

East Georgia State College
Teach – Learn Course Evaluation Questionnaire

CRN Number					Directions: ← Use a No. 2 pencil to complete this questionnaire. Do not identify yourself. Write the CRN number for this course in the table to the left and fill in bubbles for the corresponding digits below the number. Presented below are ten multiple choice and five related short answer questions that address five important activities of the teaching and learning process: organize, connect, assist, respond, and think. Use the following scale to respond to the multiple choice questions by filling in the bubble that best matches your opinion for each of the ten multiple choice statements presented below. Do not circle the bubbles that represent your preferred answers. (a) Strongly agree (b) Agree (c) Disagree (d) Strongly disagree (e) Not Applicable
