Facility Usage

Facilities at East Georgia State College are available for all events within the mission of the college including, but not limited to, meetings, banquets, seminars, workshops, camps, sports events, Vision Series, and EGSC Foundation events. Campus facilities available for usage include all campus buildings in Swainsboro and EGSC Statesboro, all green spaces, all parking areas, Ropes Course, disc golf course, cross country course, tennis courts and other playing fields. Individual speakers and groups desiring to use campus facilities for free expression or political activities are also directed to review the EGSC Freedom of Expression Policy and EGSC Political Activities Policy prior to requesting use of campus grounds or facilities. On campus lodging for participants in multi-day programs may be available on a limited basis during summer semester; please inquire with the EGSC Event Planner. All activities held on campus will comply with the laws of the State of Georgia, the policies of the Board of Regents, and of East Georgia State College. Institutional use of EGSC facilities takes precedence over and has a higher priority than any outside usage of these facilities. Within the institution, instructional needs take priority. Facilities cannot be committed for long-term agreements or future events that extend beyond the academic calendar available at the time of the reservation. All facilities requests, except requests for usage of the Studie A Fulford Community Learning Center, must be made with the Event Planner using the process outlined herein.

Approved student organizations may use campus facilities without charge, subject to prior approval and placement on the college facilities events schedule. Student organizations must obtain prior approval from the Office of Student Life before placing any promotional materials on campus.

Facility Usage Fees and Usage Requirements

Facility usage fees are determined based on the user organization's status, programming, and targeted audience. (See Exhibit 1 -Facility User Fees and Other Requirements). Rental fees will be calculated based on the user's total number of hours of usage and include rehearsal of event, event set up, and actual event and any other pre and post event staging or clean up.

The Facility License Agreement must be completed and deposit payable to East Georgia State College and collected by the Office of Event Planning prior to scheduling of any event on the Campus Master Calendar. Campus hours are Monday thru Friday 8AM to 5 PM. Any event scheduled after business hours may incur additional fees as noted in the Facility License Agreement.
