STUDENT AFFAIRS

Student Affairs at East Georgia State College are dedicated to the promotion of the physical, cultural, and personal development of the individual student. The Student Life program is designed to involve the student in co-curricular and extra-curricular activities of the college, so as to make them an integral part of the total college experience of the student. The functions of Student Affairs are to meet the needs of the individual students; to promote good communication and working relationships among students, faculty, and staff; and to heighten awareness of civic responsibility.

All East Georgia State College students, regardless of their location in attending classes, are required to be conscious of and abide by the policies and procedures outlined in this handbook. Information contained herein applies to all students with regards to rights, privileges, and constraints against certain actions. If you have questions or concerns with any of the information contained in this handbook, please contact the Vice President for Student Affairs for clarification.

Student Conduct Code and Disciplinary Procedure

The EGSC Student Conduct Code applies to student conduct while on and off the campus of East Georgia State College or in association with any event acknowledged by EGSC. The AVP for Student Conduct and Title IX is responsible for enforcing the Code of Conduct and the student conduct disciplinary process. The EGSC Student Conduct Code and Disciplinary Procedure can be found here:

<https://www.ega.edu/about/at-a-glance/policies-and-procedures-of-the-college/04-student-code-conduct-disciplinary-process.html>

Disciplinary Procedures for Student Organizations

Any student or student organization found to be responsible for misconduct on and off East Georgia State College is subject to College sanctions. When a student organization engages in an act of misconduct, EGSC reserves the right to take action not only against the organization but also against the individual student members of the organization. Violation of these policies can have impact for your continued participation as a student at East Georgia State College.

In support of Section 4.6.3 of the Regents Policy Manual concerning the Withdrawal of Recognition of Student Organizations, all student organizations recognized by or using the facilities of East Georgia State College are hereby charged with the responsibility of enforcing compliance with local, state and federal laws by all persons attending or participating in their respective functions and affairs, social or otherwise.

Any student organization which knowingly permits, authorizes, or condones the manufacture, sale, distribution, possession, serving, consumption or use of marijuana, controlled substances, or other illegal or dangerous drugs at any affair, function, or activity of such student organization, social or otherwise, is hereby declared to be in violation of the laws of this state and shall have its recognition as a student organization withdrawn and, after complying with the constitutional requirements of due process, shall be expelled from the campus for one calendar year from the date of determination of guilt. Such organization shall also be prohibited from using any property or facilities of the institution for a period of one year.

**NOTE: The sanctions imposed by these policies shall be subject to Application for Discretionary Review per the Board of Regents Policy 8.6 . An appeal to the Board of Regents shall not defer the effective date of the adverse action against the student organization pending the Board's review unless the Board so directs. Any such stay or suspension by the Board shall expire as of the date of the Board's final decision on the matter.*

INSTITUTIONAL POLICY AND PROCEDURE**Academic Freedom**

As a public system of higher education, EGSC is committed to protecting the academic freedom rights of faculty and students in teaching, research, publishing, and other academic activities. EGSC must vigorously promote the open exchange of ideas and protect academic freedom on campus. Full details of the Academic Freedom Policy can be found in Section H of the Statutes of the College: <https://www.ega.edu/about/at-a-glance/policies-and-procedures-of-the-college/statutes-of-the-college.html>

Bobcat Growl Program

The Bobcat Growl – Complaint System offers you the opportunity to share concerns and/or complaints you may have. Please view the Compliant Policy under the Policies and Procedures of the College on the President’s Office website at <https://www.ega.edu/current-students/student-support/student-complaint-process.html>

Minor Children on Campus

Minor children are not allowed on campus unless they are under the supervision of a responsible party. For complete policy, please view <https://www.ega.edu/about/at-a-glance/policies-and-procedures-of-the-college/04-minor-children-on-campus-policy.html>

Conflict Resolution

The Board of Regents of the University System of Georgia recognizes the benefit of resolving conflicts through alternative means designed to decrease the reliance on adversarial processes and resolve conflicts effectively and fairly at the lowest possible level.

East Georgia State College supports the goals of the “Campus Conflict Resolution Committee” initiative whereby its students may seek timely, equitable, and satisfactory resolutions to their conflicts in an efficient and cost-effective manner preferably at the first indication of a problem.

East Georgia State College encourages students to use the mediation process to resolve conflict. Students whose conflicts are not resolved satisfactorily through Conflict Resolution may seek resolution using the complaint mechanisms appropriate for their conflict as set forth in the policies of East Georgia State College and Board of Regents Policy.

Conflict Resolution is an informal, structured, voluntary, and confidential process where the involved parties meet with one or two trained mediators to work through the conflict at hand. The participants must both agree on the outcome of the process for the conflict to be resolved. The mediator guides and encourages each party through the process but, does not make the final decision unless otherwise arranged to do so. For complete policy, please view the Conflict Resolution policy under the Policies and Procedures of the College on the President’s Office website at <https://www.ega.edu/about/at-a-glance/policies-and-procedures-of-the-college/08-conflict-resolution-policy.html>

Counseling and Testing

Students may seek help at any time by contacting the Counseling and Accessibility Services Office in the JAM. Testing is available to students in determining their career interest and aptitudes. Information and referral are also available for students needing to document an already diagnosed or suspected disability in order to receive accommodations in college. You may contact the Counseling and Accessibility Services office for any questions or for more information at 478-289-2039..

Counseling - Interpreting Services

Students requesting interpreter services are encouraged to ensure that they have submitted appropriate documentation of a hearing impairment. Documentation of a hearing impairment must be from a Licensed

Audiologist. This documentation must include a diagnosis and information as to how the disability impacts the student in an academic environment. Students will be notified when appropriate documentation is on file and may choose to schedule a meeting with the Counselor/Disability Service Provider (DSP) to arrange accommodations and/or services.

Student Requirements

Class attendance is crucial for successful academic completion. When a student who uses an interpreter will be absent from class, notifying the Counselor/DSP is **EXPECTED 48 HOURS PRIOR TO THE ABSENCE**. An email is considered to be sufficient notification. This is crucial when communication facilitators are being paid for their time in class. This timeframe is necessary because most Interpreters require at least 48 hours notice of cancellations. The Interpreter is there as a supplement to the classroom experience, not as a substitute. If a student fails to attend class, he or she needs to meet with the instructor for follow-up. Interpreters are not responsible for the student's absence or their academic responsibilities.

Student Responsibilities-

1. Students are responsible for contacting the Counselor/DSP in advance if an Interpreter is needed. On the first day of class or in any new situation, please identify yourself to the Interpreter.
2. You are responsible for being on time for all classes, labs, and meetings.
3. Students are encouraged to sit in a place that provides the best lighting, distance, background, and angle for seeing the Interpreter.
4. If you have any questions relating to class materials, ask the instructor.
5. Personal conversations with the Interpreter should not occur during the class, but before or after the class.
6. If you have difficulty understanding the Interpreter, discuss it with that person. If this does not resolve the problem, contact the Counselor/DSP.
7. If your Interpreter does not come to class, notify the Counselor/DSP that he or she has failed to show up.

Let your Interpreter know if:

1. You plan to be absent or miss a class.
2. Your class is cancelled.
3. There will be a video shown in class.
4. You will be making a presentation.

No-Show Policy-

If an Interpreter has been requested and you know that you will be unable to attend class, you should provide the Counselor/DSP with at least 48 hours advance notice so that the Interpreter can be informed. In limited circumstances, such as student illness, students may not be able to provide 48 hours notice. In this circumstance, any advance notice is considered as sufficient. Failure to provide any advanced notice is considered a "No-Show". To give advance notice a student may:

1. Call the Counselor/DSP and speak either in person or leave a message OR
2. Send an email to the Counselor/DSP notifying of the absence

Failure to provide the Counselor/DSP with notice will result in the following actions:

1. **First "No-Show":** A first warning letter will be sent to remind the student of the policy and appropriate procedures.
2. **Second "No-Show":** A second warning letter will be sent to the student informing the student that they have two "No-Shows". In addition, the letter will remind the student of the policy and appropriate procedures.
3. **Third "No-Show":** Interpreting services will **AUTOMATICALLY BE SUSPENDED**, and a letter will be sent to the student informing the student of the policy and the appropriate procedure. **SERVICES WILL REMAIN SUSPENDED** until the student makes an appointment and meets

with Counselor/DSP to reinstate services. Reinstatement will require the student to explain his or her actions and communicate a renewed commitment to attending classes and other school events as expected.

4. **Exception to the "No-Show Policy":** If three (3) or more "No-Shows" occur within the same two-week period, services will automatically be temporarily suspended, and a letter will be sent to the student informing the student of the policy and the appropriate procedures. The services will remain suspended until the student makes an appointment and meets with the Counselor/DSP.

Counseling - Services for Students with Disabilities

East Georgia State College is committed to assisting students in attaining their highest potential by providing reasonable academic accommodations for those students with various learning, physical and/or psychological disabilities. Services presently available include counseling, liaison with faculty/staff, access to technology, and referral to other services. For assistance, please contact the Accessibility Services Provider in the JAM Student Services Complex on the Swainsboro campus at 478-289-2039, Augusta students are encouraged to call 478-289-2039 or in Statesboro at 912-623-2400.

NOTE: It is the responsibility of the student to make known to the college their need for accommodations.

Students must consult with their instructors as to barriers to completing a course and make known to instructors any accommodations that have been awarded. Students must notify the testing department ahead of time if accommodations have been awarded when taking institutionalized tests such as the Compass test(s). Students must contact the Disability Service Provider when needing accommodation for a disability or when having problems with receiving granted accommodations.

Process for Special Accommodation: Student must first contact the Disability Service Provider to disclose the disability and request for special accommodations. Student must provide documentation of the disability in the form of professional assessment. It may be necessary for the student to be retested if the psychological evaluation is more than three years old or does not meet Board of Regents criteria for that classification of disability. If providing special accommodations is warranted, the student will work with the Disability Service Provider to arrange appropriate accommodations with each instructor.

Disabilities continued: In compliance with the requirements of the Americans with Disabilities Act (ADA), it is the policy of the college that it does not discriminate against an individual on the basis of his or her disability, as covered under the ADAAA and section 504 of the Rehabilitation Act of 1973. We also affirm that all programs of the college are open to regularly admitted students without regard to disability.

No students will be denied access to any program or to any administrator or faculty person because of the person's disability. Any person, employee, or job applicant who has a complaint or grievance in regard to the ADAAA and section 504 of the Rehabilitation Act of 1973 should contact the Vice President for Business Affairs.

Criminal Background Investigation Procedures

East Georgia State College will require a Background Investigation Committee for applicants and former students that self-declare on the Admissions Application that they have been convicted of a crime other than a traffic offense or have current criminal charges pending, students in the Teacher Education program of study, EGSC students applying for employment as a Post-Secondary Readiness Enrichment (PREP) tutor, EGSC tutor, EGSC students applying to a Study Abroad program or any student who applies to live in on-campus housing. For complete policy on CBI procedures please view: <https://www.ega.edu/about/at-a-glance/policies-and-procedures-of-the-college/04-student-cbi-policy.html>

Declaration to Change Campus Location

At the time students apply to East Georgia State College they must indicate on the Admission application the site they plan to attend. This information is coded into our Banner system and is used along with the number of credit hours they enroll in to determine the cost of their tuition and fees for any semester. Fees at the

Statesboro and Augusta sites are different from the Swainsboro campus and students are responsible for knowing the difference between the two fee structures. If students wish to change from their original or latest assigned location, they must complete and return the “Declaration to Change Campus Location” form to the Registrar’s Office. Approval is required by the Financial Aid Office, Business Office, and the Registrar’s Office and the form must be received no less than two-weeks prior to the start of the semester or two weeks prior to Early Registration for an upcoming semester in which you wish to execute this change. Deadlines are necessary since the Business Office releases a list with the bookstore credit information. The credit information is dependent upon the location the student is approved to attend. A declaration may only be requested once an academic year, which is three consecutive semesters. If you wish to request a change at the start of the next academic year, you must complete a new request form. This form is available on the Registrar’s Office website at <https://www.ega.edu/current-students/academics/change-campus-degree-advisor.html> . Students will be notified about the outcome of their request via their Web Mail Account with EGSC.

Alumni Affairs

Membership in the East Georgia State College Alumni Association is automatically conferred upon all graduates of the institution and is also available to those students who have attended but not graduated. This organization, under the general administrative supervision of the Coordinator of Development and Alumni Relations, was formed after the occasion of the college's first graduation.

Banner Student Information System / Banner Web

EGSC utilizes the Banner Student Information System/Banner Web for various things such as student registration, student fee payment, financial aid processing, request for academic transcripts, storing students' academic history, and more. Students can access the Banner/Banner Web system by logging into the myEGSC web portal, myegsc.ega.edu and selecting the "Banner Web" icon.

Periodically, specifically prior to a registration period, students should access their Banner Web accounts to check for holds, which might prevent registering for courses. Academic, disciplinary and financial holds will also prevent a student from registering for courses. Along with this increase in access to student information though, does come some additional responsibility on the part of the student. With that in mind, please guard / do not share your EGSC student username, student ID number and/or Banner PIN number.

Behavioral Recommendation Team

The Behavioral Recommendation Team (BRT) exists to help promote the development of a healthy campus community at East Georgia State College. The team, made up of select college employees; (Director of Counseling/Disability Services, Director of Student Conduct, selected personnel from Academic Affairs, Legal Counsel, EGSC Statesboro and Augusta, Police Department, and Housing), provides support and behavioral response to students, faculty, or staff members displaying varying levels of disruptive, disturbed, or distressed behaviors. This team will provide recommendations for communication, coordination, and intervention. Our goal is to increase communication among faculty, staff, and administration balancing FERPA, HIPAA, and counselor privilege with college "need to know" and emergency communication needs.

For complete policy, please view the Behavior Recommendation Team Procedures under the Policies and Procedures of the College on the President's Office website at

<https://www.ega.edu/about/at-a-glance/policies-and-procedures-of-the-college/files/12-behavioral-recommendation-team-manual.pdf>

East Georgia State College - Statesboro

Since 1997, more than 16,000 students have attended East Georgia State College - Statesboro (EGSC-S). Here, students can enjoy personalized instruction, in smaller classes, with professors who are committed to the field of education. While at EGSC-S, students enjoy many of the benefits of Georgia Southern University. EGSC - Statesboro students can use the library and computer labs, attend cultural events, purchase campus meal plans, participate in intramural sport activities, see doctors and nurses at the Health Services clinic, use the RAC (Recreation Activities Complex), attend sporting events, be a member of the Southern Pride marching band, join student clubs and organizations, and more.

Students attending East Georgia State College - Statesboro (EGSC - S) should remember that they are not Georgia Southern University (GS) students, though as EGSC - S students, they have many of the same privileges and rights on the GS campus as native students. EGSC - S students are required to adhere to the academic and behavioral standards expected of all members of the college and campus communities and are subject to the rules and regulations of both East Georgia State College and Georgia Southern University.

In the event students find themselves in violation of the GS Student Code of Conduct, while on the GS campus, judicial proceedings will be administered according to the GS Student Code of Conduct, which can be found at: <http://students.georgiasouthern.edu/conduct/student-code-of-conduct/> Decisions by the GS Judicial Affairs Office are communicated to, and observed by, East Georgia State College.
