

Dual Enrollment

WWW.EGA.EDU

THE BASICS

- Simultaneous enrollment in high school and college courses
- The college courses will count towards your high school graduation requirements

What is Dual Enrollment

BENEFITS

- Rigorous, college-level courses
- Early adjustment to the college atmosphere
- Earn college credit
- Aids in the college search process

What is Dual Enrollment

CAUTIONS

- Your professors will not know you are a dual enrollment student, so they will treat you like a college student
- Your college GPA will follow you!
- College and high school calendars do not always align
 - Fall/Spring/Winter Break
 - Extracurricular activities
 - Attendance policies

What is Dual Enrollment

WHAT IS COVERED

- Tuition*
- Mandatory student fees
- Textbook rentals (lab manuals included)

***State funding will cover up to 30 credit hours of approved courses**

Paying for Dual Enrollment

WHAT IS NOT COVERED

- Parking passes
- Dining plan
- Course fees
- Housing
- Transportation

Paying for Dual Enrollment

APPLY

- Submit the online **East Georgia State College** application for admission at <https://www.ega.edu/admissions/start-here/index.html>
- Select ***dual enrollment*** as the student type
- Select ***no*** in reference to the fee waiver on the last page of the application. This will allow us to waive the application fee.

Students can monitor their status on [ega.edu](https://www.ega.edu)
by clicking on “**Check Admissions Status**”>

<https://www.ega.edu/admissions/check-admissions-status.html>

*Sometimes students complete the funding application through GAFutures thinking that is the application for admission

How to Apply

ORIENTATION AND REGISTRATION

- Once a student has been accepted, the student will be directed to complete an online Dual Enrollment Orientation. At the end of this process, the student will complete a Student Agreement Form
- Once the Student Agreement Form is complete, the Dual Enrollment Coordinator will reach out to the student and their high school counselor to fill out the EGSC Dual Enrollment Advisement Form
- If any changes need to be made after the form has been approved, a new course schedule form must be submitted by the high school counselor

Orientation & Registration

OBTAIN FUNDING

- You and your parent/guardian must complete the **GA Futures Funding Application/Participation Agreement**
- You will need to have met with your high school counselor first to go over what classes you will be approved to take as a dual enrollment student
- Your high school counselor must complete their part of the GA Futures Participation Agreement

Funding Application & Participation Agreement

FAQs

- **How Do Online Classes Work?**
 - Synchronous
 - Asynchronous
- **How is My Schedule Created?**
 - You will build your schedule based on your high school schedule, extracurricular activities, and your own personal preferences.
