faculty Handbook for specific reporting requirements for work absences.

***Breaks***

If the work situation permits, a supervisor may authorize two fifteen-minute breaks, one in mid-morning and one in mid-afternoon. Care should always be taken to see that all work assignments are covered. Such breaks are not mandatory and are a benefit subject to departmental and supervisory needs. An employee may not forego breaks to accumulate extra time off.

***Paydays***

Paychecks (or pay advices) for exempt personnel are issued on the last working day of the month. Non-exempt personnel are paid every other Friday. Any alterations to this schedule that may be needed because of holidays will be communicated by the Human Resources Office or the Payroll/Business Office. Advices can be obtained through the Employee Self Service portal; link to portal can be found on the Human Resources website. Please review the information to make sure the proper deductions have been made. If an error is found or there are questions, please notify the Human Resources Office or the Business/Payroll Office immediately.

East Georgia State College is authorized to withhold paychecks or deduct from paychecks amounts owed by employees for any fines, penalties, or other financial obligation to the college.

### ***Direct Deposit***

As a condition of employment, East Georgia State College employees must participate in direct deposit of their paychecks unless otherwise exempted by the Vice President for Business Affairs.

### ***Deductions from Salary***

There are certain amounts that, by law, must be deducted or withheld from your paycheck. Among these may be federal or state income tax, Social Security/Medicare taxes, and applicable retirement contributions. All deductions will be explained during your orientation session with the Human Resources staff.

Employees eligible for benefits may elect certain benefits offered by the college in the form of insurance, tax-sheltered annuities, credit union, or various charities or contributions. These benefits will be explained during orientation and are subject to change as the institution or Board of Regents deems necessary.

### ***Garnishments and Other Legally Mandated Deductions***

East Georgia State College considers the acceptance and settlement of just and honest debts to be a mark of personal responsibility. Failure to meet personal financial obligations causes discredit to the college. The college is required by law to accept and process garnishments served by officials of a court of law. However, repeated instances of default in payment by the employee after appropriate counseling shall be considered sufficient grounds for disciplinary action, up to and including termination.

Other mandated payments such as child support, tax levies, educational loans, etc. may be deducted from an employee's salary upon receipt of official notice from the appropriate agency.

### ***Promotions (This policy applies to STAFF employees only; Faculty employees see Faculty Handbook) (This policy is under revision; the current policy appears below)***

Regular employees, after completing the provisional period of employment, will be eligible for promotion to a higher position within the college. Salary advancements and promotions are based on merit. Whenever practical, vacancies are filled by the promotion of current qualified employees. A promotion is the shift of an employee from one position to another having more responsible duties or involving more skill (higher classification). To be eligible for promotion, an employee must meet the qualifications required by the open position and must follow the application procedures as outlined in the advertisement for the position. When positions become available, Human Resources will post a notice on the Human Resources webpage and advertise in the local or area newspapers.

Promotional salary increases are contingent upon the availability of funds and must be approved by the appropriate supervisor and the Vice President for Business Affairs. Promotional salary increases must be managed within the established institutional salary budget. It is important to note that almost every promotion is unique and factors affecting them will vary. Common factors to consider are:

- Number of salary levels promoted
- Salaries of current employees in the same or closely related positions

When an employee's present job is reclassified to a higher grade level, the employee shall be eligible for a promotional increase at the next authorized salary adjustment date or upon special approval by the President.

### ***Transfers (This policy is under revision; the current policy appears below)***

Transfers must be based on mutual agreement between departments or between institutions of the university system. A departmental transfer is the shift of an employee from one position to another of the same classification or to one with comparable skills and in the same general pay range.

Upon movement of an employee between institutions of the university system, accumulated sick leave, retirement, and other applicable benefits and service continuity will be transferred if there is no actual break in service. Use or transfer of accrued vacation leave will be based upon mutual agreement of the institutions involved and in accordance with the Board of Regents' policies. Employees transferring to East Georgia State College who have more than twenty days of accrued vacation leave at another USG institution may request their departing institution to either transfer the total accrued leave not to exceed forty-five days or make payment for accrued vacation leave greater than twenty days, but not to exceed twenty-five days.

### ***Changes in Status***

It is the employee's responsibility to notify the Human Resources Office of changes in name, address, telephone number, tax exemptions, etc. in order to maintain current personnel records. It is vital that an emergency contact be maintained in the personnel file in the event of an accident or injury to the employee during working hours.

## ***Employee Relations***

### ***Performance Evaluations (This policy is under revision; the current policy appears below)***

East Georgia State College requires that each employee be evaluated on total performance at least once every twelve months. The evaluation is completed by the employee's supervisor, and the employee is provided with a copy of the evaluation. The evaluation will include achievements in the performance of the specific job responsibilities associated with the position as well as suggestions for improvements. The performance evaluation is one of the factors in the determination of annual salary increases. As noted for staff employees, in the provisional section, at least one evaluation is completed in the six month provisional period. Faculty are evaluated on additional performance standards related to the position; see Faculty Handbook for more information.

### ***Amorous Relationships Policy (see Policies and Procedures webpage)***

### ***Policy Prohibiting Sexual Discrimination and Harassment (See Policies and Procedures webpage)***

### ***Conflict Resolution Policy (see Policies and Procedures webpage)***

### ***Discrimination and Harassment Policy (see Policies and Procedures Page)***

### ***Disruptive Behavior (This policy is under revision; the current policy appears below)***

While supporting freedom of expression and peaceful dissent, the college, in the interest of orderly operation and preservation of an environment favorable to productive study, has adopted a policy prohibiting disruptive behavior on the part of any student, faculty member, administrator, or employee.

In addition to following the published rules and regulations of the college, it is also expected that accepted customs and standards of courtesy, conduct, and cooperation be maintained.

The following are examples of actions that can result in disciplinary action or discharge:

- Insubordination
- Theft
- Discourteous behavior
- Entering an unauthorized area at any time
- Wasting materials
- Willful violation of safety regulations
- Continued failure to perform assigned duties
- Negligence
- Falsifying records, reports, or information
- Intoxication or drinking alcohol on the job

- Failure to report an absence or reason for absence
- Habitual absence or tardiness
- Unauthorized absence from assigned work area
- Interfering with the work performance of another employee
- Willful damaging of equipment or property
- Gambling
- Sleeping while on duty
- Drug-related charges

***Internal Investigations (This policy is under revision; the current policy appears below)***

An employee of East Georgia State College shall cooperate to the fullest extent possible in any internal investigation conducted by East Georgia State College and or the Board of Regents when directed to do so by persons who have been given investigative authority by the President of the institution. Failure to cooperate fully shall be grounds for adverse personnel action, including possible termination of employment.

***Employee Grievance Policy (See Policies and Procedures Page)***

***Employees Affected by Reorganization, Program Modification or Financial Exigency (see Reduction in Force policy currently under revision and see USG BOR policy)***

***Employment Appeals (This policy is under development; see USG BOR Policy)***

***Gifts and Gratuities (This policy is under revision; the current policy appears below)***

No official or employee of East Georgia State College may accept gratuities, courtesies, or gifts in any form whatsoever from any person or persons, corporations, or associations that directly or indirectly, may seek to use the connection thus formed for securing favorable comment or consideration on any commercial commodity, process or undertaking.

***Stewardship (see USG Ethics Policy)***

Employees of East Georgia State College have a responsibility to be effective stewards of the state's resources. Such stewardship includes prudent and efficient purchasing of supplies and materials, as well as careful use of supplies and equipment. Supplies should not be wasted and office equipment should be given proper care and kept covered when not in use.

Employees are not permitted to use college supplies and equipment for personal reasons.

***Purchase of Goods and Services: Use of College Property***

Employees of East Georgia State College are not allowed to purchase goods or services for personal use through college channels. Nor shall any employee permit any college property to be removed from the campus for private or personal use.

The Business Office will handle all purchasing and receiving of merchandise for the college. Requisitions (departmental requests) for supplies and equipment should be submitted well in advance of need. The Vice President for Business Affairs is the only authorized purchasing agent for the college. Unauthorized purchases or unauthorized receipt of items for the college may result in individual employee liability for the goods. Disciplinary action may result for any employee who fails to abide by these regulations.

## ***Employee Benefits and Services***

### **Time Away from Work**

***Holidays (This policy is under revision; the current policy appears below)***

The college observes twelve paid holidays each year for regular employees working one-half time or more. Temporary employees will not be paid for holidays. Regular employees who work one-half time or more but less than full-time shall earn holidays on a prorated basis equivalent to the percentage derived by dividing the hours worked by the total working hours in the month (2080 working hours per year divided by 12).

The official Academic Calendar is published on the homepage at [www.ega.edu](http://www.ega.edu) and includes a notation of the paid holidays as established each year by the President of the College. Holidays that occur on a Saturday will be observed on Friday, and holidays that occur on Sunday will be observed on Monday.

A terminating employee will not be paid for any official holiday occurring *after* the last working day of employment. A new employee will not be paid for any official holiday occurring *before* the first day of employment. Any employee on approved leave without pay will not be paid for an official holiday. Holidays are in addition to annual leave (vacation) days.

### ***Annual Leave***

Staff employees and 12 month faculty working one-half time or more) earn annual leave in accordance with the following schedule based on full-time equivalency:

- One and one-fourth working days per month (ten hours) for one to five years of continuous employment
- One and one-half working days per month (twelve hours) for five to ten years of continuous employment
- One and three-fourths working days per month (fourteen hours) for ten or more years of continuous employment

In all cases, a day of annual leave will be computed for purposes of pay and time off on the basis of the employee's regular workday. Annual leave is not considered accrued until the end of each month and may not be used until accrued. Leave taken before the last working day of a month will be considered as leave without pay if annual leave was not carried forward from the previous month.

Regular employees who work one-half time or more but less than full-time shall earn and accrue annual leave on a prorated basis equivalent to the percentage derived by dividing the hours worked by the total working hours in the month (2080 working hours per year divided by 12).

Annual leave for new employees (biweekly or monthly) or terminating employees is prorated at the end of the first or last month of employment based upon the number of days worked in the first or final month as a percentage of the total working days in the month.

The maximum accrual of annual leave is forty-five (45) days. On December 31 of each year, each employee's leave record will be adjusted to show not more than forty-five days accrual.

The college reserves the right to require that employees take annual leave in conjunction with a holiday shutdown period or an officially declared shutdown period. Employees not having accrued vacation leave to cover such periods will be charged to leave without pay.

Any annual leave taken by employees must be at times mutually acceptable to the employees and their supervisors. A *Request for Leave* form must be completed and approved by the supervisor three days prior to the taking of annual leave.

All unused annual leave (not to exceed forty-five days) will be paid to the employee upon termination of employment. Terminating employees will not accrue annual leave after the last day of their employment.

Temporary employees and regular employees working less than one-half time do not earn annual leave or sick leave.

No employee will be allowed to take leave without pay unless all annual leave has been exhausted.

***Fair Labor Standards Act Leave (This policy is under development; see USG HRAP Manual)***

***Sick Leave with Pay (This policy is under revision; the current policy appears below)***

The College's sick leave policy allows salary to be continued for all employees working one-half time or more who are incapacitated by illness or injury. Employees should realize that sick leave is a privilege. It is not meant to be used simply to take additional time off the job. Abuse of this privilege is a serious offense and will be considered just grounds for termination.

Employees should notify their supervisor immediately if they are ill and unable to report to work. Employees who fail to notify their supervisor may have the absence charged against their annual leave or it may be considered as leave without pay, depending upon the supervisor's recommendation. Employees suspected of abusing the sick leave privilege may be required to support each absence by a physician's statement prior to having it charged to sick leave.

Regular employees who work full-time shall earn and accrue sick leave at the rate of one working day (8 hours) per calendar month of service. Regular part-time employees working one-half time or more will accumulate sick leave on a prorated basis equivalent to the percentage derived by dividing the hours worked by the total working hours in the month (2080 working hours per year divided by 12). Like annual leave, sick leave is not accrued until the last working day of the month and may not be used until accrued.

Sick leave for new employees (biweekly or monthly) or terminating employees is prorated at the end of the first or last month of employment based upon the number of days worked in the first or final month as a percentage of the total working days in that month. There is no maximum to the amount of sick leave that an employee may accumulate. Sick leave may be granted at the discretion of the college and upon approval of the employee's immediate supervisor for any of the following reasons:

- Illness or injury of the employee
- Medical or dental treatment or consultation
- Quarantine due to a contagious illness in the employee's household
- Illness, injury or death in the employee's immediate family requiring the employee's presence. In the event of death or illness in the immediate family, sick leave with pay may not exceed three working days. *Immediate family* is defined at East Georgia State College as the employee's spouse, children, mother, father, brothers, sisters, grandparents, father-in-law, and mother-in-law.

In all cases, a day of sick leave will be computed for purposes of pay and time off on the basis of the employee's regular workday. All employees are required to submit a *Request for Leave* form prior to taking planned sick leave (i.e., a doctor appointment or a scheduled surgical procedure) or immediately upon the return to work for unplanned sick leave.

If sick leave is claimed for a continuous period in excess of one week (five actual working days), a physician's statement may be required to permit further sick leave with pay. When all accrued sick leave is exhausted, accrued annual leave will *automatically* be used in a continuous absence.

A terminating employee will not accumulate sick leave after the last working day of employment.

HB 203 allows any member of the Teachers Retirement System of Georgia who retires July 1, 1999 or after to establish unused sick leave as service credit under TRS. In order to qualify, retiring employees must have sixty days of sick leave accumulated for which they have not been paid on their retirement date. For each twenty (20) days of sick leave accumulated and unused, a retiring employee will receive credit for one month of service under TRS. Sick leave credit can be used to qualify for retirement, but cannot be used to become vested under TRS. (Note: Any TRS member whose effective date of retirement was July 1, 1998 through June 30, 1999 is not eligible for the full funding and will only be eligible for one month of service for each 40 days of accrued sick leave for which the member has not been paid.)

### ***Sick Leave without Pay***

Any regular employee unable to return to work after exhausting all accumulated sick leave, annual leave, and leave under the Family Medical Leave Act, may request an extension of sick leave without pay for a period not to exceed one year. Such sick leave without pay must be approved by the employee's supervisor, the Chief Human Resources Officer and the President. Approval by the appropriate supervisor for such unpaid sick leave is required and would allow the employee the right to elect continuation of group insurance benefits with the institution continuing its share of the cost. All other benefits which would otherwise accrue to the employee while on unpaid leave are prohibited.

### ***Shared Sick Leave Program***

Employees of East Georgia State College may contribute on a voluntary basis unused sick leave to a pool for possible use by fellow employees who are eligible for and require leave while experiencing a life-threatening or emergency medical condition as defined, and which has caused, or is likely to cause, the employee to take leave without pay. For further information regarding the Shared Sick Leave program, contact the Department of Human Resources.

### **PURPOSE:**

The purpose of the Shared Sick Leave Program is to provide a means for East Georgia State College employees to donate paid sick leave to a leave pool to be used by fellow employees who are eligible for and require leave while experiencing a life-threatening or emergency medical condition as defined, and which has caused, or is likely to cause, the employee to take leave without pay.

**POLICY:**

Employees will be given the opportunity to donate a specified number of hours of sick leave from their sick leave accounts to East Georgia State College's leave pool during the annual open enrollment period for other benefits. The following provisions shall apply:

Only regular benefits eligible employees who have been employed in a benefits eligible position and has completed the East Georgia State College provisional period upon enrollment shall be eligible to participate as either a contributor or recipient. To contribute or receive leave under this program, an employee shall be required to enroll in the pool during the annual open enrollment period established by the Board of Regents.

Any unused shared sick leave not used by a recipient for the catastrophic illness or injury will be forfeited to the Shared Leave pool.

East Georgia State College will designate a Shared Leave Administrator and appoint a committee to review and respond to requests for use of leave from the pool.

A recipient cannot receive shared sick leave with other benefits. (SSI, Disability, Workers Compensation, etc.)

Eligibility for participation shall end upon termination of employment.

Funding limitations may impact eligibility and participation.

Participation in shared leave is voluntary.

East Georgia State College will consider flexibility in this policy in rare and exceptional circumstances involving pandemic emergencies.

This program shall be subject to an annual review and confirmation of continuation.

**Donation of Leave**

Employees will be given the opportunity to donate a specified number of hours of sick leave (in eight (8) hour increments) from their sick leave accounts to the Shared Leave pool during the annual open enrollment period for other benefits by completing a *Donor Transfer Certification* form. The Shared Leave will be transferred to the Shared Leave pool at the same time other benefit elections are effective (normally January 1). An employee who donates leave must retain a combined total of forty (40) hours of leave in his/her own annual and sick leave accounts (pro-rated for part-time employees).

Enrollment in the sick leave pool shall only be allowed during the open enrollment periods conducted during the months of October and November of each year. No employee shall be denied membership in the sick leave pool if the membership criteria are met. A participating employee shall not be allowed to donate to the pool any unused or unpaid sick leave from the employee's personal account at the time of separation from the University System of Georgia, including retirement.

The employee will continue to accrue sick leave during their absence as long as they are paid at least one half of a monthly salary.

**Eligibility for Benefit:**

In order to be eligible to receive Shared Leave, the employee must:

- be a member of the leave pool, and
- have completed the initial provisional period of employment, and
- provide certification from a licensed physician of a life-threatening or emergency medical condition, and
- have exhausted all sick and annual leave (or provide credible medical evidence that he or she will have exhausted all sick and annual leave before the medical condition is resolved).

**Termination of Membership:**

An employee may withdraw from the pool at any time by sending a written request for withdrawal to the Human Resources Officer. Any leave contributed to the pool prior to withdrawal shall be forfeited. When a participating employee withdraws the maximum number of hours for which he/she is eligible, his/her membership in the pool will automatically terminate. The maximum withdrawal amount during a calendar year is 480 hours (12 weeks). To re-enroll, the employee will be subject to the initial enrollment requirements for membership. When a sick leave pool member is eligible for workers' compensation, unemployment, disability or retirement benefits, etc., he/she shall **not** be granted sick leave pool credits.

**Shared Sick Leave Committee:**

The committee will consist of one staff member from Human Resources, one faculty member, and one staff member from a work unit other than Human Resources.

**Application of Benefits:**

An eligible employee may request donated leave by completing the *Donated Leave Request Form*, obtaining a completed *Physician's Certification Form* and submitting these documents to the Donated Leave Certification Committee in care of Human Resources. If the

employee is not capable of making application on his or her own behalf, a personal representative, having documented power of attorney for the employee, may make written application on behalf of the employee by completing the *Donated Leave Request Form*, obtaining a completed *Physician's Certification Form* and submitting these documents to the Donated Leave Certification Committee in care of Human Resources.

A potential leave recipient may request up to 160 hours of Shared Leave at one time, and may make up to two additional requests for Shared Leave within a calendar year, for a maximum total of 480 hours per year within a five (5) year period. The requests may be consecutive.

**Confidentiality:**

Any medical information provided to the Shared Leave Certification Committee, will remain confidential **and** will not be shared except with employees in Human Resources on a need-to-know basis. *Potential leave recipients, their representatives and Shared leave committee members must refrain from using institutional e-mail to solicit leave by revealing a medical condition, as e-mailing of medical information may violate HIPAA privacy guidelines.*

**Approval Process:**

Each request will be reviewed by the Shared Leave Certification Committee. When employees retire from the Teachers Retirement System, they have the opportunity to pursue other employment after retirement.
